

GUS VALLEJO FOR L21 PRESIDENT

BACKGROUND: CCSF, 1054 IS Business Analyst-Principal, San Francisco Employees Retirement System, Information Technology Professionals Chapter

I am running for the position of L21 President because I believe our Union can grow through mutual respect, effective communications, outreach and member engagement.

I am the right candidate for this position as I have 16+ years of activism as illustrated below:

- SF Vice President (2013-present)
- Chapter President (2009-2013)
- Chapter Vice President (2007-2009)
- Member:
 - Political Action Committee (2005-present)
 - Contract Bargaining Teams (2008-present)
 - Telecommute Policy Update Committee (2017)
 - Union/City Partnership Design and Steering Committees (2006-2008)
 - Local 21 Executive Director Search Committees (2006 and 2017)
- Delegate:
 - IFPTE International Convention (2009,2012, 2015)
 - San Francisco Labor Council
- L21 Endorsed Candidate for the San Francisco Employees' Retirement System Board Seat (2012)

I've appeared before the San Francisco Board of Supervisors, The Government Audits and Oversight Committee, the Civil Service Commission and the Budget Committee to speak on behalf of issues important to our members.

I've worked closely with department heads and city managers to resolve issues of mutual interest and worked with staff on equity adjustments and arbitrations that successfully impacted over 1,000 of our members.

I know the most important part of communications is the ability to actively listen and sincerely feel that is why I have the endorsements of a broad coalition of L21 leaders as noted below

Lastly, I have the broad-based hands-on experience and skills to work together with you to make us a stronger union as we face the challenges of an uncertain future.
