

Cheryl Penick

for Local 21 Vice President East Bay

Trusted Leadership for the Future

It has been my honor to serve as your East Bay VP on the Executive Committee of Local 21 and I look forward to serving another three years.

I have joined the VOICES Slate (voicesslate.com) because I believe that this group has the most dedicated thinkers and doers who are committed to upholding Local 21's reputation as a smart, strategic union.

Two challenges face us over the upcoming three-year term.

First, our internal challenge will be bargaining fallout from the COVID-19 pandemic with employers using it as an excuse to cut wages and benefits. Fortunately, we have fearless union representatives and researchers who will respond with facts. The pandemic has shown just how much that workers need unions.

Secondly, our external challenge is climate change. I am proud that our membership is made of up of the engineers, planners, and healthcare workers that are on the front lines actually doing the fixes. As a candidate on the VOICES slate, I am confident we can work together to meet these challenges.

I humbly request your vote for me and the entire VOICES slate.
