Introduction

During the December 22, 2011 Rates and Benefits Committee Meeting the six month Blue Shield HMO rates for both the status quo plan and alternate plan design changes were presented by Aon Hewitt.

At the November 2011 Health Service Board (HSB) meeting the HSB approved moving to a six month contract saving an estimated aggregate cost of employee savings of \$2,820,000, employer savings of \$3,200,000 for a total of \$6,020,000.

The HSB approved plan design changes to the status quo plan are as follows:

- Office visit copay from \$20 to \$25
- Outpatient surgery copay from \$50 to \$100
- Inpatient surgery copay from \$150 to \$200
- Retail pharmacy copays from \$5/\$20/\$45 to \$10/\$25/\$50
- Mail-order pharmacy copays from \$10/\$40/\$90 to \$20/\$50/\$100
- Out-of-pocket maximum from \$1,000/\$2,000 to \$2,000/\$4,000

The preliminary rates for the above changes were developed based on decrements provided by Blue Shield. Subsequent to the December board meeting, Aon Hewitt requested Blue Shield submit confirmed final rates.

Introduction

The preliminary rates have been adjusted accordingly based on the final Blue Shield rates received Tuesday, January 3, 2012. These rates have been evaluated and are now confirmed as final by Aon Hewitt.

The rates are adjusted per the final 10-county survey of \$522.97, which reflects an increase of \$19.08, or a 3.8% increase over last year.

These rates are being presented today as a matter of record to confirm and document final Board approval.
