## SECTION 2: AGENCY SHOP

Except as provided otherwise herein, the provisions of this Section shall apply to all employees of the City in all classifications represented by the CEA when on paid status, except those mutually designated classifications and mutually designated employees who are employed for no more than 995 hours per fiscal year. The provisions of this Section shall not apply to individual employees who have been properly and finally determined to be management or confidential employees.

For the term of this Agreement, all current and future employees of the City as described above, except as set forth below, shall, as a condition of continued employment, become and remain a member of the CEA or, in lieu thereof, shall pay a service fee to the CEA. The service fee payment shall be established annually by the CEA.

### 2.1 Employee Rights

2.1.1 The City and the CEA recognize the right of employees to form, join, and participate in lawful activities of employee organizations and the equal, alternative right of employees to refuse to form, join, and participate in employee organizations. Neither party shall discriminate against an employee in the exercise of these alternative rights.

2.1.2 Accordingly, membership in the CEA shall not be compulsory. An employee has the right to choose, either; to become a member of the CEA; or, to pay to the CEA a fee for representation services; or, to refrain from either of the above courses of action upon the grounds set forth in Section 5.6 below.

## 2.2 Employee Selection

- 2.2.1 Any regular employee, must, within thirty (30) days of their employment with the City, submit to the City either a signed authorization to deduct dues as a member of the CEA; or, sign and deliver to the City a written assignment authorizing deduction of the properly established agency fee as defined in Section 5.3.1 below, subject to the conditions set forth in Section 4.5 of this MOU. Upon receipt of the duly completed authorization, the City will deduct from the pay of the employee and pay to the CEA the normal and regular monthly fee. If the employee is granted an exception from these fees based on a religious exception as explained in Section 5.6 below, the employee must designate a charity from Section 5.6.2 to which the appropriate amount will be paid through payroll deduction.
- 2.2.2 If a person fails to make any of the designations set forth above within the thirty (30) day period, they will be given notice by the City that the Agency Fee deduction will be made beginning with the first full pay period following the expiration of the thirty (30) day period. The City and the CEA agree that the Agency Fee shall be paid in exchange for representation services necessarily performed by the CEA in its capacity as exclusive bargaining agent and in conformance with its duty of fair representation of said employee who is not a member of the CEA.
- 2.2.3 Any regular employee who makes a designation to pay the Agency Fee within the above thirty (30) day period may at any time thereafter join the CEA and provide to the City a signed authorization to deduct dues as a member of the CEA in lieu of the Agency Fee.

The City shall remit dues and fees to the CEA's designee each month along with an excel spreadsheet containing the names of each unit employee, their classification, and the amount of their dues or fees for the month.

- 2.3.2 The CEA certifies that this "representation fee" includes only those costs actually incurred by the CEA in representing employees, who are not also members of the CEA, in matters specifically and directly connected with the enforcement of this Memorandum of Understanding, the adjustment of grievances, and litigation pertaining thereto. The CEA further certifies that this "representation fee" excludes all other costs, fees, and adjustments including, but not limited to: CEA fines, back dues, initiation fees, or any other charge required as a condition of CEA membership; any and all amounts which may be used, directly or indirectly, for political or ideological activities. The CEA specifically agrees that the provisions of Section 5.7 of this Section apply to any claims against the City or any of its agents or employees regarding the appropriateness of the amount of any "representation fee" set forth in this Section.

If twelve (12) months have elapsed since approval of the exchange of sick leave for vacation, and the employee has not been permitted the use of the converted vacation time, (after submitting at least one written request for utilization) the employee will have the right to re-convert the vacation time to sick leave in reverse ratio to the original exchange. This exchange will be allowed only for previously converted sick time to vacation and will not be permitted for regularly accrued vacation time.
- c. If the employee's vacation accrual exceeds the maximum allowable accrual, he/she will have the option to re-convert vacation time back to sick leave on a reverse ratio basis. Such re-conversion shall be limited to previously converted sick leave/vacation and may not exceed the amount necessary to reduce the accrued vacation to the maximum allowable. Regularly accrued vacation time will not be eligible for this re-conversion to sick leave and any regularly accrued vacation time accrued in excess of the maximum allowable will be disallowed and not subject to utilization by the employee.

NOTE: As used in this document, "reverse ratio" is intended to mean that the ratio of sick leave to vacation will revert to the original ratio at the time the initial exchange was implemented.

#### SECTION 14: SICK LEAVE VERIFICATION

A Department Head or supervisor may at their discretion require employees to furnish reasonable acceptable evidence, including a doctor's certificate, to substantiate a request for sick leave if the sick leave exceeds three (3) consecutive workdays. A supervisor may also require a doctor's certificate or other form of verification where leave abuse is suspected. If it appears that an employee is abusing sick leave or is using sick leave excessively, the employee will be counseled that the continued use of sick leave may result in a requirement to furnish a medical

certificate for each such subsequent absence for sick leave regardless of duration. Continued abuse of leave or excessive use of sick leave may constitute grounds for discipline up to and including dismissal.

#### SECTION 15: BEREAVEMENT LEAVE

Employees shall be granted paid bereavement leave of up to 24 hours upon the death of a close relative. Close relatives are defined as mother, father, sister, brother, wife, husband, domestic partner, child, step-child, grandparent, grandchildren, mother-in-law and father-in-law. Additional bereavement leave of up to 16 hours will be granted for travel out of state or over 200 miles.

#### SECTION 16: MILITARY LEAVE

Military leave shall be granted in accordance with the provision of State and Federal law. All employees entitled to military leave shall give their supervisor an opportunity within the limits of military requirements, to determine when such leave shall be taken.

#### SECTION 17: PREGNANCY DISABILITY LEAVE

An employee disabled by pregnancy is eligible for up to four months of unpaid pregnancy disability leave (PDL) as defined by law. This leave is to be used when the employee is disabled due to pregnancy or child birth or related medical condition, including but not limited to, morning sickness, pregnancy complications and prenatal appointments. Accrued sick leave may be used during the leave, and the employee has the option to use accrued vacation, floating holidays and/or compensatory time in order to receive pay during the leave. If the employee is also eligible for leave under the Federal Family Medical Leave Act (FMLA), the leave the employee takes for pregnancy disability will be run concurrently with the employee's entitlement to up to 12 weeks of FMLA leave. Employees otherwise eligible for health insurance benefits (medical, dental and vision) will continue to receive such benefits during the period of the PDL leave up to four months as defined by law per 12 month period.

After PDL and FMLA leave, if applicable, expires and if the employee is on unpaid status or the employee has less than 20 hours per week on their timesheet, the employee may elect to continue and enroll in COBRA benefits at employee's expense.

The employee will be accruing sick leave, floating holiday and vacation leave during the period of time, if any, the employee is in paid status. Any time the employee's hours adjust to less than 40 hours per week, however of paid status, the employee's accrual rates (sick leave, vacation leave, floating holiday) will be prorated and be adjusted accordingly. Sick leave, floating holiday and vacation leave do not continue to accrue during any period the employee is on unpaid status.

Under the California Family rights Act (CFRA) eligible employees are entitled up to 12 additional weeks of leave to bond with the baby. To be eligible for the CFRA bonding leave, employee must be employed by the City for at least one year and have worked at least 1250

hours during the year preceding the leave. The leave is unpaid, but the employee may use floating holiday, compensatory time and vacation leave in order to receive pay during the leave. The employee may use sick leave for a baby's illness or doctor's appointment when applicable to receive pay during the leave. Bonding leave must be used within one year of the birth of the baby.

An employee who plans to take PDL must give reasonable notice (not less than 4 weeks if anticipated or as soon as possible if the leave is unforeseen) before the date employee expects to take the leave. As with all other employees returning from medical leave, employees returning from PDL leave of at least 3 days are required to provide a doctor's note clearing them to return to work. If an employee requires reasonable accommodations as a result of pregnancy, employee should consult with Human Resources. Employees disabled by pregnancy and employees on leave to bond with a baby may be eligible for benefits under State Disability Insurance. Additional information is available at [www.edd.ca.gov/Disability](http://www.edd.ca.gov/Disability) and from Human Resources.

## SECTION 18: ADOPTION LEAVE

Upon request, a leave of absence without pay for up to four (4) work weeks will be granted to adoptive parents. Such leave must be used within one year of the adoption. The city will pay health and welfare benefits for the duration of the leave as the same rate as prior to the leave consistent with the contributions as provided for under the existing MOU.

If the employee is eligible for FMLA/CFRA (employed by the city for at least one year and worked at least 1250 hours during the year preceding the leave), employee may be eligible for up to 12 work weeks total (the above four (4) work weeks plus an additional eight (8) work weeks) for bonding with the adopted child during the first year after adoption. The employee may be eligible for health benefits during the twelve (12) work week period at the same rate as prior to the leave as provided for under the existing MOU.

During adoption leave, accrued vacation may be used by the employee at his or her option in order to receive for the leave. Sick leave may only be used during the leave in the event of illness or medical appointments of the adoptive child during the leave.

## SECTION 19: CATASTROPHIC LEAVE

- a. The City's Catastrophic Leave Committee will evaluate each individual case when it is submitted to qualify to receive funds. The only limitation is that the employee must be the one facing the illness. The committee has the right to establish standards for the granting of leave hours, and ask the applicant to submit further documentation from the treating physician, and to determine the applicant's eligibility for catastrophic leave hours.
- b. All benefited employees will be eligible to receive assistance. An employee does not have to be a contributor to be eligible.
- c. A recipient must have used all of their available leave hours before he/she is eligible.
- d. The maximum amount is two months (LTD becomes available at this time).
- e. Vacation hours and compensating time off (CTO) hours are the only leave of absence

credits which may be donated. An employee may not donate leave of absence credits which would reduce his/her total accrued leave balances to less than 120 hours. Leave credits may be donated in any pay period. All leave donations are irrevocable.

- f. A leave of absence transfer drive will be held whenever necessary to provide for a minimum catastrophic leave bank balance which is the equivalent of 40 hours.
- g. Active employees wishing to donate sick leave hours to the Catastrophic Leave bank will need to convert sick leave hours (maintaining a minimum of 320 hours after donation) to vacation leave hours.
- h. Upon retirement or resignation, an employee can contribute up to 10 hours of sick leave provided that the employee has a minimum of 320 hours of sick leave, which has previously become vested.

Transfers may be in increments of one hour or more. All donations will be confidential. There will be no selling or coercion of employees to donate.

Donated leave hours will be converted to cash and deposited in a time-bank where it will be available for distribution. Checks will be issued to the recipient with the regular payroll, which will keep them in an active employment mode with the City. This procedure prevents overpayments or corrections since it comes after the actual leave has been taken. (Conversion allows for adjustments for different rates of pay.) No employee shall receive payment for more than 100% of his or her regular pay.

An employee or their representative must complete a prescribed application form together with supporting medical documentation to the Human Resources Division when applying for funds.

## SECTION 20: ABSENCE NOTIFICATION

An employee is expected not to be absent from work for any reason other than personal illness without making prior arrangements with his/her supervisor. Unless prior arrangements are made, an employee who, for any reason, fails to report for work must make a sincere effort to immediately notify his/her supervisor of his/her reason for being absent. If the absence, whether for personal illness or otherwise, is to continue beyond the first day, the employee must notify the supervisor on a daily basis unless otherwise arranged with his/her supervisor. In proper cases, exceptions will be made.

Any unauthorized absence of an employee from duty shall be deemed to be an absence without pay and will be grounds for disciplinary action up to and including dismissal by the department head. In the absence of such disciplinary action any employee who absents himself/herself for three days or more without authorized leave shall be deemed to have resigned. Such absence may be covered, however, by the department head by a following grant of leave with or without pay when extenuating circumstances are found to have existed.

## SECTION 21: FAMILY MEDICAL LEAVE /CALIFORNIA FAMILY RIGHTS ACTS

The City of Cupertino shall comply with the leave provisions of the Family Medical Leave Act and the California Family Rights Act for employees who qualify for leave under these laws.

## **SECTION 22: EDUCATION REIMBURSEMENT PROGRAM**

It is the intent of the City to recognize the value of continuing education and professional development of its employees; and to adopted an Education Reimbursement Program which will encourage employees to avail themselves of City job related educational opportunities that will advance their knowledge and interests in the direction of their career path. Courses may be specific to their current job specifications, requirements for degree completion or taken to advance knowledge and skills for a position within the City the employee wishes to obtain.

The Education Reimbursement Program is a benefit to all full time benefited employees who have completed the required probationary period and provides education reimbursement of up to one thousand, three hundred fifty (\$1,350) per calendar year for the cost of registration, required textbooks and/or materials and parking. Employees who wish to seek reimbursement from the City for educational program costs shall provide a written request for reimbursement in advance of enrollment to the Human Resources Division. The form provided shall include the type of training, sponsoring organization or institution, meeting times and costs. The Human Resources Director and the employee's department head will make the determination if the chosen education program is eligible for reimbursement.

No employee shall receive any reimbursement until they have provided satisfactory proof of successful completion of the coursework.

Mandatory or annual coursework, attendance at conferences and training required to maintain job specific certifications or proficiencies are not included in the Education Reimbursement Program.

## **SECTION 23: CITY SPONSORED RECREATION AND WELLNESS PROGRAMS**

City employees shall have the privilege of enrollment in City sponsored recreation programs at the City residents' fee structure and in preference to non-residents wishing to enroll. Each calendar year, benefited employees for employee and family members on the employee's health plan are eligible to receive up to \$400 per employee in Rec Bucks toward City of Cupertino recreation services in accordance with the City's Recreation Buck Policies and a free employee only annual Cupertino Sports Center membership. Part-time benefited employees will have the annual amount of Recreation Bucks prorated based on number of hours worked. Recreation Bucks must be used by the employee within two years of the issuance date and are non-transferrable.

City employees are eligible to participate in the City's wellness program as provided for in the City's Administrative Manual.

## SECTION 24: DUE PROCESS

For demotions, suspensions of more than five days and terminations of employment, the City will provide written notice of the intended actions including the reasons therefore; a copy of any documents upon which the City relied in taking its action and an opportunity to respond, either orally or in writing, prior to the effective date of the disciplinary action.

Said opportunity shall be as soon as is practical after having been served the written notice and shall not constitute any limitation otherwise available through the grievance or appeal procedures. Any written warning in an employee's file will be removed from the file after three years.

## SECTION 25: LAYOFF PROCEDURE

The appointing authority may layoff employees for lack of funds, lack of work or for other similar and just cause. The appointing authority will identify the classification(s) subject to layoff. All classifications and all departments citywide are subject to layoff considerations.

Employees in a classification(s) identified for layoff shall be laid off in reverse order of seniority, based on the date of the appointment to the classification. If an employee separates from City employment for a period of more than 30 days, the time off from City employment shall be deducted from an employee's length of service for the purpose of determining seniority.

Employees being laid off shall be entitled to placement in a lower classification; provided (a) the employee was previously employed with regular status having completed the probationary period in that lower classification and (b) the employee has more total seniority with the City than an individual in the lower classification. Any employee being displaced by an employee opting to be placed in a lower classification shall be entitled to placement in the lower classification, subject to conditions (a) and (b) listed in this section.

The City will provide a 30 day notice to any employees identified for layoff and layoff pay in the amount of \$2,500 at the time of layoff. Such notice will include the employee's rights to placement in a lower classification pursuant to this section. Medical, dental, vision, and life insurance continue through the end of the month in which the layoff is effective. In addition, the employee will be provided with an opportunity to elect to enroll in COBRA medical, dental, and/or vision coverage at the time of layoff and at employee expense.

The names of the employees affected by layoff shall be placed on a recall list for a period of two years in the reverse order of layoff and shall have the first opportunity for reinstatement. Failure to respond within ten (10) business days to a written notice of such opportunity for reinstatement shall cause that name to be removed from the recall list. Such notice shall be sent by certified or registered mail to the address of the employee on file with the City. The affected employees shall be responsible for updating the City of any change in address during the time they are on the recall list.

## SECTION 26: REINSTATEMENT

With the approval of the Appointing Authority, a regular or probationary employee who

has resigned with a good record may be reinstated within twenty-four months of the effective date of resignation to a vacant position in the same or comparable class he/she previously occupied. Upon reinstatement, the employee for all purposes shall be considered as though they had received an original appointment.

#### SECTION 27: CONTINUATION OF BENEFITS

All terms and conditions of employment not otherwise contained herein shall be maintained at the standards in effect at the time of execution. However, the parties agree that any automatic economic triggers, formulas or escalators shall become inoperable and void upon expiration of this contract.

#### SECTION 28: SEPARABILITY

In the event any provision of this agreement is finally held to be illegal by a court of competent jurisdiction or void as being in contravention of any law, rule or regulation of any government agency having jurisdiction over the subject set forth, then the remainder of the agreement shall continue in full force and effect unless the parts so found to be void are held inseparable from the remaining portion of the agreement.

#### SECTION 29: RATIFICATION

Nothing contained in this memorandum shall be binding upon either the City or the Association until it has been ratified by the Association's membership and presented and approved by the City Council of the City.

#### SECTION 30: REOPENER ON CONCESSIONS

During the term of the MOU, should any other bargaining unit reach a signed agreement that results, over the lifetime of the contract, a package that contains few concessions than the CEA's overall package, then the City agrees to reopen negotiations with the goal of adjusting the reductions to an equitable amount.

#### SECTION 31: TERM

This agreement shall be effective commencing the first full pay period after Association ratification and adoption by the City Council of this successor MOU and ending at 11:59 p.m. June 30, 2019.

#### SECTION 32: FOR THE TERM OF THIS CONTRACT

New for the term of this Contract: No sooner than 180 days prior to the expiration of this Memorandum of Understanding (MOU), the City and CEA will schedule three (3) meetings to be concluded no later than 90 days prior to the expiration of this MOU with the goal of reaching mutual agreement on the comparable jurisdictions and total compensation elements to be surveyed in preparation for negotiations of a successor MOU. If the parties are unable to reach mutual agreement at the conclusion of the three (3) meetings prior to 90 days of the expiration of this MOU, the parties shall conduct their own total compensation study.

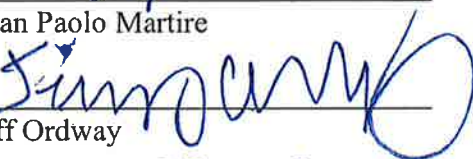

The parties agree that if the parties are able to reach mutual agreement on the comparable jurisdictions and the total compensation elements to be surveyed, the results of such total compensation study shall be a topic for negotiations as part of the successor MOU bargaining.
