

Marc Miyashiro

for L21 Executive Committee Secretary

Trusted Leadership for the Future

I am running for Secretary as a part of the Local 21 VOICES slate because I believe it is important to continue the excellent work that has been done under President Gus Vallejo and the other incumbents running on our slate. **I am committed to enhancing our collective strength to protect our members and serve our community.**

Since joining Local 21 six years ago, I have been a steward, joined the Executive Board, and currently serve as Vice President of the Contra Costa Chapter. I served on our bargaining teams, I'm one of the chapter representatives on the Labor Management Committee, and I serve as a delegate to the Contra Costa Labor Council. I also had the honor of being appointed as a Local 21 Trustee to replace JR Santos when he assumed the role of Treasurer.

I have learned a lot working with Local 21 staff in these various capacities, and I feel personally stronger than when I first joined. I have also learned from and about my coworkers through my Union activities:

- representing and counseling individuals as a steward,
- leading the Gold Card signature drive in Contra Costa County during the Janus campaign,
- conducting new employee orientations to recruit members,
- engaging with co-workers at meetings, and
- just being more accessible in the workplace.

In my day job, I manage the trainers who teach both clinical and administrative staff to use the electronic health record (EHR) for Contra Costa Health Services. In this capacity, I am intimately familiar with the requirements for distributing clear, accurate, and timely information.

I bring all of this experience to my campaign for Secretary of the Executive Committee of Local 21. I am committed to serving the interests of **all Local 21 members** as I have in Contra Costa.

I am honored to be included on this slate and, along with the other newcomers, bring fresh voices to complement the experience on the EC. **I bring the voice of Contra Costa County – our largest chapter, with over 1,100 members** – illustrating the diversity of our slate in terms of both geography and work disciplines. I believe we are well positioned to respond to (and even anticipate!) members' needs going forward.

The VOICES slate is the right team to build on the strong foundation we have laid. I humbly ask for your support, for myself and the team.
