## **PREAMBLE**

This agreement, hereinafter referred to as the Agreement, entered into by the Santa Clara Valley Transportation Authority, hereinafter referred to as VTA, and the Transportation Authority Engineers and Architects Association (also known as TAEA), hereinafter referred to as the Association, has as its purpose the promotion of harmonious labor relations between VTA and Association, establishment of an equitable and peaceful procedure for the resolution of differences and the establishment of rates of pay, hours of work, and other conditions of employment.

VTA and the Association acknowledge that Public Utilities Code Sections 100308 and 100309 were enacted effective January 1, 1995, pursuant to Chapter 254, Statutes 1994 (“AB 2442”), and that pursuant thereto certain employees formerly employed by the County of Santa Clara were hired by VTA, and this Memorandum of Agreement, and its appendices, are intended to, and do, among other things, implement the provisions of Sections 100308 and 100309.

This Agreement is the result of both parties meeting and discussing in good faith.

## **ARTICLE 1 - GENERAL PROVISIONS**

### **Section 1.1 - Discrimination Prohibited**

VTA and the Association agree that they shall not discriminate in any way on account of race, creed, color, religion, sex, national origin, political affiliation, age, physical disability, or sexual orientation except as provided by law. VTA agrees that no employee shall be discriminated against because of Association membership.

### **Section 1.2 – Union Rights**

#### a) Union Security

Effective June 27, 2018, upon certification by the Union that an employee has signed a deduction authorization, the Employer will deduct the appropriate dues or fees from the employee’s pay, as established and as may be changed from time to time by the Union, and remit such dues or fees to the Union. Employee requests to cancel or change deductions must be directed to the Union, rather than the Employer. Deductions will continue unless the employee provides a written revocation to the Union in accordance with the terms of the authorization form, or absent any such terms, by providing a written revocation to the Union that is received by the Union during the thirty (30)-day period immediately prior to the annual anniversary date on which the employee signed the authorization form. Should the employee elect to mail the revocation, the postmark must reflect that the notice was mailed during said 30-day period.

b) Union Responsibility

The Union shall indemnify and hold the Santa Clara Valley Transportation Authority (VTA) harmless from any and all claims, demands, suits, or any other action arising from the maintenance of dues deductions or from complying with any demand for termination hereunder, provided that the VTA promptly provide notice to the Union of any claim, demand, suit, or other action for which it is seeking indemnification. With regard to any such claim, demand, suit, or other action, the Union shall have the exclusive right to appoint and direct counsel, control the defense of any action or proceeding, and determine whether any such action or proceeding shall or shall not be compromised, resisted, defended, tried, or appealed.

c) AB119 – Representative Access to Employee Orientation

The specific provisions of California Assembly Bill No. 119 which require public employers to provide the exclusive representative of employees mandatory access to new employee orientations. The following outlines the structure, time, and manner of the access provided to this exclusive representative.

The terms are as such:

1. Notice: VTA shall provide at least ten (10) business days' written notice, by email to addresses that the Union shall provide to VTA of all new employee orientations whether the orientation takes place in person or online
2. Access: VTA holds a Benefits Orientation which generally takes place on a new employee's first day of work. At the beginning of the Benefits Orientation (normally 9 AM but subject to change based on business needs), the Union will be afforded up to one hour to meet privately with (and provide materials and information to) all TAEA/IFPTE Local 21-represented new employees who are present, without management personnel or any other persons. Up to two (2) Union Representatives who are TAEA members may be present at the Orientation during the allotted time without loss of pay.
3. Information Exchange: Within thirty (30) days of hiring a new employee, or by the first pay period of the month following hire, the employer will provide the Union with the below listed information in a digital or other usable data format:
  - 1) Name
  - 2) Job Title
  - 3) Department or Division
  - 4) Work Location
  - 5) Telephone Number(s) (work and home/personal provided by employee)
  - 6) Personal email address on file with employer
  - 7) Home address of the new hire

Similarly, VTA will also provide the Union with the above detailed information for all employees within the bargaining unit at least every 120 calendar days in a digital or other

usable data format. Currently, VTA does not keep personal email addresses on file for employees and therefore will not be providing the information to the Union. Should VTA begin keeping personal email addresses of employees on file, such information will be provided to the Union.

**Section 1.3 - Bulletin Board Space**

VTA shall provide reasonable space on bulletin boards for official Association notices in departments where the Association represents employees.

**Section 1.4 - Meeting Space**

VTA shall reasonably make available conference rooms and other meeting areas for the purpose of holding Association meetings during off duty time periods. The Association shall provide timely advance notice of such meetings. The Association agrees to pay any additional costs of security, supervision, damage, and cleanup, and shall comply with VTA regulations for assignment and use of such facilities.

**Section 1.5 - Interoffice Mail Service**

The Association shall be allowed reasonable use of VTA interoffice mail service for distribution of non-controversial written material for the information of representatives and officers.

**Section 1.6 - Association Access to Work Locations**

Association officers and representatives shall be granted reasonable access to employee work locations, upon the consent of the Division head or his/her designated representative, for the purpose of contacting members concerning business within the scope of representation, provided such contact does not interfere with the employee's work. Solicitation for membership or other internal Association business shall not be conducted during work time.

**Section 1.7 - Representatives**

VTA and the Association agree that good labor relations are fostered and maintained through prompt, decisive and fair adjustment of individual grievances at the lowest possible administrative level.

- a) Number of Representatives - The Association will select three representatives from the represented Unit. The Association shall provide a current list of representatives, regularly updated, to VTA, showing employee name, classification, department, and work location. VTA shall provide the Association with a copy of its current administrative instructions (if any) recognizing representatives designated by the Association.
- b) Scope of Representation - An employee may be represented by an Association Representative at the appropriate step of the grievance procedure concerning a dispute as defined in Article 11, Section 11.1. An individual employee who is dissatisfied with their appraisal or quarterly progress summary may request a review from the next higher level of management. At this point, there shall be no

further levels of review. Such right of representation does not include the initial discussion between the employee and the supervisor unless, however, there is just cause to believe that the initial discussion may result in disciplinary action against the employee. In the event a supervisor brings his/her supervisor to an annual performance appraisal meeting (see Section 2.8), an employee has the right to have Union/TAEA executive officer representative attend the meeting.

- c) Representatives Time Off - A representative or Association Officer shall be allowed reasonable time off with pay for the purposes herein above defined, subject to the concurrence of his/her Division head or his/her designated representative. Such concurrence shall not be unreasonably withheld. Time off shall be prescheduled.

### **Section 1.8 - Negotiating Committee**

The committee authorized by the Association to consult, meet and confer, or negotiate collectively, shall consist of a reasonable number of representatives, no more than three of which may be paid VTA employees. Employee members of the committee will be paid by VTA for the time spent in negotiations with management, for straight time hours they would otherwise have worked on their regular work schedule. Meetings shall be held at a time and place mutually acceptable to all parties.

### **Section 1.9 - Employee Notification of Representation**

Employee transaction data currently available on the system shall, upon request, be forwarded to the Association no more than two times per contract year.

### **Section 1.10 - Distribution of Information**

- a) State of California Workers' Compensation Information – VTA shall distribute literature to each new employee clearly describing the rights and benefits of all represented employees under State of California Workers' Compensation laws.
- b) Association Information – VTA agrees to reasonably distribute to each new employee within the represented unit appropriate literature furnished by the Association and a copy of this Agreement.
- c) Printing of Agreement – VTA agrees to make available five copies of this Agreement for the Associations' use.

### **Section 1.11 - Recognition**

VTA recognizes Transportation Authority Engineers and Architects Association, or TAEA, as the exclusive bargaining representative for all classified employees in positions within the bargaining unit.

For the purpose of this Agreement, an employee shall be defined as a person employed in a position in the bargaining unit covered by this Agreement.

**Section 1.12 - Americans with Disabilities Act**

The parties agree to meet as needed to review compliance with the Americans with Disabilities Act.

**ARTICLE 2 - PERSONNEL ACTIONS**

**Section 2.1 - Probationary Period**

Each new employee shall serve a probationary period of 12 months. The 12 month probationary period shall be calculated by pay periods. An employee's probationary ending date shall be counted as 12 calendar months moved to the start of the next pay period. Upon successful completion of such probationary period, the employee shall be deemed a regular employee. A leave of absence without pay shall not be credited toward completion of the employee's probationary period.

**Section 2.2 - Personnel Files**

- a) General Provision - An employee will be informed of and provided with a copy of all non-routine entries into his/her personnel file.
- b) Employee Right of Inspection - An employee shall be permitted at any time during regular office hours to inspect his/her personnel file. Should any copies of any material contained in the file be requested by the employee, the first copy of each item requested shall be furnished to the employee at no cost to the employee. The employee may also authorize, in writing, the Association representative to inspect his/her personnel file.
- c) Derogatory Material - Derogatory material over three years old may be removed from an employee's file, upon the employee's written request, provided that no additional derogatory material has been entered during the intervening three year period except those involving charges as listed in VTAs Personnel Policies and Procedures.  

Suspensions of greater than five (5) days, demotions and dismissals which have become final shall not be removed from the personnel file. Suspensions of five (5) days or less will remain in the personnel file for two (2) years.
- d) Confidentiality - Materials in personnel files shall be regarded as confidential and disclosed only in accordance with provisions of law.

**Section 2.3 - Disciplinary Action**

VTA may take disciplinary action for cause against any regular employee by suspension, demotion or discharge by notifying the employee in writing. Notice of disciplinary action must be served on the worker in person or by certified mail prior to the disciplinary action becoming effective. An employee who is to be terminated, shall be given either five days' notice of termination or five days' pay.

A disciplinary notice shall be included in the employee's personnel file and a copy sent to the Union in person or by regular mail and designated Union officer. The notice shall include:

- a) Statement of the nature of the disciplinary action.
- b) Effective date of the action.
- c) Statement of the cause thereof.
- d) Statement in ordinary and concise language of the act or omissions upon which the causes are based.
- e) Statement advising the employee of the right to appeal from such action and the right to Association representation.
- f) In cases of demotion, discharge, or suspension of five (5) days or more, the notice shall also include a statement of the employee's right to respond, either orally at a meeting requested by the employee, or in writing. The opportunity to respond shall normally take place within seven (7) working days following the initial notice of intended action. The employee shall be served with notice of final action in person or by certified mail prior to the action becoming effective.
- g) Appeal to arbitration

Appeals to arbitration must be made in writing to the Chief Administrative Officer or their designee within ten (10) working days from receipt of final action. As soon as possible, but not later than 30 working days after receipt of the request for arbitration, VTA and the Union shall meet to select an arbitrator. If the parties are unable to agree upon an arbitrator, they shall request a list of seven names from the State Conciliation and Mediation Service and shall strike until an arbitrator is selected. The decision of the arbitration shall be final and binding. The arbitrator's compensation and expenses shall be borne equally by VTA and the Association.

#### **Section 2.4 - Unfavorable Reports**

When necessary, an unfavorable report shall be prepared by the supervisor, and distributed as in Section 2.3 above. The factual content of unfavorable reports is grievable.

#### **Section 2.5 - Return to Former Class**

As an alternative to appointment from any employment list, any current regular employee, upon recommendation of the appointing authority and approval by the Chief Administrative Officer or designee, may be appointed without further examination to a position in any class in which regular status had formerly been acquired, or to any related class on a comparable level with the former class.

#### **Section 2.6 - Unclassified Appointment**

No employee, while holding a position in the unclassified service, shall be assigned to or occupy any classified position.

**Section 2.7 - Rights Upon Promotion or Transfer to Classified or Unclassified Service**

Any regular employee who receives a provisional or probationary promotion, or who transferred or promoted to a position in the unclassified service shall retain all rights and benefits as a regular employee of his/her former class while in such provisional, probationary, or unclassified status. These include the right to participate in promotional examinations and the right to return to his/her former class if released while in such status. All such service shall count toward seniority credits in the employee's former class in the event the layoff procedure is involved.

Any regular employee who receives a provisional promotion, or who is transferred or promoted to a position in the unclassified service, the duration of which is known to be for less than six months, shall be considered to be on leave from his/her regular position and departments are authorized to make substitute appointments to such vacated positions.

**Section 2.8 – Performance Appraisal**

TAEA Members shall receive an annual performance evaluation in accordance with VTA Policy AS-HR-PR-2140- Performance Appraisal.

**ARTICLE 3 - PAY PRACTICES**

**Section 3.1 - Salaries and Step Placement on Salary Range**

Step placement on the salary range, paragraphs a) through f) shall be in effect during the term of this Agreement.

Effective July 1, in 2019, upon ratification by the Union membership and approval by the VTA Board of Directors, TAEA represented employees shall receive a 3.0% general wage increase.

Effective July 13, 2020 TAEA represented employees shall receive a 2.5% general wage increase.

Effective July 12, 2021 TAEA represented employees shall receive a 2.5% general wage increase.

- 1) Each employee shall be paid within the range for his/her class, according to the following provisions, unless otherwise provided by Section 8.3.
  - a) The first step in each range is the minimum rate and shall normally be the hiring rate for the class. In cases where it is difficult to secure qualified personnel or a person of unusual qualifications is engaged, the Human Resources Manager may approve appointment at the second or third step, and with the approval of the Chief Administrative Officer, at the fourth or fifth step.
  - b) The second step shall be paid after the accumulation of six months of competent service at the first step.

- c) The third step shall be paid after the accumulation of 12 months of competent service at the second step.
  - d) The fourth step shall be paid after the accumulation of 12 months of competent service at the third step.
  - e) The fifth step shall be paid after the accumulation of 12 months of competent service at the fourth step.
  - f) Salary adjustments shall be made on the first day of the pay period in which the required accumulation of months of competent service occurs.
- 2) VTA shall conduct salary reviews for the Associate level of each class series (e.g., Transportation Engineer, etc.) using the agencies and process identified in Appendix C of the current Agreement and the salary review reports shall be posted to TAEA 60 days prior to the expiration of this Agreement.

**Section 3.2 - Effect of Promotion, Reclassification, Demotion or Transfer on Salaries**

An employee moving to a different class by means of lateral transfer, promotion, or demotion shall meet the minimum qualifications of such class. In addition to meeting the minimum qualifications, an employee moving to a different class shall compete in the appropriate selection process.

Movement to a different position includes:

- 1) Promotion: the advancement from a position in one class to a position in another class with a higher salary range.
  - 2) Lateral Transfer: movement to a position within the same class or to a position in a different class within the same salary range.
  - 3) Demotion: movement from position in one class to a position in another class with a lower salary range.
- a) Upon promotion, an employee's salary shall be adjusted as follows:
- 1) For a promotion of less than ten percent (10%), the salary shall be adjusted to the step in the new range which provides for a corresponding percentage increase salary.
  - 2) For a promotion of ten percent (10%) or more, the salary shall be adjusted to the step in the new range which provides for ten percent (10%) increase in salary, or to the first step in the new range, whichever is greater.
- b) Notwithstanding the provisions of Section 3.1, upon demotion of an employee with regular status in his/her current class, his/her salary shall be adjusted to the highest step in the new class not exceeding the salary received in the former class.
- c) **Reclassification Review Requests:**
- Should an employee believe that they are performing work that is beyond the scope of their current classification and such work has been performed for a period not less than four (4) months, he/she may request a reclassification review by his/her

department management. The department management will review the documentation provided by employee for accuracy and at the discretion of management, submit their recommendation to the Human Resources Department within 30 days from the submission by the employee. The Human Resources Manager or their designee will review the request and make a determination in writing which will be provided to the employee, union officer and union representative whether to support or deny the request no later than four (4) months from the date of submission by the employee's Department Manager.

Appeal Rights:

If the request is denied and the employee is dissatisfied with Human Resources Department's written decision the employee may submit a written request to appeal the decision within five (5) working days from the receipt of the Human Resource Department's decision to the Deputy Director of Administrative Services. The Deputy Director's, or their designee, written decision shall be final and binding and be rendered to the employee not later than 30 days from the date the appeal is submitted. Should the reclassification be granted/approved, management retains the option to return the employee to their former classification and withdraw the higher level duties. There will be no retroactive pay. Should management decide to promote the employee, the employee shall serve the appropriate probationary period commencing on the start date of the new promotion. Movement to the appropriate class shall take place on the first pay period following final approval.

- d) Upon lateral transfer, the salary shall remain unchanged.
- e) Notwithstanding the provisions of Section 3.1, no salary adjustment upon promotion, demotion, or transfer shall effect a loss of time acquired in the former salary step, and such time as was acquired in the former salary step shall be included in computing the accumulation of the required months of service for eligibility of the employee for future step increases.
- f) In the event of a voluntary demotion required by a work-connected illness or injury and a resulting disability, the salary of the employee shall be placed at the step in the salary range which corresponds most closely to the salary received by the employee as of the time of injury. In the event that such voluntary demotion would result in a salary loss of more than 10%, the employee's new salary shall be set at the rate closest to, but not less than ten percent 10% below his/her salary as of the time of injury.

**Section 3.3 - Part-Time Salaries and Benefits**

- a) The salary ranges provided in Appendix A and B are for full-time service in full-time positions, and are expressed in dollars per the number of working days in a bi-weekly pay period. If any position is established on any other time basis, the compensation for such position shall be adjusted proportionately.
- b) Benefits - Employees filling half-time positions shall receive all other benefits of this Agreement except for the benefit package of the health, dental and life insurance. If the employee elects to be covered by the VTA provided benefit

package of the health, dental or life insurance plans, the employee shall authorize a payroll deduction for one-half of VTA's contribution to such plans.

**Section 3.4 – Work Out Of Class (WOOC)**

Employees within the bargaining unit will receive compensation for additional higher level duties assigned and performed during the temporary absence of an incumbent in a higher class. Such payment will be made consistent with the promotional pay procedures under VTA's Policies and Procedures and will only apply where the assignment is made for a period of 6 consecutive working days or more (including holidays). When such pay for higher level duties is appropriate under these terms and conditions, it will commence on the first day of the assignment and continue throughout the duration of the absence. Employees shall receive the WOOC rate of pay for a holiday when the employee is assigned WOOC the day prior to and the day following the holiday. Application of this provision may be extended to vacant positions only upon concurrence of the Chief Administrative Officer. The differential shall not be paid when the employee who is assigned WOOC is absent due to sick leave or vacation. An employee's time spent performing working out of class assignment shall be considered as valid knowledge and experience working at that higher level assignment when applying for any promotion.

**ARTICLE 4 - HOURS OF WORK**

**Section 4.1 - Overtime Work**

Overtime provisions only apply to Assistant and Junior Engineer and Architect classifications as set forth below:

- a) Exempt - Assistant Engineer and Assistant Architect Classifications
  - 1) Overtime is defined as time worked beyond 40 hours in any work week. Time for which pay is received but not worked such as vacation, sick leave, and authorized compensatory time off, will not be counted towards the base period.
  - 2) When overtime work is assigned and authorized by a supervisor, if requested by the employee, compensation for such time worked shall be in the form of time off with pay computed at the rate of one and one-half hours off for every hour of overtime worked. Otherwise, such overtime work shall be paid at the rate of one and one-half times the regular hourly rate of pay.

If the employee requests compensatory time off, all compensatory time off must be taken within a reasonable period of time and must not unduly cause a hardship on VTA. In all cases, it must be taken within 12 months of the date the overtime was worked. Failure to take the compensatory time off shall be deemed a waiver of the compensatory time by the employee. If the supervisor does not provide compensatory

time off during the mandatory use period, the employee may take compensatory time off as a matter of right immediately before the end of the pay period in which the compensatory time would otherwise be lost. At the time of separation, any remaining compensatory time balances shall be paid in cash.

3) Overtime work assignments shall be distributed among employees in the same classification and applicable work unit as equally as practicable. All agreements between departments and the Association covering hours, job assignments, shifts, shift assignments, overtime, seniority, and holiday and vacation scheduling currently in effect or entered into during this Agreement shall remain in effect pursuant to their terms.

b) Non-Exempt - Junior Engineer and Junior Architect Classifications

All provisions regarding overtime shall be in accordance with the Fair Labor Standards Act as applicable. Compensatory time-off must be taken within a reasonable period of time and must not unduly cause a hardship on VTA.

In any arbitration involving an FLSA non-exempt employee and Section 4.1(b), the arbitrator shall be strictly bound by U. S. Department of Labor, Wage and Hour Division, Regulations, Bulletins, Regional Opinion Letters, and provisions of the Fair Labor Standards Act in reviewing, deciding and rendering a decision. The arbitration award and remedy must be in strict compliance with said Regulations, Bulletins, Regional Opinion Letters and provisions of the FLSA and cannot exceed that which would have been ordered by the DOL, Wage and Hour Division if the dispute had been submitted for their review.

**Section 4.2 - Rest Periods**

All FLSA non-exempt employees shall be granted and take a rest period of 15 minutes during each half shift of four hours of work. Rest periods shall be considered as time worked for pay purposes. If a rest break is not taken, the employee is not entitled to an earlier quitting time.

**ARTICLE 5 - HOLIDAYS**

**Section 5.1 - Legal Holidays**

All previous informal time off practices are eliminated and unauthorized. The following shall be observed as legal holidays:

- a) January 1st (New Year's Day)
- b) Third Monday in January (Martin Luther King, Jr. Birthday)
- c) Third Monday in February (President's Day)
- d) Last Monday in May (Memorial Day)
- e) July 4th (Independence Day)

- f) First Monday in September (Labor Day)
- g) Second Monday in October (Columbus Day)
- h) Veteran's Day to be observed on the date State of California employees observe the holiday
- i) Fourth Thursday in November (Thanksgiving Day)
- j) The Friday following Thanksgiving Day (Day after Thanksgiving)
- k) December 25th (Christmas Day)
- l) Other such holidays as may be designated by the Board of Directors

**Section 5.2 - Observance**

VTA will contribute up to the Kaiser Bay Area Family rate for employees. Employees will pay the excess above the Kaiser Bay Area Family rate.

Spouses and registered domestic partners of employees, as well as the employee, employed by the VTA shall not be eligible for dual medical coverage. Upon becoming eligible, due to age or disability, retirees eligible for the defined benefit retiree medical program and their Medicare eligible dependents shall be required to enroll in Medicare in order to maintain medical coverage. VTA shall not reimburse Medicare Part D premiums, and shall continue to cover Part D Premiums for prescription drug coverage through the Medicare Supplement Plans.

As long as the employee is in paid status during an industrial or medical leave the employee paid medical dependent coverage (if any) will be deducted from the employee's pay check. Once such sick leave or vacation is exhausted, the employee must make arrangements with VTA to pre-pay his/her monthly premium contribution, plus the dependent coverage for the balance of the leave.

Upon exhaustion of the 13 pay periods (#1 and #2 above), the employee may pre-pay total premiums for VTA insurances at the VTA group rate by making arrangements with VTA.

f) Vision Coverage

VTA agrees to provide a Vision Plan for all employees and eligible dependents. The Plan will be the Vision Service Plan - Option 2 (frame/contact allowance of \$150) with benefits at 12/12/12 month intervals and with \$20.00 deductible for examinations and \$20.00 deductible for materials. - a) In the event of a layoff, VTA and the Union will meet prior to the layoff, to review work currently being performed by a consultant or consulting firm that may be suitable for performance by an employee(s) represented by the Union. The Union must identify the specific work to be reviewed and will be provided pertinent consultant information upon request. - b) If an employee(s) is qualified to perform alternate work, VTA shall fill the position with a qualified employee identified for layoff. ### **Section 11.2 - Grievance Presentation**

Employees shall have the right to present their own grievance or do so through a representative of their own choice. Grievances may also be presented by a group of employees, by the Association, or by VTA. No grievance settlement may be made in violation of an existing rule, ordinance, Memorandum of Agreement or Memorandum of Understanding, nor shall any settlement be made which affects the rights or conditions of other employees represented by the Association without notification to, and consultation with, the Association.

### **Section 11.3 - Procedural Compliance**

Association grievances shall comply with all foregoing provisions and procedures. VTA shall not be required to reconsider a grievance previously settled with an employee if renewed by the Association, unless it is alleged that such grievance settlement is in violation of an existing rule, ordinance, Memorandum of Understanding, or Memorandum of Agreement.

#### **Section 11.4 - Informal Grievance Step**

It is agreed that employees will be encouraged to act promptly through informal discussion with their immediate supervisor on any act, condition or circumstance which is causing employee dissatisfaction and to seek action to remove the cause of dissatisfaction before it serves as the basis for a formal grievance. Time limits may be extended or waived only by written agreement of the parties.

#### **Section 11.5 - Formal Grievance**

##### a) Step One

Within 15 working days of the occurrence or discovery of an alleged grievance, the grievance shall be presented in writing to the appointing authority. A copy of the grievance shall be sent to the Office of Civil Rights and Employee Relations (OCR/ER) and this copy shall dictate time limits. The grievance form shall contain information which:

- 1) Identifies the aggrieved;
- 2) The specific nature of the grievance;
- 3) The time or place of its occurrence;
- 4) The rule, law, regulation, or policy alleged to have been violated, improperly interpreted, applied or misapplied;
- 5) The consideration given or steps taken to secure informal resolution;
- 6) The corrective action desired, and;
- 7) The name of any person or representative chosen by the employee to enter the grievance.

A decision by the superior shall be made in writing within ten working days of receipt of the grievance.

##### b) Step Two

If the aggrieved continues to be dissatisfied he/she may, within 15 working days after receipt of the first step decision, direct a written presentation to the General Manager's designated representative indicating whether the aggrieved wishes 1) the General Manager's designated representative to review and decide the merits of the case; or 2) whether the aggrieved wishes the grievance to be referred to an impartial arbitrator mutually agreed upon or jointly selected from a panel provided by the State Conciliation Service. The Arbitrator's compensation and expenses shall be borne equally by the employee or the Association and VTA, provided employee grievances shall be arbitrable only at the expressed request of the employee involved and with the concurrence of the Association unless the grievance is deemed an Association or group grievance prior to submission to Step 2. Decisions by the General Manager's designated representative or the arbitrator shall be final and binding.

**Section 11.6 - Arbitration Release Time**

The following statement on employee participation in grievance arbitration hearings is agreed to:

- a) The employee on whose behalf the grievance has been filed will be granted release time for the entire hearing. Release time to serve as a witness will be granted on a scheduled basis, i.e., when the employee is scheduled to appear. In the case of a group grievance, release time will be granted for the designated spokesperson for the entire hearing.
- b) Other requests for leave for the purpose of participation in a grievance arbitration hearing will also be granted and charged to the employee's own leave time, provided the absence does not unduly interfere with the performance of service.

**ARTICLE 12 – EDUCATIONAL AND PROFESSIONAL DEVELOPMENT ASSISTANCE**

**Section 12.1 - Tuition Assistance**

VTA shall maintain a Tuition Assistance Program for the term of this Agreement in accordance with VTA's Educational and Developmental Program.

**Section 12.2 – Professional Development Fund**

VTA will fund up to \$4,500, on a matching basis (50% employee and 50% employer) for individual professional development and for education. This amount is over and above the Tuition Reimbursement Program, the reimbursement of professional registration fees as provided for in Section 12.4, and departmental programs as presently funded/budgeted. This section is not applicable to any mandated training. Please refer to VTA Policy #110.003, Training and Development.

The application of this provision shall be in compliance with the VTA approved Travel and Expense Reimbursement Policy and Procedure.

**Section 12.3 – Professional Membership Affiliation**

VTA will pay for one membership to a professional association selected from an approved list of qualified professional associations, for each TAEA-Represented employee. Within thirty (30) days of the approval of this Agreement, an equal number of representatives from VTA and TAEA will form a committee to meet on a regular basis to establish, maintain, and update a list of qualified professional associations. The VTA shall make the final determination on any disputes.

**Section 12.4 - Professional Registration-Fee Reimbursement**

VTA shall reimburse professional registration fees for all engineer and architect classifications.

**Section 12.5 - Professional Incentive (Registration/Certification)**

Upon submittal of proof of registration in the State of California as a Professional Engineer or Architect or a Cost & Schedule Coordinator a Junior or Assistant level classification staff in the TAEA bargaining unit shall receive four percent incentive pay which shall not be a part of the salary schedule as reflected in Appendix B. Should the incumbent leave these classes, or fail to maintain his/her registration, the incentive pay shall be terminated.

**ARTICLE 13: VACANCY AND STAFFING LEVELS**

**Section 13.1- Joint Management/Labor Committee**

VTA and TAEA commit to delivering projects with the highest quality, on time and on budget. Effective upon the commencement of the 2006 agreement, the parties agree to establish a Joint TAEA/Local 21-VTA Vacancy and Staffing Committee consisting of not more than 5 members from each party. The joint committee will have recurring meetings to discuss vacancies and staffing levels. Meetings will occur in conjunction with the Fiscal Year budget cycle, with the goal of engaging in discussions as early as possible. The Committee shall meet as needed, at least quarterly.

**Section 13.2 - Request for Proposals and TAEA Lead Roles**

VTA will notify TAEA when soliciting Design, Estimation, Scheduling, Construction, Inspection, Maintenance, and Testing, as they relate to Civil, Architectural, Electrical, Mechanical, Bus and Light Rail Systems, Facilities Design, Construction Management, Project Management, and Fire/Life Safety consultant services. TAEA will be afforded an opportunity to provide input prior to the proposal being issued, at least fifteen (15) working days prior to issuance of the proposal. In accordance with the commitment of the parties to deliver projects with the highest quality, on time and on budget, VTA will utilize qualified TAEA represented employees in lead roles when appropriate and consistent with the class specification. Upon request by TAEA, VTA will meet with TAEA to discuss integrating a qualified TAEA employee into a lead role in the project.

**Section 13.3 – Recruitment and Selection**

Recruitments for classifications covered by the Agreement will be posted for “VTA Only” for a minimum of five (5) days prior to being opened to the public. In the event that no TAEA members meet the minimum qualifications of the position being posted, the five (5) day requirement shall be waived and the position will be open to both VTA employees and to the public simultaneously.

**ARTICLE 14 - CONFLICT OF INTEREST**

Employees are to abide by all applicable Federal, State and Local Statutes or contract requirements regarding conflict of interest in outside employment. Employees intending to engage in outside employment shall file an advance statement of such intent for the approval of the appointing authority.

Each Division which employs persons covered by this Agreement will provide such employees with a copy of its policy regarding this section and a statement of the means of compliance with such policy.

### **ARTICLE 15 - STRIKES AND LOCKOUTS**

During the term of this Agreement, VTA agrees that it will not lock out employees and the Association agrees that it will not engage in any concerted work stoppage. A violation of this Article will result in cessation of Association dues deduction by VTA.

### **ARTICLE 16 - FULL AGREEMENT**

It is understood this Agreement represents a complete and final understanding on all negotiable issues between VTA and the Association. This Agreement supersedes all previous Memoranda of Understanding or Memoranda of Agreement between VTA and the Association except as specifically referred to in this Agreement. All Policies and Procedures or rules covering any practice, subject or matter not specifically referred to in this Agreement shall not be superseded, modified or repealed by implication or otherwise by the provisions hereof. The parties, for the term of this Agreement, voluntarily and unqualifiedly agree to waive the obligation to negotiate with respect to any practice, subject or matter not specifically referred to or covered in this Agreement even though such practice, subject or matter may not have been within the knowledge of the parties at the time this Agreement was negotiated and signed. In the event any new practice, subject or matter arises during the term of this Agreement and an action is proposed by VTA, the Association shall be afforded all possible notice and shall have the right to meet and discuss upon request. In the absence of agreement on such a proposed action, VTA reserves the right to take necessary action by management direction.

### **ARTICLE 17 - SAVINGS CLAUSE**

If any provision of this Agreement should be held invalid by operation of law or by any court of competent jurisdiction, or if compliance with or enforcement of any provision should be restrained by any tribunal, the remainder of this Agreement shall not be affected thereby, and the parties shall enter into negotiations for the sole purpose of arriving at a mutually satisfactory replacement for such provision.

If the State of California notifies the Santa Clara Valley Transportation Authority that legislation has been implemented which assesses monetary penalties to local governments which settle wages and/or benefits with increases in excess of certain limits (an example of such legislation is titled AB 1040, which was introduced in Spring of 1991), those benefits and/or wages shall not be implemented or continue to be paid. The parties shall immediately enter into negotiations for the sole purpose of arriving at a mutually agreed upon alternative.

VTA reserves the right to cease payment or seek repayment of the wages and/or benefits upon which the State of California is basing the monetary penalty. The Association reserves the right to contest the legality of the payment cessation or the repayment.

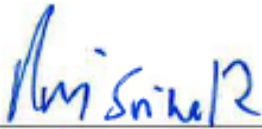

It is understood that the purpose of this Section is to ensure that VTA does not incur any liability or penalties on either the original agreement provisions, or the negotiated alternate provisions.

**ARTICLE 18 - TERM OF AGREEMENT**

This Agreement shall become effective only upon ratification by the Transportation Authority Engineers and Architects Association, and upon approval by the Board of Directors and shall remain in full force and effect from July 1, 2019 to and including June 30, 2022, and from year to year thereafter, provided, however, that either party may serve written notice on the other at least 90 days prior to June 30, 2022, or any subsequent June 30 of its desire to terminate this Agreement or amend any provision thereof.

## **MEMORANDUM OF UNDERSTANDING**

### **SANTA CLARA VALLEY TRANSPORTATION AUTHORITY POLICY ON ADMINISTRATIVE LEAVE FOR TAEA REPRESENTED ASSOCIATE AND SENIOR EMPLOYEES**

In order to recognize the time demands of many TAEA represented Associate and Senior employees as well as their ineligibility for overtime, the Administrative Leave Policy has been amended to allow more flexibility in granting a full day of administrative leave.

In addition, the language governing Administrative Time Off for less than a full day has been amended.

TAEA represented Associate and Senior employees are salaried employees and are expected to work the number of hours necessary to fulfill the duties of the position. Depending on the circumstances, TAEA Associate and Senior employees may work more or less than 40 hours in any particular week.

In recognition of the flexible demands of Associate and Senior TAEA positions, employees may be granted administrative time off if the manager determines that service delivery and performance of job functions will not be impaired because of the absence. Such time off should not be calculated on an hour-for-hour basis in relation to excess hours worked.

Administrative time off must be:

- scheduled in advance, when possible
- approved as administrative time off by the supervisor, and,
- normally taken in increments of less than one day.

Executive Management may approve administrative leave for a full day's absence. Approved requests should be maintained for periodic audit. While discretionary for less than a full day's absence, full day increments of administrative leave shall be reported on the payroll system.

The Division Head will ensure that the use of administrative leave as well as the application of this policy is administratively and appropriately applied.

Employees need not state reasons for requesting the time off. Either it is or is not appropriate to grant the time under the circumstances outlined above. An employee can use the time for any lawful purpose to include personal business.
