PREAMBLE

The Memorandum of Agreement hereinafter referred to as the "Agreement" is made and entered into at San Jose, California, on this 5th day of August, 2021, by and between the City of San Jose, hereinafter referred to as the "City" or "Management" and the Association of Engineers and Architects (AEA)/International Federation of Professional and Technical Engineers, Local 21 AFL-CIO, hereinafter referred to as the "Employee Organization" or "Union".

For the purpose of this Memorandum of Agreement, words, phrases and terms used herein shall be deemed to have the meanings specified in Section 2- Definitions of Resolution No. 39367 of the Council of the City of San Jose and in Part 2- Definitions of Chapter 3.04 of Title III, of the San Jose Municipal Code unless it is apparent from the context or from the specific language that a different meaning is intended.

ARTICLE 1 PURPOSE

The parties agree that the purpose of this Memorandum of Agreement is: To promote and provide harmonious relations, cooperation and understanding between the City and the employees covered herein; to provide an orderly and equitable means of resolving differences which may arise under this Agreement, and to set forth the full agreements of the parties reached as a result of meeting and conferring in good faith regarding matters within the scope of representation for employees represented by the Union.

ARTICLE 2 PERIOD OF MEMORANDUM OF AGREEMENT

This Agreement shall become effective July 1, 2021, except where otherwise provided, and shall remain in effect through the 30th day of June 2023. No amendment or change to the provisions of this Agreement shall be valid or binding unless reduced to writing and signed by duly authorized representative(s) of the parties.

This contract expires on June 30, 2023. It is mutually agreed that the first meeting of the parties will be held no later than fifteen (15) calendar days after the City or Association receives notice from the other, which may be any date after January 1 of the year in which the current contract terminates.

ARTICLE 3 AGREEMENT CONDITIONS

3.1 Full Understanding, Modification and Waiver

3.1.1 This Agreement sets forth the full and entire understanding of the parties regarding the matters set forth herein, and any and all prior or existing Memoranda of Understanding, understandings and agreements, whether formal or informal, are hereby superseded and terminated in their entirety.

- 3.1.2 Existing benefits within the scope of representation provided by ordinance or resolution of the City Council or as provided in the San Jose Municipal Code shall be continued without change during the term of this Agreement and be provided in accordance with the terms of the Agreement.
 - 3.1.3 It is the intent of the parties that ordinances, resolutions, rules and regulations enacted pursuant to this Memorandum of Agreement be administered and observed in good faith.
 - 3.1.4 Although nothing in this Agreement shall preclude the parties from mutually agreeing to meet and confer on any subject within the scope of representation during the term of this Agreement, it is understood and agreed that neither party may require the other party to meet and confer on any subject matter covered herein or with respect to any other matter within the scope of representation during the term of this Agreement.
- 3.2 Separability Notwithstanding any other provisions of this Agreement to the contrary, in the event that any Article, or subsections thereof, of this Agreement shall be declared invalid by any court of competent jurisdiction, or by any applicable State or Federal law or regulation, or should a decision by any court of competent jurisdiction or any applicable State or Federal law or regulation diminish the benefits provided by this Agreement, or impose additional obligations on the City, the parties shall meet and confer on the Article or subsections thereof affected. In such event, all other provisions of this Agreement not affected shall continue in full force and effect.
- 3.3 Concerted Activity It is understood and agreed that:
- 3.3.1 Participation by any employee represented by the Union in picketing with respect to any issue concerning matters within the scope of representation provided or proposed to be provided by the City of San Jose for employees in this unit, or participation in a strike, work stoppage or slowdown, or any other concerted activity which diminishes services provided by an employee in this unit, or the failure to perform lawfully required work shall subject the employee to disciplinary action up to and including discharge.
 - 3.3.2 If the Union, its officers or its authorized representatives violate provision 3.3.1 above or tolerate the violation of provision 3.3.1 above and after notice to responsible officers or business representatives of the Union, such officers or business representatives fail to take such prompt affirmative action as is within their power to correct and terminate the conduct described in provision 3.3.1 above, in addition to any other law, remedy or disciplinary action to which it or its officers or representatives may be subject, said Union shall, by action of the Municipal Employee Relations Officer, also be subject to suspension or revocation of the recognition granted to such Union and the Municipal Employee Relations Officer may suspend or cancel any or all payroll deductions payable to or in behalf of members of such Union, and prohibit or restrict the use of any City facility of any nature whatsoever and prohibit or restrict access by said officers or representatives to work or duty stations of employees in the representation unit.

Such action on the part of the Municipal Employee Relations Officer shall not be subject to review under the provisions of Article 18, Grievance Procedure.

3.4 Non-Discrimination

3.4.1 The parties agree that they, and each of them, shall not discriminate against any employee on the basis of race, religion, color, creed, age, marital status, national origin, ancestry, sex, sexual orientation, physical or mental disability, pregnancy, actual or perceived gender identity and political affiliation. The parties further agree that this section shall not be subject to the Grievance Procedure provided in this Agreement.

3.4.2 The parties agree that they, and each of them, shall not discriminate against any employee because of membership or lack of membership in the Union, or because of any authorized activity on behalf of the Union. The parties further agree that this section may be subject to the Grievance Procedure provided in the Agreement.

ARTICLE 4 RECOGNITION

Pursuant to Resolution No. 39367 of the City Council of the City of San Jose and the provisions of applicable state law, the Association of Engineers and Architects/IFPTE Local 21, hereinafter referred to as the “Union” is recognized as the exclusive representative for the purpose of meeting and conferring on matters within the scope of representation for employees assigned to the classifications listed in Exhibit I attached and incorporated by reference into this Agreement. The classifications listed in Exhibit I and subsequent additions thereto or deletions therefrom shall constitute an appropriate unit.

ARTICLE 5 MANAGEMENT RIGHTS

5.1 Except to the extent that the rights are specifically limited by the provisions of this Agreement, the City retains all rights, powers and authority granted to it or which it has pursuant to any law or the City Charter, including, but not limited to: The right to direct the work force; increase, decrease or re-assign the work force; hire, promote, demote; discharge or discipline for cause; transfer or reclassify employees; provide merit increases; assign employees special work requirements, and to determine the necessity, merits, mission and organization of any service or activity of the City or of any City Department, Agency or Unit. The City’s failure to exercise a management right does not preclude the City from exercising it at some time in the future.

5.2 The City has the sole and absolute right to determine the nature and type of, assign, re-assign, revoke assignments of or withdraw assignments of, City equipment, including motor vehicles, to or from employees during, after or before hours of duty, without consultation or meeting and conferring with the employees affected or the Association of Engineers and Architects/IFPTE, Local 21, representing such employee.

ARTICLE 6 UNION RIGHTS

6.1 Authorized Representatives

6.1.1 For purposes of administering the terms and provisions of the various ordinances, resolutions, rules and regulations adopted pursuant to this Memorandum of Agreement:

6.1.1.1 Management's principal authorized agent shall be the Municipal Employee Relations Officer, or his/her duly authorized representative except where a particular Management representative is otherwise designated.

6.1.1.2 The Union's principal authorized agent shall be the President, or his/her duly authorized representative.

6.2 Union Representatives

6.2.1 The City shall recognize up to two (2) Union Representatives who are properly designated by the Union.

6.2.2 The Union agrees that it shall designate as Union Representatives only full-time employees who have satisfactorily completed an initial probationary period during the employee's current term of employment.

6.2.3 A Union Representative shall function under the terms of the grievance procedure in the department(s) or sections of a department(s) for which he/she has been designated. Should a Representative be required to leave his/her assigned duties to investigate and/or process a grievance, he/she shall secure the permission of his/her immediate supervisor and inform the supervisor of the general nature of the grievance, and report back to the supervisor upon returning to his/her assigned duties. In the event it is necessary for a Representative to handle a grievance in a department other than the department to which he/she is regularly assigned, the Representative shall report to the immediate supervisor of the aggrieved employee to request to meet with the employee(s) involved in the grievance.

6.2.4 In the event the parties agree that a Representative or other representative of the Union is permitted to investigate and/or process a grievance other than as provided above, such representative shall continue to investigate and/or process the grievance, even if the department or section of a department in which the grievance arose is subsequently assigned to another representative.

6.2.5 Although the grievances may be investigated and/or processed during normal business hours, the Union agrees that the time spent by its designated representatives processing grievances during normal business hours shall be kept to a minimum.

- 6.2.6 The Union agrees to properly notify the Municipal Employee Relations Officer of any changes of employees designated as Representatives.
- 6.2.7 The parties agree that they have a mutual interest in well-trained Representatives. Toward this end, up to one (1) designated Representatives shall be granted a maximum of eight (8) hours paid release time during each year of this agreement to participate in training sessions related to the provisions of this agreement, jointly conducted by the Union and the Office of Employee Relations, according to an outline of such training activities to be submitted by the Union and approved by the Office of Employee Relations prior to conducting any such training sessions.

6.3.2 Designated Union Representatives One designated Union Representative shall be eligible for release time from regular City duties to attend the following meetings:

6.3.3 City Paid Union Release Time: The designated bargaining unit representative(s) shall use the City Paid Union Release Time (URT) payroll code for any paid time off eligible for release time from regular City duties to attend authorized meetings. Upon request by the City, the bargaining unit representative(s) shall provide the City with a general explanation of the business conducted when the URT code is used.

6.4 Maintenance in Membership

6.4.1 Upon receipt from the Union of an employee's signed membership or other authorization form, including electronically signed forms which comply with the

Uniform Electronic Transactions Act, the City will deduct the appropriate dues or fees from the employee's pay, as established and as may be changed from time to time by the Union, and remit such dues or fees to the Union. Deductions will continue until the City receives from the Union the employee signed revocation form, including electronically signed forms which comply with the Uniform Electronic Transactions Act. In order to revoke membership, an employee shall mail a written revocation to the Union in accordance with the terms of the authorization form or, absent any such terms, by mailing a written revocation to the Union that is postmarked during the 30-day period immediately prior to the annual anniversary of the date on which the employee signed an authorization form. The Union shall then submit the revocation form to the Office of Employee Relations.

6.4.2 The Union shall indemnify and hold harmless the City, its officers, employees and agents against any and all claims, losses, damages, injuries, expenses, lawsuits, and liabilities that directly or indirectly, in whole or in part, arise out of, pertain to, or relate to the application of or implementation of the provisions of this Article 6.4.

6.5 Dues Deduction

6.5.1 The City will deduct from the pay of each employee covered by this Agreement, while such employee is assigned to a classification included in a representation unit represented by the Union, dues uniformly required as a condition of membership, pursuant to the Union's constitution and by-laws provided that the employee has signed an appropriate Authorized Dues Deduction card. Such authorization shall be on a form approved by the Municipal Employee Relations Officer or designee.

6.5.1.1 The City agrees to deduct from the pay of each employee covered by this Agreement, while such employee is assigned to a classification included in a representation unit represented by the Union, voluntary deductions in addition to those described in Section 6.5.1, provided that the employee has submitted written authorization for such additional voluntary deductions on an appropriate Authorized Dues Deduction card to the Municipal Employee Relations Officer or designee. Such additional voluntary deductions shall continue unless the employee provides written notice to the Municipal Employee Relations Officer or designee to cease the additional voluntary deductions.

6.5.2 Payroll dues deductions shall be in the amount certified to the Municipal Employee Relations Officer or designee from time to time by the designated Officer of the Union as regular bi-weekly dues.

6.5.3 Deductions shall be made from wages earned by the employee each bi-weekly pay period. The City will remit to the designated Officer of the Union the amounts so deducted accompanied by a list of the employees for whom the

deduction was made. The deductions and the list will be remitted to the Union not later than twenty-one (21) days following the pay period in which the deductions were made.

- 6.5.4 Properly executed dues deduction cards and an alphabetical list of the additional employees authorizing the deduction shall be submitted to the Municipal Employee Relations Officer or designee on or before the Monday of the week preceding the beginning of the pay period in which deductions are to be made.
- 6.5.5 If, through inadvertence or error, the City fails to make the authorized deduction, or any part thereof, the City shall assume no responsibility to correct such omission or error retroactively.
- 6.5.6 It is expressly understood and agreed that the Union will refund to the employee any Union dues erroneously withheld from an employee's wages by the City and paid to the Union. In the event the Union fails to refund the dues erroneously withheld within a reasonable period of time following notification, the City will make such refund and deduct the amount from the amount due to the Union.
- 6.5.7 The Union shall indemnify the City and hold it harmless against any and all suits, claims, demands and liabilities that may arise out of or by reason of any action that shall be taken by the City for the purpose of complying with the foregoing provisions of this Article, or in reliance on any list or certification which shall have been furnished to the City under the above provisions.

6.6 Employee Rights

The City and the Union recognize the right of employees to form, join, and participate in lawful activities of employee organizations and the equal, alternative right of employees to refuse to form, join and participate in employee organizations. Neither party shall discriminate against an employee in the exercise of these alternative rights.

Accordingly, membership in the Union shall not be compulsory. An employee has the right to choose to become a member of the Union.

6.6.1 Employee's Obligation to Exclusive Representation

An employee who is a member of the Union on July 1, 2018, and any employee who becomes a member after July 1, 2018, shall maintain such membership.

6.6.2 Hold Harmless

The Union shall hold the City harmless and shall fully and promptly reimburse the City for any reasonable legal fees, court costs, or other litigation expenses incurred in responding to or defending against any claims against the City or any of its agents, or employees, in connection with the interpretation, application, administration or enforcement of any section in this Agreement. The existence of

or extent of any indemnification obligation under this provision shall be subject to the grievance procedure spelled out in this Agreement.

6.7 Bulletin Boards

6.7.1 Recognized Unions may use designated portions of City bulletin boards in departments which have employees in the representation unit for which the Union is recognized.

6.7.2 Subject to the provisions contained herein, the following types of Union notices and announcements listed below may be posted on the bulletin boards:

6.7.2.1 Meetings, elections, welfare, recreational and social affairs and such other notices as may be mutually agreed upon between the Union and the Municipal Employee Relations Officer or designee.

6.7.3 All material shall identify the Union responsible for its posting. Copies of all material to be posted must be filed with the Municipal Employee Relations Officer. The Municipal Employee Relations Officer or designee shall notify the Union of any material ordered removed. The Union shall be given the opportunity to revise the material or delete the objectionable section or sections.

6.7.4 The City reserves the right to determine where the bulletin boards shall be placed and what portion of such bulletin boards are to be allocated to the Union.

6.7.5 Failure of the Union to abide by the provisions of this Article shall result in the forfeiture of the Union's right to have materials posted on City bulletin boards. The City agrees it will not exercise its rights provided herein in an arbitrary or capricious manner.

6.8 Employee Lists The City shall provide a monthly list of bargaining unit employees, including new employees to the Union. The City shall also provide to the Union a quarterly list of bargaining unit employees alphabetically with employee address, position title, employment date, and leave of absence status.

The Union agrees that such information will be treated in a confidential manner.

ARTICLE 7 TEMPORARY MODIFIED DUTY

7.1 The City and the Union recognize that, employees may be temporarily unable to perform their full range of duties required of their position due to a work-related injury or illness. In order to provide gainful employment to these individuals and to maximize productivity, the City may create temporary modified job duties.

7.2 The City has the exclusive right to determine whether or not to create or eliminate temporary modified job duties and to assign eligible employees to fill such jobs.

- 7.2.1 The City shall not discriminate in assigning temporary modified job duties.
- 7.2.2 Employees assigned to temporary modified duties shall continue to accrue class seniority and other benefits based on hours worked.
- 7.3 Employees assigned to temporary modified job duties shall be returned to their regular jobs at such time as they are medically certified as capable of performing the full range of duties of said job.
- 7.4 If temporary modified job duties cannot be accommodated by the employee's department, the City will attempt to find temporary modified job duties elsewhere in the City. Departmental seniority will not be affected.
- 7.5 This Article, Article 7, is not subject to the grievance procedure.

ARTICLE 8 LEAVES

8.1 Holidays

8.1.1 Except as hereinafter otherwise provided, each full-time employee who is on paid status before and after the holidays specified below shall be entitled to paid holiday leave on each of the following holidays as observed, and on no other day, during the term of this Agreement:

- | | |
|------------------------|-------------------------|
| New Year's Day | Indigenous Peoples' Day |
| Martin Luther King Day | Veterans Day |
| President's Day | Thanksgiving Day |
| Cesar Chavez Day | Day After Thanksgiving |
| Memorial Day | Christmas Eve |
| Juneteenth | Christmas Day |
| Independence Day | New Year's Eve Day |
| Labor Day | |

8.1.2 When one of the above holidays falls on a Sunday, the following day shall be designated as the holiday; and when one of the above holidays falls on a Saturday, the preceding day shall be designated as the holiday.

8.1.3 Any other day proclaimed or designated by the Council of the City of San Jose as a holiday for which full-time employees will be entitled to holiday leave. Should additional holidays be provided, or should an existing holiday be traded for a different holiday observance for other represented employees on a Citywide basis, such holidays shall apply to employees in this unit.

8.2 Vacation

8.2.1 Vacation accrues at the following rate for each paid hour (either worked or paid absence or holiday closure):

- 1-5 years of service = 120 hours annually for full-time employees
- 6-14 years of service = 160 hours annually for full-time employees
- 15+ years of service = 200 hours annually for full-time employees

8.2.2 Employees shall not be allowed to accrue vacation in excess of two (2) times their annual vacation accrual rate. Once the maximum accumulation has occurred, vacation will cease to accrue until the employee's vacation balance has fallen under their maximum vacation accrual amount. Any employee who is already above two (2) times their annual vacation rate will cease from accruing vacation until they have used enough vacation to bring them below their maximum accrual amount, or have sold back an amount that brings them below their maximum accrual amount.

8.2.2.1 Effective calendar year 2016, employees may sell back up to a maximum of forty (40) hours of accrued vacation per calendar year.

8.2.2.2 Internal Revenue Service (IRS) regulations require the City to report and withhold taxes on the value of the vacation time an employee is eligible to sell back. In order to ensure compliance with the IRS requirements and to avoid unanticipated tax consequences:

8.2.2.3 Employees must elect the number of vacation hours they will sell back during a calendar year, up to the maximum of forty (40) hours, by the end of November of the prior year. If an employee does not submit an irrevocable election form to Payroll on or before the end of November, the employee will not be eligible to sell back any vacation hours during the next calendar year.

8.2.2.4 The election to sell back vacation hours in any year is irrevocable. This means that employees must sell back the elected number of accrued vacation hours during that year. If the accrued vacation hours are not sold back within the designated calendar year, the employee will be deemed to have received the value of the vacation hours elected in that calendar year and will be taxed by the IRS accordingly.

8.2.2.5 Employees can elect to sell back only vacation hours accrued during any given year, and any vacation hours accrued and carried over prior to that year are not eligible for sell back during that year.

8.2.2.6 Any vacation hours accrued during that year will not be available for use until the employee's accrued vacation hours in that year equal the number of hours the employee has elected to sell back. Those vacation hours accrued in the given year over the number of hours the employee elected to sell back in the given year will be available for use by the employee. This means that hours elected for sell back may only be used for sell back purposes and cannot be used for vacation time off purposes.

8.2.2.7 Employees may use any vacation hours accrued and carried over prior to the given year, subject to the normal rules of requesting use of vacation.

8.3 Sick Leave

8.3.1 Each full-time employee shall be entitled to sick leave with pay in accordance with the following provisions:

8.3.1.1 Sick leave shall accrue in an amount equal to the number of hours worked, excluding overtime, multiplied by a factor of 0.04616. Paid leave for holidays, vacation, or other paid leave shall be considered as time worked for purposes of this section.

8.3.2 Accrued sick leave may be utilized if the employee is required to be absent from work on account of non-job related illness or injury; routine medical or dental appointments, or for the care related to the illness or injury of the employee's child, mother, father, spouse or domestic partner registered with the Department of Human Resources. Up to 48 hours of accrued sick leave per calendar year may be utilized if the employee is required to be absent for the care related to the illness or injury of the employee's grandparent, grandchild, brother, sister, father-in-law, mother-in-law, stepfather, stepmother or stepchild.

8.3.3 Accrued sick leave may also be utilized for job-related illness or injury if the employee is medically required to be absent from work between the date an examining physician determines the employee's condition to be "permanent and stationary" and the date the employee is so notified. Such accrued sick leave may not be utilized if the employee is otherwise entitled to temporary disability leave compensation for the above-referenced period of time.

8.3.4 Accrued sick leave not to exceed three (3) working days may be granted in circumstances where an alleged job-related illness or injury is involved, but the employee fails to provide medical verification of such job-related illness or injury.

8.3.5 Anything in this Article to the contrary notwithstanding, an employee who is entitled to Workers' Compensation temporary disability benefits, shall be permitted to utilize accrued sick leave subject to the following restrictions: Sick Leave shall be utilized in one-half (1/2) hour increments, but in no event shall an employee receive an amount, including any Workers' Compensation temporary disability compensation, in excess of such employee's regular base pay.

8.3.6 Accrued sick leave also may be used in accordance with the Catastrophic Illness Time Donation Program.

8.3.7 Except as otherwise provided by resolution of the City Council, paid sick leave shall not be allowed for any absence from work occasioned by intoxication, or use of narcotics not prescribed by a licensed physician.

- 8.3.8 If approved by the City, an employee who is enrolled and participating in a substance abuse treatment program may use sick leave for absences resulting from participation in such program. The City may require appropriate verification.
- 8.3.9 No employee shall be entitled to or be granted sick leave, either with or without pay, unless he or she, or someone on his or her behalf notifies his or her immediate superior or Department Director, of his or her intent to take such sick leave due to a personal or family illness prior to the commencement of the sick leave where such notice is possible; provided, however, that the Director of Employee Relations may waive the requirement of such notice upon presentation of a reasonable excuse by such employee.
- 8.3.10 Any time an employee is required to report to work and is unable to report due to illness or injury, an employee may be required to furnish medical verification or other substantiation for any such absences.
- 8.3.11 A full-time employee of the City shall be entitled to sick leave without any pay if required to be absent from work on account of any non-job related illness, injury or disability, in all situations where such employee is not entitled to sick leave with pay. Any full-time employee who is unable to return to work after being absent on paid and/or unpaid sick leave for a maximum of twelve (12) consecutive months or for a maximum of eighteen (18) cumulative months in any period of twenty-four (24) consecutive months may be separated from City service. However, an employee who has reached this limit may apply for a leave of absence without pay pursuant to Section 8.11, Leave of Absence.
- 8.3.12 Any such part-time employee shall be entitled to paid sick leave only for those days and number of hours the employee is in fact regularly assigned to work or would have been required to work, notwithstanding the designation, scheduling and indefinite assignment made pursuant to this Article.
- 8.3.13 No eligible part-time employee shall be entitled to sick leave with pay for any day or portion of a day during which the employee is absent, if in fact the employee is not regularly assigned to work or would not have been required to work on that day, inclusive of any hours an employee elects to work in addition to their indefinite assignment, notwithstanding the designation, scheduling and indefinite assignment made pursuant to this Article.

8.4 Sick Leave Payout

- 8.4.1 Any employee hired on or after September 30, 2012, shall not be eligible for sick leave payout.

For employees hired on or before September 29, 2012, sick leave payout shall be given to each full-time employee at the time of retirement or death under one of the following conditions:

8.4.1.1 Federated Retirement Plan:

8.4.1.1.1 The employee is:

- A member of the Federated Retirement Plan, and
- Retired under the provisions cited in the plan, and
- Credited with at least fifteen (15) years of service in this retirement plan, or
- Credited with at least ten (10) years of service prior to a disability retirement.

8.4.1.2 Terminated Employee with Vesting Rights

8.4.1.2.1 The employee has:

- Terminated service with the City, and
- Retained vesting rights in a retirement system according to provisions in the SJMC, and
- Following such termination, qualifies for retirement and retires under the provisions cited in the code and
- Has at the time of retirement credit for at least fifteen (15) years of service in the applicable retirement plan.

8.4.1.3 Death During Service The estate of any full-time employee who dies while in City service and prior to retirement, even though the employee is not credited with at least fifteen (15) years of service in any applicable retirement plan.

8.4.1.4 Death of Terminated Employee

8.4.1.4.1 The estate of any full-time employee who:

- Had terminated service with the City but had retained vesting rights in a retirement system according to provisions in the SJMC, and
- Dies prior to becoming eligible for retirement allowances as cited under provisions of the SJMC, and
- Has at the time of death credit for at least fifteen (15) years of service in the applicable retirement plan.

8.4.1.5 Effective June 22, 2013, for purposes of sick leave payout, an employee's sick leave balance and hourly rate shall be frozen. This means that an employee will receive no more in sick leave payout after having met the requirements contained herein than they would have been entitled to on June 22, 2013. Any sick leave usage after June 22, 2013, will come first from the sick leave balance accrued after June 22, 2013. An employee will continue to accrue sick leave after June 22, 2013, but it may not be used for sick leave payout purposes.

For example, if an employee's hourly rate is \$40 and their sick leave balance is 1000 hours on June 22, 2013, if they meet eligibility requirements, they shall receive a payout of their sick leave balance at the time of retirement using the formula below, but no more than 1000 hours and at an hourly rate of no more than \$40. This will occur even if the employee has subsequently earned more than 1000 hours in sick leave or received a pay increase so that their hourly rate is higher than \$40. In this example, if the employee does not have available sick leave to use that was accrued after June 22, 2013, and uses sick leave and reduces their sick leave balance on June 22, 2013 to 800 hours, they will only be entitled to a sick leave payout of 800 hours, regardless of any sick leave accrued after June 22, 2013. This means that if sick leave payout hours are reduced by usage, they are not able to be reestablished in the sick leave balance subject to payout.

Payout shall be determined as follows:

8.4.1.5.1 If an eligible full-time employee, as defined in subsection 8.4.1 above, at the time of their retirement or death has earned, unused sick leave hours, the employee shall be paid the equivalent of a specified percent of their hourly rate of pay at the time of retirement, termination or death, whichever comes first, multiplied by the total number of the employee's accumulated and unused hours of sick leave as of the date of the employee's retirement or death.

- Less than 400 hours: Hours accumulated x 50% of final hourly rate
- 400 - 799 hours: Hours accumulated x 60% of final hourly rate
- 800 - 1200 hours: Hours accumulated x 75% of final hourly rate

8.4.1.6 Use of previously accumulated sick leave hours: For purposes of determining the total number of accumulated and unused hours of sick leave of a full-time employee at the time of the employee's retirement

or death, unused sick leave from prior periods of employment before June 22, 2013, with the City shall be used. Previously accumulated sick leave shall be credited to the employee for use during an employee's current employment period.

8.5 Executive Leave Employees will receive forty (40) hours of executive leave per payroll calendar year with supervisor approval. Forty (40) additional hours may be available, upon Departmental Director approval, for recognition of outstanding performance as part of the Management Performance Program. Executive leave that is not used by the end of the payroll calendar year does not accrue or carry over to the following year.

8.5.1 Effective the first pay period of payroll calendar year 2022, when an employee is hired or promoted into a position eligible for executive leave, the leave will be prorated during the first year dependent upon the hire date.

Start Date in Position	Hours of Executive Leave
January 1 – February 28 (February 29 on a Leap Year)	40 hours
March 1 – April 30	32 hours
May 1 – June 30	24 hours
July 1 – August 31	16 hours
September 1 – October 31	8 hours
November 1 – End of Payroll Calendar Year	0 hours

8.5.1.1 Effective the first pay period of payroll calendar year 2022, an employee who is promoted or demoted into an AEA-represented classification will have the number of Executive Leave hours they receive upon promotion or demotion reduced on an hour-for-hour basis based on their usage of Personal Leave and/or Executive Leave within the same payroll calendar year.

8.5.2 Effective the first pay period of payroll calendar year 2022, an employee on a reduced work week schedule will receive executive leave as indicated in the chart below, even if the actual hours worked exceed that amount.

Scheduled Work Hours per Week	Benefit Level	Hours of Executive Leave
35-39.9 hours per week	100%	40 hours
30-34.9 hours per week	75%	30 hours
25-29.9 hours per week	62.5%	25 hours
20-24.9 hours per week	50%	20 hours
Less than 20 hours per week	Unbenefited	None

8.5.3 Further details related to Executive Leave, including details related to the use of the four-hour rule, are contained in City Policy Manual Section 4.2.4, Executive Leave and Absence Policy.

- 9.1.2 Permanent employees in inverse order of seniority within the classification being reduced, or in a higher class.

Permanent employees shall be given every opportunity for transfer to other departments when layoff is pending.

An employee may also accept a vacant position in a higher class, provided he/she has held permanent status in such higher class, and further provided that the employee's removal from the higher class was voluntary and occurred during his/her most recent period of employment. Adverse decisions of the Director of Human Resources regarding necessary education, experience, and training shall be subject to the grievance procedure, including arbitration. The employee may file the grievance at Step III within ten (10) working days of the date of being notified of the adverse decision.

9.3.3 Any employee entitled to an option noted above, which involves assignment to a lower classification, may elect to be placed on layoff in lieu of accepting such assignment to the lower class. In the event the person refuses the offer of reinstatement, such person's name shall be removed from the Reinstatement Eligible List, unless such person has reinstatement rights under the provisions of this Article to a higher class than the one in which the reinstatement is being refused.
- 9.6.2 In the event an employee accepts reinstatement to a lower class to which he/she is entitled, such person's name shall remain on the Reinstatement Eligible List for reinstatement to a lateral class, provided such person, except for lack of seniority, would have been otherwise entitled to such lateral class at the time of the most recent layoff.
- 9.6.3 Any person who is reinstated to a class which is the highest class to which he/she would have been entitled at the time of the layoff shall have his/her name removed from the Reinstatement Eligible List.

- 9.6.5 In no event shall the names of any person laid off pursuant to the provisions of this Article remain on a Reinstatement Eligible List for a period longer than three (3) years from the effective date of such person's most recent layoff. If there are employees on a Reinstatement Eligible List, the City will review such list prior to contracting-out work, or hiring outside work, to determine if the work could be performed by someone on the Reinstatement Eligible List.
- 9.6.6 Upon reinstatement to any classification to which the employee is entitled pursuant to the provisions of this Article, all benefits acquired by the employee prior to his/her layoff shall also be reinstated. 11.7 Training

11.7.1 The City and the Union recognize the importance of continuing education and the diverse training needs of the employees represented by the Association of Engineers and Architects. Therefore, the City shall endeavor to provide employees a minimum of twenty-four (24) hours of training per fiscal year. This goal will be accomplished through trainings mandated by Departments and the City and attendance at industry specific conferences related to an employee’s position, as approved by the Department Director or designee.

11.7.2 The Union may make recommendations regarding training needs and advise department management and the Union/City Committee of specific training opportunities.

11.8 Professional Memberships Each employee is eligible for the City paying or reimbursing for membership fees or dues paid for the maintenance of a license required to perform employee’s job and for dues paid for membership in one additional job related professional association (this includes the state and/or local chapters of the organization when membership for the national association requires membership in an affiliating state/local chapter).

11.9 Management Performance Program Employees represented by AEA, IFPTE Local 21 are covered under the Management Performance Program, Section 3.3.2 of the City Policy

Manual. Employees are eligible for performance-based pay increases as outlined in the Management Performance Program, Section 3.3.2 of the City Policy Manual.

11.10 Vision Care The City will contribute towards vision care benefits for eligible full-time employees up to \$16.00 per month (\$8.00 for 24 bi-weekly pay periods) or the cost of the premium, whichever is less, for coverage under a vision plan sponsored by the City. The employee shall pay the difference between the City contribution and the total premium of the vision care plan selected by the employee.

11.10.1 Effective January 1, 2016, all available plans will have a 4-tier structure (Employee, Employee plus Spouse/Domestic Partner, Employee plus Child(ren) and Family). The premiums will be adjusted effective the first pay period in payroll calendar year 2016, which starts December 20, 2015.

ARTICLE 12 RETIREE HEALTHCARE FUNDING AND BENEFITS

12.1 The City and the Employee Organization have agreed to transition from the current partial pre-funding of retiree medical and dental healthcare benefits (referred to as the “policy method”) to pre-funding of the full Annual Required Contribution (ARC) for the retiree healthcare plan (“Plan”). The transition began on June 28, 2009. The Plan’s initial unfunded retiree healthcare liability shall be fully amortized over a thirty year period so that it shall be paid by June 30, 2039 (closed amortization). Amortization of changes in the unfunded retiree healthcare liability other than the initial retiree healthcare liability (e.g. gains, losses, changes in actuarial assumptions, etc.) shall be determined by the Plan’s actuary. The City and Plan members (active employees) shall contribute to funding the ARC in the ratio currently provided under Section 3.28.385 of the San Jose Municipal Code. Specifically, contributions for retiree medical benefits shall be made by the City and members in the ratio of one-to-one. Contributions for retiree dental benefits shall be made by the City and members in the ratio of eight-to-three. When determining the contribution rates for the Plan, the Plan actuary shall continue to use the Entry Age Normal (EAN) actuarial cost method and a discount rate consistent with the pre-funding policy for the Plan as outlined in this Article.

12.2 The City and the Employee Organization further agree that the Municipal Code and/or applicable plan documents shall be amended to the extent necessary in accordance with this agreement and that the Employee Organization will support such amendments.

12.3 It is understood that in reaching this agreement, the parties have been informed by cost estimates prepared by the Federated City Employees’ Retirement System Board’s actuary and that the actual contribution rates to reach full pre-funding of retiree healthcare will differ. The phase-in to the ARC shall be effective on the first pay period of the City’s fiscal year in each succeeding year, the first increment which was on June 28, 2009. It is understood that because of changes resulting from future actuarial valuations, the amount of the ARC may vary upward or downward. The City and Employee Organization agree that the retiree healthcare contribution rates as of June 20, 2015, will remain in effect until December 19, 2015. The City and plan members shall be contributing the contribution rate based upon the full Annual Required Contribution, beginning on

December 20, 2015. In subsequent fiscal years, the City and the plan members shall be contributing the full Annual Required Contribution in the ratio currently provided under Section 3.28.385 of the San Jose Municipal Code.

- 12.4 The City has established a qualified 115 trust (“Trust”). Employee contributions will begin going into the Trust in time to avoid any potential of reaching the IRS limits on the existing medical benefits account or upon receipt of a ruling from the IRS that the contributions can be treated as pre-tax, whichever occurs first.
- 12.5 If employee contributions are deposited into the Trust prior to receiving a ruling from the IRS that the contributions can be treated as pre-tax and the City subsequently receives an IRS determination that the contributions should be treated as post-tax, the City agrees to indemnify any employee as to any IRS liability arising solely from the contributions that were taken as pre-tax prior to the IRS determination. The City and the Employee Organization will immediately meet and confer over an alternative trust vehicle for the prospective contributions should the IRS determine that the contributions are post-tax.
- 12.6 It is the objective of the parties that the Trust created pursuant to this agreement shall become the sole funding vehicle for Federated retiree healthcare benefits, subject to any legal restrictions under the current plan, or other applicable law.
- 12.7 Employees hired into full-time benefited positions on or after the first payperiod following the effective date of the ordinance implementing this provision (“Effective Date”) will not participate in or be eligible for the defined benefit retiree healthcare program. The City will pay the unfunded liability contribution that these employees and the City would have otherwise paid had they gone into the retiree healthcare defined benefit program.
- 12.8 Neither the City nor the Employee Organization waives any rights or assertions, each may have, related to the retiree healthcare benefit through any of the provisions in this Article.

ARTICLE 13 SAFETY

- 13.1 The City shall provide a safe and healthy working environment in accordance with applicable Local, State and Federal laws and regulations.

The City will replace protective footwear as needed, but no more than once per calendar year. The City will replace the employee's safety shoes if they are damaged beyond use due to a workplace incident. An individual may select an approved style that is more expensive than the City maximum by paying the difference.
- 14.3 Protective Prescription Safety Glasses. The City agrees to reimburse eligible employees who require the use of prescription lenses and are in positions that require the use of protective safety glasses for the purchase of protective prescription safety glasses for up to \$200.00 for employees when it is determined by the Director of Human Resources, or designee, that protective prescription safety glasses are required. The City will replace protective prescription safety glasses as needed, but no more than once per calendar year. An individual may select an approved style that is more expensive than the City maximum by paying the difference.
- 14.4 The requirements for safe working conditions are established and maintained under the California Occupational Safety and Health Act of 1973. Enforcement and rule-making authority is lodged with the Department of Industrial Safety. The Department of Industrial Safety has jurisdiction for inspection and enforcement of standards; therefore, any disputes arising relating to employee safety will be exempted from the grievance procedure.

ARTICLE 15 PROBATIONARY PERIODS

- 15.1 Probationary Period Calculation Probationary periods shall not be less than six (6) months of actual service as determined by the Civil Service Commission. Actual service shall mean regular hours worked, paid holidays and up to 80 hours of other cumulative or consecutive paid or unpaid absences.
