East Bay Vice President

Dear Local 21 Sisters and Brothers,

I have learned so much in the past two years serving as your East Bay VP. Our membership has grown and we are fiscally sound. *Let's keep the momentum!*

Two challenges face us in the coming year. Externally, *Janus* will be the greatest test unions have ever faced. Internally, we need to find a new Executive Director with vision and tenacity who is up for that fight. Planning and implementation for these is in the works, so *let's keep the momentum!*
