**MEMORANDUM OF UNDERSTANDING
EXECUTIVE AND SENIOR MANAGEMENT
LOCAL 21 (AFL-CIO), UNIT #19**

PREAMBLE

This **AGREEMENT**, (hereinafter “Agreement”) entered into by the **COUNTY OF SOLANO**, (hereinafter “County”) and **PROFESSIONAL AND TECHNICAL ENGINEERS, LOCAL 21 (AFL-CIO)**, (hereinafter “Union”), has as its purpose the promotion of harmonious labor relations between the County and the Union; establishment of an equitable and peaceful procedure for the resolution of differences; and the establishment of rates of pay, hours of work, and other conditions of employment.

Representatives of the County and the Union have met and conferred in good faith regarding wages, hours, and other terms and conditions of employment, have freely exchanged information, opinions, and proposals and have endeavored to reach agreement on all matters relating to the employment conditions and employer-employee relations of such employees.

The legal relationship between the Professional and Technical Engineers, Local 21 (AFL-CIO) (“Union”) and the County of Solano (“County”) is governed by the Meyers-Milias-Brown Act (California Government Code sections 3500, et seq.), the County’s Employer-Employee Relations Rules and Regulations, the Civil Service Rules, and this Memorandum of Understanding. Whenever this Memorandum of Understanding contains a provision relating to the subject matter which is also referred to in the Civil Service Rules or any other County ordinance, policy or regulations, the provisions of this Memorandum of Understanding shall prevail.

The term “Agreement” as used herein means the written agreement provided under Section 3505.1 of the Government Code.

1. RECOGNITION

1.1 Union Recognition

The County recognizes the Union as the recognized employee organization for permanent full and permanent part-time employees in the following unit:

Unit #19 – Executive and Senior Management

1.2 County Recognition

The Union recognizes the Director of Human Resources or his/her designee as the County’s designated representative for negotiations.

2. TERM

This Memorandum of Understanding shall be in effect on the date it is adopted by the Board of Supervisors, except for those provisions of this Memorandum of Understanding which have been

assigned other effective dates and shall remain in full force and effect to and including September 28, 2017. This Memorandum of Understanding shall continue thereafter from year to year unless at least one hundred fifty (150) days prior to September 28, 2017, or before the first day of October of any subsequent year, either party has filed written notice with the other of its desire to amend, modify, or terminate this Memorandum of Understanding.

3. UNION SECURITY AND RIGHTS

3.1 Union Dues and Service Fees

- A. The County agrees to provide employees with a payroll deduction option for the payment of dues to the Union.
- B. Unit employees currently employed or hired after the date of ratification of this agreement, and adoption by the Board of Supervisors, may sign up for Payroll Deduction on a county approved form (**Appendix “C”**). If the employees opt for such deduction, it is understood that the dues will be deducted for the duration of this agreement, or until the last day of the last full pay period of the calendar month following the transfer of the employee to a unit represented by another recognized employee organization or to a class not contained in a represented unit, whichever occurs first. Employees are free to discontinue dues deduction by notifying the Payroll Bureau of the Auditor-Controller’s Office, in writing, thirty-five (35) days prior to the expiration of the MOU. The change will then be effective beginning the first pay period following the expiration of the MOU.
- C. Any Unit employee who has a current dues deduction authorization on file with the Auditor-Controller’s Office on the date of ratification of this agreement, and adoption by the Board of Supervisors, shall be deemed to have signed up for Payroll Deductions on the County approved Maintenance of Membership form (**Appendix “C”**), and shall be subject to the Maintenance of Membership provisions of this agreement.
- D. It is understood that employees are free to authorize dues deduction at any time. However, employees may not discontinue membership during the term of this Memorandum of Understanding, except as otherwise provided in this section.
- E. Dues deduction shall not be retroactive.
- F. The County will not deduct any Union fines, penalties, or special assessments from the pay of any employees.
- G. It shall be the sole responsibility of the Union to procure and enforce payroll deduction of dues from Unit employees, and to ensure that the necessary form is properly completed and delivered to the County Payroll Bureau of the Auditor-Controller’s Office.
- H. The County will provide a list of employees newly hired into regular positions to the Union on at least a monthly basis. The County will also provide the Union with copies of signed dues deduction authorization forms and dues deduction

withdrawal requests on a monthly basis.

- I. The Union shall indemnify, defend and hold harmless the County of Solano, its officers, officials, agents and employees, against any claim, demand, suit or liability (monetary or otherwise) and for all legal costs arising from any action taken or not taken by the County, its officials, agents and employees arising out of the application of this section which are in excess of the amount of dues which the County has agreed to deduct.
- J. The County will provide a hard copy to the Union including information on employees' name, department, unit and classification on a quarterly basis.

3.2 Release Time and Shop Stewards

The County will allow the Unit #19 President to schedule a reasonable amount of time away from work to conduct Union business. The President shall obtain permission from his/her immediate supervisor prior to leaving work in accordance with departmental policy. Any expenses incurred by the President shall not be borne by the County.

The Union shall designate a reasonable number of stewards to assist in resolving grievances, representing bargaining unit members, and resolving other matters within the scope of representation. Stewards will arrange with the department head or designee in advance to schedule a reasonable amount of time to perform said duties. The definition of what is reasonable is at the discretion of the department head whose employees are covered under this agreement.

The Union shall annually, in January, provide a list of stewards to Human Resources. The Union shall inform the Human Resources Department in writing of any additions or deletions of individual stewards within thirty (30) days of such a change.

Officers and authorized representatives of the Union who are County employees may utilize time during normal working hours without loss of pay or benefits, for meeting and conferring with County management on matters within the scope of representation. Subject to advanced scheduling with the appropriate department head, the number of County employees released for such meetings shall not exceed three (3) persons, except for successor collective bargaining agreement negotiation sessions, in which it shall not exceed five (5) persons, except by mutual agreement between the Director of Human Resources and the department head and the Union prior to the meeting. The use of official time for this purpose shall be reasonable in amount and shall not interfere with the performance of County services.

3.3 Bulletin Boards

Bulletin Boards will be made available to the Union in accordance with **Article 3, Section 10.d. of the Employer-Employee Relations Rules and Regulations.**

3.4 Names and Classes of Represented Employees

The County shall provide the Union with a list of all newly hired and all recently

separated employees covered by this Memorandum of Understanding during the first pay period following ratification of this Memorandum of Understanding and once each month thereafter. Such lists shall include employees' dates of hire/separation, home address, home phone number, and classifications.

3.5 Work Access

Authorized representatives of recognized employee organizations may have reasonable access to other members of the same organization in County offices for transmittal of information or for representation purposes as long as the work of County employees and services to the public are unimpaired. The representative shall request prior authorization for such visit by contacting the designated representative of the particular department or division. If immediate access cannot be authorized, the designated representative shall inform the Union representative as to the time when access can be granted.

The Union shall give each department or division and the Director of Human Resources a written list of its staff representatives and shall keep such list current.

County officers and heads of departments are empowered to staff, rearrange and adjust the hours of employment of employees in such a manner as to enable them to keep the County office open at all required times.

3.6 T.J. Anthony Fund

Employees in classifications represented by IFPTE Local 21 may make a voluntary, monthly contribution to the T.J. Anthony Fund, which is the Union's political action fund, through the County's payroll system. Monthly contributions will be deducted from employees' pay by the County and remitted to the IFPTE Local 21, T.J. Anthony Fund.

4. COUNTY MANAGEMENT RIGHTS

The County management rights are provided for in the Employer-Employee Relations Rules and Regulations (EERRR), Article 2, Section 3 and are incorporated herein by reference.

5. SALARIES

5.1 Salary Ranges and Pay Date

Salary increases for classifications represented by the Union are listed in **Appendix "B"** of this Agreement. Employees shall be paid every other Friday.

5.2 Pay for New Employees

- A. New Employees shall be appointed at the recruiting step of the salary range in effect for the particular class of position to which the appointment is made.
- B. The department head/appointing authority may authorize that a particular position be filled at step one, two or three, following guidelines issued by the Department of Human Resources. Requests for appointments at step four or five must be

approved by the Director of Human Resources.

5.3 Salary Upon Reemployment

- A. A former employee at the time of separation who is re-employed within two (2) years in the same class or in a lower class in the same series may, upon the request of the department head and with approval of the Director of Human Resources, be appointed at the same step occupied immediately prior to separation.
- B. A represented employee who voluntarily separates and (a) is subsequently re-employed in the same department in a represented position, (b) begins work not more than one hundred eighty (180) from the last day the employee actually worked for the County, and (c) either did not withdraw from PERS or “bought back” PERS service credits shall, upon approval by the Director of Human Resources, have continuous service credit for purposes of vacation and longevity pay eligibility. Restored prior service shall not apply toward seniority for lay-off purposes, step raise eligibility or any benefit other than vacation and longevity eligibility.

5.4 Merit Increases within Grade

- A. Merit increases shall not be automatic, but shall be given only upon the recommendation of the department head.
- B. The merit increase eligibility dates for all employees hired or promoted into classifications in this unit shall be the first day of the pay period following completion of 26 full pay periods.
- C. Every employee in a regular position shall have a merit increase eligibility date. The merit increase eligibility dates for every employee hired or promoted into classifications in this unit before December 13, 2011, shall be the first day of the pay period following completion of the number of full pay periods of service indicated in the chart below:

| After | 13 Pay Periods | 13 Pay Periods | 26 Pay Periods | 39 Pay Periods |
|--------------------|---------------------------|---------------------------|---------------------------|---------------------------|
| Salary Grade Steps | 2 | 3 | 4 | 5 |

The merit increase eligibility dates for all employees hired or promoted into classifications in this unit on or after December 13, 2011, shall be the first day of the pay period following completion of 26 full pay periods as indicated in the chart below:

| After | 26 Pay Periods | 26 Pay Periods | 26 Pay Periods | 26 Pay Periods |
|-------|---------------------------|---------------------------|---------------------------|---------------------------|
| | | | | |

| | | | | |
|--------------------|---|---|---|---|
| Salary Grade Steps | 2 | 3 | 4 | 5 |
|--------------------|---|---|---|---|

Employment beginning on the first working day of a pay period shall be considered as beginning on the first calendar day of that pay period. If the first working day is after the first Monday (Tuesday if Monday is a holiday) of the pay period, time will accrue from the first day of the next pay period for step increases and eligible fringe benefit accrual.

Other than military leave, a leave-of-absence without pay exceeding seven (7) consecutive calendar days in a pay period shall defer a merit increase eligibility date by an amount equal to the number of pay periods during which the employee was on leave-of-absence without pay.

- D. An employee in a regular part-time position shall be treated identically to an employee in a regular full-time position except that merit increases shall be granted in the same proportion as hours of work relate to the hours of work of a regular full-time position.
- E. The department head shall advise the Director of Human Resources and the Auditor-Controller in writing prior to the merit increase eligibility date whether the merit increase should be granted, denied or deferred. The recommendation must be supplemented by a completed performance evaluation which has been discussed with the employee. The merit increase shall consist of one step on the salary range for the class.
- F. An overall rating of either unacceptable or improvement needed requires a performance re-evaluation no later than four (4) pay periods following the scheduled merit increase eligibility date. If the employee shows no improvement, the appointing authority must recommend action to be taken. Such evaluation shall be on forms and under procedures prescribed by the Director of Human Resources or his/her designee.
- G. If, in the department head's judgment, the employee's performance does not merit a salary increase on the merit increase eligibility date, and a deferment of a decision accompanied by an effort at improved performance might be productive, the department head shall complete the structured merit rating and defer a decision regarding the merit increase. A merit increase decision may be deferred for any number of pay periods, not to exceed 13. A merit increase may be deferred only once for any given step on the grade for the class. A department head may reopen the matter by submitting another merit rating and recommendation. An employee's merit increase eligibility date shall not be changed by any deferment.
- H. If an employee's merit increase eligibility date is overlooked through an error and, upon discovery of the error, the employee is recommended for merit increase, the employee shall be compensated for the additional salary he or she would have received dating from the original merit increase eligibility date.

5.5 Salary Upon Promotion

Any regular employee who is promoted to a position with a higher salary grade shall receive the recruiting salary for the class or such higher amount as would constitute at least a five percent (5%) increase over the salary received prior to the promotion, not to exceed the top step of the new grade. The effective date of all promotions shall coincide with the first day of the pay period.

5.6 Salary Upon Transfer

When an employee is transferred from one class and department to another in the same class, the salary and merit increase eligibility date shall not change.

5.7 Salary Upon Demotion

When a regular employee is demoted for reasons of unsatisfactory performance, the employee's salary shall be reduced one step, or he/she shall receive the maximum step of the grade of the new class, whichever is lower. The merit increase eligibility date shall be the first day of the pay period following completion of the number of pay periods of service corresponding to the required period of service as is governed by this Memorandum of Understanding.

When a regular employee in good standing is demoted as an accommodation for ADA purposes, he or she shall receive the highest salary in the new grade that does not exceed the rate of pay received immediately prior to demotion. The merit increase eligibility date to which he/she was entitled prior to demotion shall be retained.

A promotional employee demoted to a class formerly occupied in good standing shall retain the step status, merit increase eligibility date that would have been achieved if he/she had remained in the lower class.

5.8 Salary Upon Reclassification

The salary of an incumbent regular or probationary employee in a reclassified position shall be determined as follows, if the incumbent remains in the reclassified position:

- A. If the position is reclassified to a class with the same salary grade, the salary and the merit increase eligibility date will not change.
- B. If the position is reclassified to a class with a higher salary range, reclassification shall be considered to be a promotion.
- C. If the position is reclassified to a class with a lower salary grade, the salary shall be determined as follows:
 1. If the salary of the employee is the same or less than the maximum of the new class, the salary and merit increase eligibility date shall not change.
 2. If the salary of the employee is greater than the maximum of the new

grade, the salary shall be designated as a Y-Rate and shall not change during continuous regular service until the maximum of the new grade exceeds the salary of the employee or until the period of time indicated in the schedule below has elapsed, whichever is sooner. If, at the end of the calendar period indicated below, the salary still exceeds the maximum of the new salary grade, the salary shall be reduced to the maximum salary for the new class.

| Years of Continuous Regular Service | Effective Date of Salary Change |
|--|--|
| Less than 5 | 2 years from date of reclassification |
| 5 but less than 10 | 3 years from date of reclassification |
| 10 but less than 15 | 4 years from date of reclassification |
| 15 but less than 20 | 5 years from date of reclassification |
| 20 but less than 25 | 6 years from date of reclassification |
| 25 or more | 7 years from date of reclassification |

5.9 Longevity Compensation

All employees in this Unit shall be entitled to an increase in compensation based upon completion of the years of continuous full-time service listed below. Employees may receive credit for prior years of service employed with California cities, counties, joint power authorities, and other special districts as approved by the Director of Human Resources and the County Administrator.

| | |
|------------------------|------|
| 10 years | 2.5% |
| 15 years an additional | 2.5% |
| 20 years an additional | 2.5% |
| 25 years an additional | 2.5% |
| 30 years an additional | 2.5% |
| 35 years an additional | 2.5% |

All employees in regular or limited-term part-time positions shall be entitled to longevity compensation in the same ratio to the longevity compensation received by employees in regular or limited-term full-time positions as the number of hours in the part-time work schedule is to the number of hours in the full-time work schedule.

Upon qualifying for longevity increase, any further pay increase shall be in addition thereto and not restricted or reduced by the longevity increase.

5.10 Working Out of Class

- A. It is the intent of this article to provide appropriate compensation to employees working out-of-class from the beginning of the third pay period of such assignment and continuing for the duration of such assignment.
- B. A working out-of-class assignment occurs when an employee receives a formal, written assignment by a department head to perform the majority of the work characteristics of a higher paying classification.

1. With prior approval from the Director of Human Resources, a department head may assign an employee the duties of another position in a higher classification when the following requirements are met:
 - a. The vacant position is specifically allocated to the department;
 - b. The assignment will require the duties of the position to be performed by the individual for a period of not less than two (2) pay periods.
 - c. The employee meets the minimum qualifications identified in the job description of the classification being assigned. In the event no employee is identified for the work out of class assignment who meets the minimum qualifications of the position, the department head may request the approval of a written waiver of this requirement from the Human Resources Director.
2. Such temporary assignment shall not be considered a promotion. That individual shall receive the recruiting salary for the class or such higher amount as would constitute at least a one (1) step increase on the grade over the salary received prior to the assignment not to exceed the top step of the new grade.
3. If the employee is eligible for a merit increase in the class occupied prior to the temporary assignment, such employee will be eligible for a rate increase on the temporary assignment class grade provided; however, such increase in the prior class would result in more than the rate being earned on temporary assignment.
4. Employee Process to Request Working Out of Class Pay
 - a. Informal Steps
 - (1) An employee who believes he/she is working out of class must raise it with the Department head in writing, specifying the duties/assignments that he/she believes are outside current classification.
 - (2) The Department head (or designee) will respond in writing to the employee within ten working days of receiving the written notice from the employee.
 - (3) If the Department Head does not respond or the matter is not resolved to the employee's satisfaction, the Union may send a letter to the Department head with the specifics of the situation (a copy to be sent to the HR Department). Such letter must be submitted within ten working days of the Department's response in step two above.

- (4) The Department Head may meet with the employee/Union, as necessary and will respond in writing to the Union's letter within ten working days.
- (5) If the Department Head does not respond or the matter is not resolved to the employee's satisfaction, the Union will submit a letter to Human Resources within ten working days of the response from the Department Head.

b. Formal Steps

- (1) Within fifteen working days of receiving the letter from the Union, HR will investigate the claim (meet with Department, Employee, Union as necessary) and make determination, which will be final and NOT subject to the grievance procedure.
- (2) Should the Department of Human Resources determine that the employee should receive WOC pay, then such pay shall be retroactive to the beginning of the third pay period following the date the employee originally commenced the assignment or to sixty days from when the employee notified the department in step one above, whichever is later. Under no circumstance will any retroactive adjustment be made for a period of time more than sixty calendar days.
- (3) Time frames set forth above may be extended by mutual agreement of the parties.

5.11 Changes in Salary Allocation

If a class is reassigned to a different salary grade, each employee in the class shall be compensated at the same step in the new salary grade as he/she was receiving in the grade to which the class was previously assigned.

5.12 Overpayment / Underpayment

A. This provision applies when the Auditor-Controller determines that an error has been made to the employee's earnings, taxes, deductions or accrued leaves. In such cases, the County, for purposes of future compensation, shall adjust such earnings, taxes, deductions, or accrued leaves to the correct rate. The Auditor shall give written notice to the employee of the error, which shall include the option to meet with the Auditor to discuss the over/underpayment. The employee may be accompanied by a Union representative to any such meeting. As used in this section:

1. "Earnings" means the biweekly rate of pay including additional pays, differentials, and overtime.

2. “Taxes” means payment of Social Security, Medicare or State Disability taxes; excluding federal and state withholding taxes.
 3. “Deductions” means employee paid deductions, including but not limited to medical premiums and retirement deductions; excluding voluntary deductions (such as deferred compensation) and union deductions.
 4. “Accrued Leave” means vacation, sick leave, compensatory time off and all other types of authorized leave with pay.
 5. “Overpayment” means any compensation or accrued leave that has been overpaid or over-credited to an employee regardless of the reason, including but not limited to, administrative, clerical or system errors.
 6. “Underpayment” means any compensation or accrued leave that has been underpaid or under-credited to an employee regardless of the reason, including but not limited to, administrative, clerical or system errors.
- B. In the case of an overpayment of earnings or under withheld taxes or deductions, the employee shall reimburse the County. The employee has the following options for reimbursement:
1. Full payment through a payroll adjustment if total amount of reimbursement does not exceed biweekly earnings.
 2. Full payment by personal check, money order, or cashier’s check if total amount of reimbursement exceeds biweekly earnings.
 3. For installments made through payroll, the number of installments shall not exceed the number of pay periods over which the error occurred.
 4. An alternate method mutually agreed upon by the employee and the Auditor-Controller. In the absence of a mutual agreement, the County may recover no more than 20% of the total amount in any one biweekly pay period.
- C. In the case of a leave accrual error which results in an overpayment, reimbursement may be made through one (1) of the following methods as mutually agreed to by the employee and the Auditor-Controller:
1. Full payment through a payroll adjustment if total amount of reimbursement does not exceed biweekly earnings.
 2. Full payment by personal check, money order, or cashier’s check if total amount of reimbursement exceeds biweekly earnings.
 3. Installments made through payroll, the number of installments shall not exceed the number of pay periods over which the error occurred.
 4. An alternate method mutually agreed upon by the employee and the Auditor-Controller.
- D. In the case of a leave accrual error, which results in an incorrect accrued leave balance, a one-time adjustment will be processed through payroll.

- E. In the case of an underpayment, the County will pay the employee a one-time adjustment through payroll unless the employee and the Auditor-Controller agree to an alternate method.
- F. An employee whose employment terminates prior to any reimbursements or adjustments being fully completed or satisfied; shall have the remaining balance withheld from any final compensation due to the employee, providing the final compensation is sufficient to provide for full reimbursement or adjustment. If the employee's final compensation is not sufficient to provide for full reimbursement or adjustment, the County retains the right to exercise other legal means to recover the remaining amount owed.
- G. Any amount of overpayment for a period earlier than three (3) years prior to the date of the Auditor's initial written notice to the employee shall be deemed waived and not reimbursable.
- H. The provisions of this section do not apply to grievance disputes which contend that the County has underpaid by misapplying or incorrectly interpreting the terms of this or any previous agreement. The time limits for the filing and processing of any grievance shall not be deemed to be excused, extended, or otherwise modified by the provisions of this section. Nor shall the relief available through the grievance procedure be enlarged by or as a result of the provisions of this section.
- I. The provisions of this section apply only to errors involving earnings, taxes, deductions, and accrued leave. No provision of this section shall preclude the correction or recovery of past errors (overpayments or other losses) which were the result of other matters.
- J. Any disagreement concerning actions taken under this sub-section may be filed at step 3 of the grievance procedure as a compensation grievance. Participation in the process outlined above, including making options as to methods of repayment, shall not preclude the employee from pursuing a grievance regarding the over payment.

6. BENEFITS

Effective January 1, 2013 the County implemented a new pension tier in accordance with and subject to the terms of the Public Employees' Pension Reform Act of 2013. The new pension tier is referred to in this MOU as the "PEPRA tier."

C. PEPRA Basic Retirement Formula

For employees required by law to participate in the PEPRA tier, the PEPRA established a miscellaneous pension formula of two percent (2%) of pensionable compensation for each qualifying year of service at the normal retirement age of sixty-two (62) years. For purposes of this formula, PERS will calculate an eligible retiree's pension based on the average annual pensionable compensation earned by the member during the thirty-six (36) consecutive month period immediately preceding retirement (or date of last separation from service if prior to retirement) or any other period of thirty-six (36) consecutive months during the member's applicable service that the member designates.

D. Disputes Over PEPRA

If an employee or the Union disputes the manner in which the County applies the PEPRA Tier to a bargaining unit member, neither the Union nor employee may submit the matter as a grievance under the Grievance Procedure set forth in section 19 below. However, nothing herein shall preclude the complaining employee or Union, jointly or independently, and the County Counsel of Solano County from agreeing in writing to submit the dispute to binding arbitration on such terms as they may mutually agree in writing. If any term of this MOU conflicts with the PEPRA or any amendment thereto, the PEPRA or such amendment will prevail.

E. Pre-PEPRA 2.7% at Age 55 Formula Tier

The County's contract with the Public Employees' Retirement System provides miscellaneous retirement (2.7% @ age 55) for employees in the bargaining unit who are not required by law to participate in the PEPRA Tier and who are not participants in the formula described in **6.10.F** below.

For purposes of this formula, PERS will calculate an eligible retiree's pension based on the average annual pensionable compensation earned by the member during the twelve (12) consecutive month period immediately preceding retirement (or date of last separation from service if prior to retirement) or any other period of twelve (12) consecutive months during the member's applicable service that the member designates.

F. Pre-PEPRA Tier 2 (2% at Age 60 Formula)

The County amended its contract with CalPERS to provide employees hired on or after May 4, 2012 in bargaining unit classifications with a Miscellaneous formula of 2% @ age 60 in lieu of the 2.7% at 55 formula described in subsection **6.10.E** above. This provision applies to employees who are not eligible under the County's contract with PERS to participate in the pension tier described in paragraph **6.10.E** above and who are not required by law to participate in the PEPRA tier described in paragraph **6.10.C** above.

For purposes of this formula, PERS will calculate an eligible retiree's pension based on the average annual pensionable compensation earned by the member during the thirty-six (36) consecutive month period immediately preceding retirement (or date of last separation from service if prior to retirement) or any other period of thirty-six (36) consecutive months during the member's applicable service that the member designates.

G. Phase Out of Employer Paid Member Contribution

The County pays to PERS two percent (2%) of the employee's pensionable pay toward the employee Member Contribution for employees that are not members of the PEPRA tier, for all unit classifications covered under this agreement except for those classifications designated as Executive Management.

Employees will pay to PERS by payroll deduction the remaining portion of the required PERS Member Contribution.

Effective the beginning of the first full pay period following Union ratification and the Board of Supervisors' adoption of this MOU, affected employees will pay the remaining portion of the employee-paid portion of the PERS retirement plan, which is two percent (2%) for Miscellaneous Senior Management Employees.

Effective the beginning of the first full pay period following Union ratification and the Board of Supervisors' adoption of this MOU, the County will increase wages by one and six-tenths percent (1.6%) for Miscellaneous Senior Management Employees.

H. Employee Payment of PERS Member Contributions

1. PEPRA Member Contributions

Members of the PEPRA Tier will contribute toward the PEPRA Tier an employee contribution in an amount equal to not less than fifty percent (50%) of the normal cost of the new tier, as determined from time to time by PERS, or the amount of the contribution provided by this MOU for members of the PEPRA Tier, whichever is greater. Such contribution will be made by payroll deduction.

2. Non-PEPRA Member Contribution

Employees subject to the Pre-PEPRA formulas described in paragraphs **6.10.E** and **6.10.F** above will continue to contribute the applicable PERS member contribution by payroll deduction.

3. Employee Payment For Pre-PEPRA Formula Enhancement

In November 2002, the County amended its contract with PERS to provide for the above-referenced 2.7% @ 55 retirement formula. The cost of this benefit was established by PERS (\$75,036,452). The Parties agreed that such cost would be the responsibility of the employees. The County agreed to allow the employees to pay for that plan enhancement by payroll deduction with the cost amortized over twenty (20) years. That payment will continue to take the form of a percentage deduction made from the paycheck of each employee in the unit, until the above established cost has been recovered. Each year (January) the County will calculate the amount due for the subsequent 26 pay periods, based on the formula presented during negotiations (see **Appendix E**).

4. Employee Payment of Employer Contributions

Effective the first full pay period following Union ratification and Board of Supervisors' approval of the MOU, the parties agree that employees shall share equally in the PERS employer rate increases for employer rate costs between 14% - 16% as an additional employee deduction, however, the maximum employee contribution shall not exceed one-half of one-percent (0.5%) through and including September 27, 2014.

5. Pre-Tax Treatment PERS Member Contributions

- A minor child for whom the employee has a parental relationship and/or legal custody

I. Sick leave may be used for hospitalization of a member of an employee’s immediate family on the day of an operation, on the day of a birth of his or her child or in the event of a critical illness. Sick leave used for more than one (1) day may be authorized only if a doctor provides a written statement that the employee’s presence is required.

11. LEAVE CONTRIBUTION PROGRAM

The Leave Contribution Program assists employees who have exhausted accrued leave time due to serious or catastrophic illness or injury or other circumstances. Other employees may donate

time to the affected employee so that he or she can remain in paid status for a longer period of time to ameliorate the financial impact.

11.1 Eligibility for Leave Contribution Program

The receiving employee must:

1. Be a regular full-time or regular part-time employee who has passed the initial County probationary period;
2. Have exhausted all accumulated leave including vacation, sick leave, administrative leave and/or compensatory time off;
3. Be unable to return to work for at least 30 days; and,
4. Have applied and received approval for a leave of Absence Without Pay.

11.2 Benefits of the Leave Contribution Program

Accrued vacation, compensatory time off and/or administrative leave hours donated by other employees will be converted to sick leave and credited to the receiving employee's sick leave balance on an hour-for-hour basis and shall be paid at the rate of pay of the receiving employee. For as long as the receiving employee remains in paid status, seniority and all other benefits will continue, with the exception of sick leave and vacation accrual. The total leave credits received by an employee will not normally exceed three (3) months. However, if approved by the department head and the Director of Human Resources, total leave credits may be extended on a case by case basis.

If the leave is for reasons other than the employee's own illness or injury, the donated leave will be converted to vacation and credited to the receiving employee's vacation balance on an hour-for-hour basis.

While an employee is using donated leave hours, no additional vacation or sick leave hours will accrue.

11.3 Guidelines for Donation for Leave Credits

- A. Accrued vacation, compensatory time off and/or administrative leave hours may be donated by any regular full-time or regular part-time employee who has completed his/her initial County probationary period.
- B. The total amount of time donated by one employee to another employee shall not exceed 40 hours.
- C. Initial leave donations must be a minimum of eight (8) hours and, thereafter, in four (4) hour increments. An employee may not donate leave hours which would reduce his/her accrued vacation balance to less than 40 hours.
- D. The use of donated leave hours must be in consecutive one (1) shift increments

(i.e., 8 hours for a full time employee working five eight-hour days/week).

- E. Leave donations are forfeited once made. If the receiving employee does not use all donated leave, any balance remains with the employee.
- F. In accordance with Internal Revenue Service (IRS) Ruling 90-29, leave donated for medical reasons will not be considered wages for the employee who donates the leave. It will not be included in gross income or be subject to withholding. An employee who donates leave incurs no deductible expense or loss either upon the donation or use by the recipient.

12. BEREAVEMENT LEAVE

- A. Employees shall be entitled to bereavement leave, not chargeable to vacation or sick leave, in the event of the death of one of the following members of the employee's family:

 - Grandchildren of the employee's spouse
 - Natural brothers and sisters of the employee's spouse
 - Present spouses of the employee's natural brothers and sisters
 - Son-in-law and daughter-in-law of the employee
- B. Bereavement leave shall be a maximum of 40 hours within ten (10) consecutive calendar days, whether services are within the state or outside the State of California. Employees desiring more leave may request vacation or other appropriate leaves to be granted at the sole discretion of the department head.

A female employee who has a miscarriage or who gives birth to a stillborn child shall be eligible for bereavement leave in accordance with Section 12, paragraph B. This provision shall be applicable only to the employee having the miscarriage. Bereavement leave for miscarriage shall not be applicable for any other family members identified in Section 12, paragraph A.

13. OTHER LEAVES

13.1 Maternity Leave

leave may be used after the birth if the employee's physician certifies that the employee is not yet able to perform the duties of her position. Employees who have been cleared to return to work by their physicians after pregnancy but who wish to delay their return may request use of vacation, compensatory time off or a leave without pay following normal departmental procedures. A female employee may use any accrued paid leave time or leave without pay for up to four (4) months in connection with the birth of a child. However, sick leave is only available if there is a medical reason for the employee's continued absence from work.

Requests for Jury Duty leave should be made by presenting the official court summons to the employee's immediate supervisor as soon as possible after receipt. Excused absence is the time necessary to actually engage in the activity, including travel time and required waiting time.
- B. Employees assigned to day shift, and who are released from jury duty, must return to work if there is at least one (1) hour of work time remaining in the work shift, exclusive of travel time.
- C. An employee assigned to swing shift shall not be required to be on jury duty and at work a combined total of more than twelve (12) hours. An employee assigned to grave shift is not required to report to work the day before he or she was committed for jury duty or served on a jury past 12:00 noon the day before.
- D. Verification of time of release from jury duty is required.

13.4 Time Off for Blood Donation

The request shall normally be initiated by the employee, but may be initiated by a department head. The department head shall recommend granting, modifying or denying the request and shall promptly transmit it to the Director of Human Resources or his/her designee for consideration and approval.
- C. A leave of absence without pay may be for a period not to exceed one (1) year. - G. A leave of absence without pay may be revoked by the Director of Human Resources upon evidence submitted by the department head that the reason for granting leave was misrepresented or has ceased to exist.
- H. Failure to return at the expiration of a leave of absence or being absent without leave shall be considered an automatic resignation. An automatic resignation may be rescinded by the department head if the employee presents satisfactory reasons for his/her absence within three (3) days of the effective date of the automatic resignation.
- I. A leave of absence without pay may be granted for any of the following reasons:
 - 1. Illness or disability;
 - 2. Pregnancy
 - 3. To take a course of study which increases the employee's usefulness on return; or

A grievance is any dispute which involves the interpretation or application of any provision of this Memorandum of Understanding. An employee and/or the Union may be a party to a dispute subject to the grievance process except that the Union shall file a Union grievance only at Step 3 of the process. Provisions which specifically provide that the decision of any County official shall be final are excluded and not subject to the grievance procedure.

19.2 Grievance Purpose

The purposes of this procedure are:

- A. To resolve grievance disputes informally at the lowest possible level;
- B. To provide an orderly and prompt procedure for resolving disputes which arise regarding the interpretation of the Memorandum of Understanding.
- C. To encourage communication between employees, the union, and County representatives;
- D. To determine and correct, if possible, the causes of grievance disputes.

19.3 Grievance Steps

Step 1. Informal Discussion

An employee who believes that he/she has a grievance shall discuss his/her complaint with his/her immediate supervisor (or such management official designated by the department head within fifteen (15) calendar days of the incident or occurrence. This meeting shall be held in an effort to resolve the grievance informally. The immediate supervisor/management official shall have ten (10) calendar days from the date of the informal discussion to respond to the employee. If an agreement is reached to resolve the issue, the supervisor will confirm the outcome in writing.

If the management official's response does not resolve the grievance, the employee has ten (10) calendar days from the management official's response date to file the grievance in writing with the department head or his/her designee. If the management official fails to respond, the employee has ten (10) calendar days from the date the management official's response was issued to file the grievance in writing with the department head or his/her designee.

Step 2. Department Head and/or Designated Representative

The department head or his/her designated representative will meet with the grievant and his/her Union representative and shall provide a written response to the grievant within twenty-one (21) calendar days of having received it.

If the grievance is not resolved within the department, the employee or the Union shall have the right to appeal the grievance to the Human Resources Director, in writing, within fifteen (15) calendar days of the response made at Step 2. Notwithstanding this procedure, all complaints involving or concerning the payment of compensation shall be in writing to the Director of Human Resources or his/her designee with a copy to the department head. A grievance shall be initiated in writing on the Solano County Grievance Form.

The mediator's recommendation shall neither be made public nor be introduced into any other grievance level by the other party.

Either party may appeal the recommendation of the mediator to arbitration.

In the event the parties are unable to agree on an arbitrator, the parties shall solicit from the State Mediation and Conciliation Service a list of seven (7) arbitrators.

After the receipt of the list, the parties shall alternatively strike arbitrator's names from the list until one (1) arbitrator's name remains.

No eligible employee shall carry over Administrative Leave from one fiscal year to another. Eligible management employees who have unused Administrative Leave at the end of the fiscal year shall have their unused annual Administrative Leave converted to their Retirement Health Savings Account in July of each year.

B. Restrictions Regarding the Use of Administrative Leave

Any officer or employee wishing to engage in any occupation or outside activity for compensation shall inform his/her department head, in writing and in advance, of the time required and the nature of such activity. It shall be the responsibility of each department head to ensure that employees in his/her department do not engage in any activity which constitutes a conflict of interest. The department head shall issue an opinion to an employee if the employee's proposed activity constitutes a possible conflict of interest within ten (10) working days from the date the department head received notice of the proposed activity.
- B. The employee may be required to acknowledge the receipt of any documents entered into his or her personnel file.
- B. Performance reviews and written reprimands shall only be placed in an employee's official personnel file if the employee has either signed and dated the

document or a supervisor/manager has signed and dated it indicating the date the employee was given a copy and refused to sign it. Disciplinary action shall only be placed in the file after the employee has been provided a copy of the action.

- C. The personnel file for each County employee shall be maintained by the Human Resources Department. An Employee, or his/her representative, shall have the right to review the employee's official Personnel history file in Human Resources by scheduling a specific date and time, with the Human Resources staff. The continuing education hours shall be granted for continuing education hours and travel time only. No additional time off will be granted for continuing education classes taken during non-work hours (i.e., evenings and weekends);
2. Reimbursed for costs associated with registration fees and travel expenses, consistent with the County's Travel Policy.

Requests for continuing education time must be made at least two (2) weeks in advance of the course on forms approved by the County Administrator or his/her designee and a copy of the course brochure must accompany the request. Requests will not be unreasonably denied.

Each February, the Director of Human Resources shall furnish the Union a listing of the classifications covered under this section, the number of continuing education hours authorized each fiscal year, the name of the appropriate state board which requires continuing education hours in order to maintain a required license or certification, and the number of continuing hours required and the time frame for those continuing education hours to be accumulated. The Union, not later than thirty (30) days after mailing by the Director of Human Resources shall notify the Director of Human Resources of any disagreement and absent such notification the list shall be assumed to be correct. The annual listing shall be for the following fiscal year.

Appendix D – Closure of County Facilities to Achieve Cost Reductions

Effects of Closure of County Facilities to Achieve Cost Reductions on pay, benefits integration, modified workweeks, time bases and other terms and conditions of employment.

| Situation | Result | Comments |
|---|---|---|
| Full-time (F-T) employees | Pay is reduced by 4.0 hours. 4.0 hours credited to furlough leave accruals. | |
| SDI integration | Integrate leave accruals up to employee's Full Time Equivalency (FTE) less furlough hours. | Examples: F-T EE normally works 80 hours/pay period minus 4 furlough hours = integrate up to 76 hours. P-T EE normally works 40 hours/pay period minus 2 furlough hours = integrate up to 38 hours. |
| Workers' Compensation integration. | Same as SDI integration. | See examples under SDI integration. |
| Leave without pay for partial pay period | Pay is reduced by 4.0 hours (or pro-rated if part-time employee). 4.0 hours credited to furlough leave accruals. | Furlough hours based on EE's normal FTE (not pro-rated based on hours worked). |
| Various shifts (4/10, 9/80) | Pay is reduced by 4.0 hours. 4.0 hours credited to furlough leave accruals. If furlough is day off, another day is taken as furlough. | |

Furlough hours credited to furlough leave accruals. | Example: EE starts work Tuesday after Monday holiday (works 72 hours of pay period) = 90% of pay period. 4.0 furlough hours x 90% = 3.6 hours |

However, furlough could reduce special compensation amounts that are paid as a factor of earnings. In some cases final compensation could be reduced, but only for members with earnings-based special compensation whose highest 12 month period at retirement includes furlough time. |

Appendix E – Cost Sharing of PERS Retirement Formula

The PERS retirement enhancement provides for the 2.7% @ 55 formula. Solano County non-safety PERS members enrolled into the PERS pension plan before May 4, 2012 share the cost of this benefit as established by PERS (\$75,036,452) as the responsibility of the employees. The County will agree to allow the employees to pay for this plan enhancement in the form of a payroll deduction, with the cost amortized over the next 20 years. This payment will take the form of a percentage deduction made from the paycheck of each employee in the unit, until the above-established cost has been recovered based on the following:

Each year the County will calculate the amount due for 26 pay periods based on the following formula:

- A. Amount due to the County each year = Total cost divided by 20 years.
- B. Annual per employee pay back = Divide the annual amount due to the County each year by the average number of employees for the previous year.
- C. Average pay back per employee per pay period = Divide the annual per employee pay back by 26 pay periods.
- D. The percentage amount deducted from each employee = Divide the average pay back per employee per pay period by the average per pay period of PERS Reportable salary.
- E. The percentage amount deducted from each employee shall be no more than 3% cap.
- F. The amount deducted shall be with pre-tax dollars, as permissible by the IRS.

This formula was prepared June 10, 2002 and serves as a basis for future calculations and is included here for reference.

SIDE LETTER OF AGREEMENT

To the Memorandum of Understanding
Between the County of Solano and Local 21, Unit # 19, Executive and Senior Management

Regarding Vacation Leave

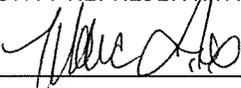

This will confirm an understanding reached between the County of Solano, hereinafter referred to as the County, and the Professional and Technical Engineers, Local 21, hereinafter referred to as the Union, representing Unit #19, Executive and Senior Management.

Due to a Internal Revenue Service (IRS) ruling regarding Constructive Receipt, the County is in the process of developing an administrative procedure that addresses this matter.

- 1) In the event that the determination is made that the current vacation leave cash out benefit does not subject all bargaining members to future taxation by IRS, then effective April 1, 2016, employees will have the option to cash out up to 80 hours of vacation leave conditioned on having used the equivalent amount of vacation within the prior 12 months, and is at the employee's maximum accrual rate. Only one such request may be made or paid during any twelve (12) calendar month period. This paragraph replaces MOU, Section 9, Vacation, Paragraph K, effective April 1, 2016.

- 2) In the event that the determination is made that an administrative change is required to ensure that cash-out of vacation does not subject all bargaining members to future taxation by the IRS, the County will contact the Union no later than March 1, 2016 to meet & confer on any changes to the current memorandum of understanding's provisions with regard to vacation payout which may be necessitated.
