Re: IU Convention Election Campaigning

The Election Committee would like to maximize member participation in the upcoming delegate election for the International Union Convention. To encourage member involvement, candidates will have the opportunity to speak about themselves at chapter meetings. All candidates will be given an equal amount of time during the meeting.

Candidates interested in attending chapter meetings can view the upcoming chapter meeting schedule. *Please note that meetings may change or be rescheduled with little notice.* Candidates will be responsible for contacting the Chapter Presidents directly to coordinate attending a chapter meeting (attached).

If you have any questions or concerns, please email the Election Committee at union21@ifpte21.org.

Thank you,

The Election Committee
Cheryl Penick, Chair, Gus Vallejo, and Moses Corrette
