

Re-elect David Herring
For
Vice President for Membership and Organization

I have been a proud member of Local 21 for over 17 years. During that time I have served in the following leadership roles:

- Currently serving as the Executive Committee Vice President for Membership and Organization, since January 2014.
- Member of the Personnel Committee for the Executive Committee.
- Served as Local 21 Trustee for 2 years.
- Serves as the President of the Housing Inspectors Chapter twice.
- Served as the Vice President of the Housing Inspectors Chapter twice.
- Served as the Secretary / Treasurer of the Housing Inspectors Chapter twice.
- Member of four Contract Bargaining Committees.

I am a 6272 Senior Housing Inspector for the San Francisco DBI. I have been working as a Senior Housing Inspector / Housing Inspector responsible for enforcing the San Francisco Housing Code for over 17 years.

Local 21 is facing many challenges ahead and I feel I can provide the experience and continuity we need at this critical time.
