1) Before making a decision, the physician designated by the appointing authority will consult with the employee’s personal physician and will advise him/her of this procedure.

2) If the employee’s personal physician agrees with the decision of the physician designated by the appointing authority, the decision is final.

3) If the physicians disagree, and the employee so requests, they will select a third physician whose determination will be final. Cost for such examination by the selected physician will be equally shared by the employee and the appointing authority.

4) If the County requires the employee to leave work during this period, the employee will be placed on paid leave pending the result of the fitness for duty examination without the requirement to use any leave balances.

Section 7.3 - Leave Without Pay
a) Leaves of absence without pay may be granted to employees up to one (1) year. Extensions to leaves approved for less than one (1) year shall not unreasonably be denied provided adequate advance notice is given. If an employee wishes to return to work early from a leave of absence, he/she shall provide reasonable advance notice to the appointing authority. Leaves beyond one (1) year may be granted due to unusual or special circumstances.

Leaves may be granted for the following reasons:

1) Illness beyond that covered by sick leave.
2) Education or training which will benefit the County.
3) Other personal reasons, which do not cause inconvenience on the department.
4) To accept other governmental agency employment, or to accept employment with the Union.

b) A leave may be revoked by the Director of Personnel upon evidence that the cause for granting it was misrepresented or has ceased to exist.

c) An employee may request to take STO or leave without pay for an authorized absence. The employee must notify the department of his/her request and receive department approval to use leave without pay prior to payroll action, otherwise STO time will be used. The department may assign leave without pay for an unauthorized absence.

d) Failure of an employee to report for three (3) or more consecutive working days for assigned duties without notification to the department and without legitimate reasons for absence will be considered job abandonment and will be recorded as a voluntary resignation. Discipline may be imposed for such absences of less than three days.

e) Maternity leaves of more than six (6) months; leaves of absences of more than thirty (30) calendar days and suspensions shall not be counted as time spent in a salary step in computing eligibility of the employee for further salary increases.

Section 7.4 - Parental Leave

2) Other Family Leave

Upon request, family leave, with or without pay, shall be granted for the placement of a foster child or to attend to the serious illness of a family member in accordance with the Family and Medical Leave Act, and for the serious illness of a registered domestic partner, for a period of up to six (6) months.
3) Family Care Usage
An employee will be entitled to use one half (½) of his/her annual accrued leave in order that he/she may care for a sick or injured member of his/her immediate family requiring his/her care, or in order that he/she may obtain medical consultation to preserve his/her health. "Immediate family" shall mean the mother, father, grandmother, grandfather of the employee or of the spouse of the employee and the spouse, or the registered domestic partner of the employee, son, son-in-law, daughter, daughter-in-law, brother or sister of the employee or any person living in the immediate household of the employee.

No employee shall be paid more than his/her regular shift pay or regular workweek pay as a result of jury duty service. The employee is required to notify his/her appointing authority when he/she has received a jury summons when his/her jury service is completed.

b) Jury Duty
Nothing in this Section shall prevent any County employee from serving on a jury more than once per calendar year, provided, however, that such additional periods of absence from regular County duties as a result thereof shall be charged, at the option of such employee, to either accrued vacation time or leave without pay.

All programs must be approved by the Department head before time off or payment is granted.

The following are eligible under the Program for consideration by a Department head:

SCCEAA employees are salaried employees who are expected to work the number of hours necessary to fulfill the duties of the position without overtime pay. Depending on the circumstances, SCCEAA employees may work more of less than forty hours in any particular week.

Recognize the above, SCCEAA employees may be granted time off without charge to any leave bank under “administrative leave” if the manager determines that the service delivery and performance of job functions will not be impaired because of the absences from work. Such time off should not be calculated on an hour-for-hour basis in relation to excess hours worked.

Administrative time off must be:
• Scheduled in advance when possible
• Approved as administrative leave by the manager and
• Normally taken in increments of less than one day.

An employee need not state a reason for requesting the time off. Either it is or is not appropriate to grant the time off under the circumstances outlined above. An employee can make the request and use the administrative time off for any purpose without the necessity to state a reason.

For a full day’s absence under “administrative leave”, an executive manager’s approval is required. Approved requests should be maintained for periodic audit by the Internal Audit Division. While discretionary for less than a full day’s absence, full day increments of administrative leave must be reported in the payroll system. Absences of less than a full day may be approved by the employee’s immediate manager.
Section 7.11 - Alternate Work Schedules

b) Compensation
   An employee who is disabled as a result of an industrial injury shall be placed on leave, using as much of his/her accumulated compensatory time, accrued sick leave and vacation time as when added to any disability indemnity payable under the Workers' Compensation Act will result in a payment to him/her of not more than his/her full salary unless at the time of filing of the Supervisory Report of Injury the employee indicates on a form provided by the supervisor that he/she does not want such integration of payments to take place. This choice shall be binding for the entire period of each disability.

c) Life Insurance
The County agrees to continue the existing base group Life Insurance Plan of twenty-five thousand dollars ($25,000) per employee.

d) County Paid Portions

1) Industrial injury: For the duration of the disability.

2) Medical disability (including parental): Up to thirteen (13) pay periods from the date of the disability certified by the attending physician.

As long as the employee is in paid status during an industrial or medical leave, the employee paid medical dependent coverage (if any) will be deducted from the employee's pay check. Once such sick leave or vacation is exhausted, the employee must make arrangements with the Controller to pre-pay the dependent coverage for the balance of the leave.
Upon exhaustion of the thirteen pay periods (#1 and #2 above), the employee may pre-pay total premiums for County insurances at the County group rate by making arrangements with the Personnel Department.

Such contribution shall be credited to the employee's personal PERS account.

For seven pay periods, September 29, 2014 through January 4, 2015 the 10.931% shall be temporarily reduced by 1.912 % to 9.019% to account for the excess concessions paid by employees.

APPENDIX B

SANTA CLARA COUNTY &. SCCEAA/IFPTE·LOCAL 21
PERFORMANCE APPRAISAL AND DEVELOPMENT PLAN (PPADP)
POLICIES AND PROCEDURES

I. **OBJECTIVES:**

The Committee adopted four (4) objectives for the performance evaluation system. The Committee concurred that there is an expectation that the objectives will result in an improvement in work performance and the work environment. The objectives are as follows:

A) To Identify areas for improving skills and encouraging growth in technical and non-technical areas related to an employee's work.

B) To provide a process which can, over time, result in a more effective, energized and satisfying workplace;

C) To provide a process which will foster positive, professional, constructive, and friendly interactions between supervisors and employees.

D) To identify specific training with respect to the first objective.

II. **DESIRED OUTCOMES:**

The desired benefits, as applicable to a given circumstance, of the Performance Appraisal and Development Plan is one of "value added" for the following:

A) For the Employee:
   1) Improve working relationship with the supervisor.
   2) A clear understanding of the supervisor's expectations.
   3) Continuous updating of performance against these expectations.
   4) Greater sense of accomplishment.
   5) An opportunity to increase capability and value through an agreed upon development plan.
   6) An opportunity to contribute more directly to the County.
   7) A clear picture of possible career paths.
   8) An opportunity for growth in work related areas.

B) For the supervisor, an opportunity to:
   1) Improve working relationships with those reporting to you.
   2) Increase group morale and productivity.
   3) Improve succession management (e.g. employees will be better qualified to move up in classification, as opportunities become available).
   4) Reduce turnover.

C) For the County, an opportunity to:
   1) Improve over-all productivity.
   2) Improve Internal communications.
   3) Enhance customer service.
   4) Motivate employees.

III. **GUIDELINES:**

A) Performance appraisals will not be placed in the employee's official personnel files (either at 70 West Hedding or the Department's). A copy of the evaluation will be retained by the employee and the supervisor.

B) A copy of completed Performance Appraisal and Development Plan will be given to the appropriate second level supervisor.
D) Performance Appraisals may be reviewed by an appropriate level of management, within the department.

E) Performance Appraisals will not be used in the disciplinary process.

F) Each permanent employee will be appraised annually.

G) Performance Appraisals will not be used in the promotional process.

IV. **PROCEDURES:**

A) Annually, the supervisor will meet with each employee, whom they supervise, to conduct a Performance Appraisal and to prepare a Development Plan.

B) If there has been a previously completed PPADP form, it is desirable for both the supervisor and the employee to make reference to the "Performance Objectives" and "Plans for Achieving Objectives" portion of the form as is appropriate. That will help to achieve continuity in tracking progress.

C) Two weeks prior to the meeting, the supervisor will give the employee a draft appraisal and a copy of previously completed forms, if one has been completed. If an area appears to have little applicability to an employee's work, it should only be addressed to the degree that it has applicability. If there is no applicability, write "not applicable."

D) One week after receiving the draft appraisal, the employee will respond to the supervisor's comments.

E) When the employee and the supervisor meet, the process should be as follows:

1) Openly review each other's comments in the Appraisal section of the form. The tone should be collegial and friendly, not judgmental or defensive. The parties' dialogue should seek clarification in order to arrive at agreement on the contents of this section.

2) If during comment review, either the supervisor or employee feels that it would be appropriate to modify a comment, they should do so during the meeting. The supervisor should bring a blank copy of the form to the meeting for this purpose.

3) The employee and the supervisor should each complete the appropriate comments section of the form. The focus should be on understanding and clarifying differences in perspective and in working toward a common ground. The comments should be summary in nature and brief.

F) The final step in the PPADP meeting process is preparation of the Development Plan. The process should be as follows:

1) A previous Development plan, if one has been completed, should be the starting point.

2) The focus in the discussions should be to meet the goals of the County (including the public), the employee and the supervisor.

3) For those employees that meet expectations, there should be discussion related to developing additional skills. The opportunity to gain new skills could include opportunities for higher classifications, mentoring of other employees, opportunities for working out of classifications and other avenues for potential personal and professional growth.

4) Performance Objectives which have been met and Plans for Achieving Objectives that have been fully executed should be acknowledged in writing by the supervisor.

5) Performance objectives that have not been met and Plans for Achieving Objectives that have not been fully executed should be constructively discussed. A new plan may be agreed upon.
5) To the extent possible, the finalized Development Plan should be agreed upon by both the supervisor and the employee.

7) The Plan should be achievable and beneficial to the County (including the public), the employee, and the supervisor.

G) After the meeting has taken place, a copy of the meeting materials will be given to the employee. The PPADP will then be typed in a final form. The form will be signed and dated by the employee and the supervisor. The form will then be given to the second level supervisor for review and signature.

H) If an employee is dissatisfied with the Appraisal or Development Plan, the employee may request a meeting, within ten (10) working days of receipt of the Appraisal or Development Plan, with the second level supervisor. The supervisor and the employee will be present during the meeting. The second level supervisor will act to facilitate mutual understanding of the Appraisal and/or Development Plan. The second level supervisor's suggestions or comments will be attached to the PPADP and copies will be provided to both the supervisor and the employee. The decision of the second level supervisor is final and non-grievable, pursuant to Section 10.1 of the MOA. The decision of the second level supervisor shall be issued within 10 working days to conclude this appraisal process.

I) At the conclusion of the appraisal process, the supervisor and the employee should be in regular contact with each other regarding the execution of the Development Plan. Follow-up meetings should be conducted to ensure that the goals and objectives of the plan are being achieved to the extent possible.

V. TRAINING AND IMPLEMENTATION:

A) There will be joint labor-management training provided to supervisors and employees, as agreed upon by the committee.

B) Appraisals will be completed within ninety (90) days of the training sessions. All employees will be evaluated twice during the pilot period.

VI. TERM

This agreement shall remain in effect during the term of this Memorandum of Agreement.
