BETWEEN
CONTRA COSTA COUNTY
AND
PROFESSIONAL & TECHNICAL ENGINEERS, LOCAL 21, AFL-CIO**

This Memorandum of Understanding (MOU) is entered into pursuant to the authority contained in Division 34 of Board of Supervisors' Resolution 81/1165 and has been jointly prepared by the parties.

The Employee Relations Officer (County Administrator) is the representative of Contra Costa County in employer-employee relations matters as provided in Board of Supervisors' Resolution 81/1165.

The parties have met and conferred in good faith regarding wages, hours and other terms and conditions of employment for the employees in units in which the Union is the recognized representative, have freely exchanged information, opinions and proposals and have endeavored to reach agreement on all matters relating to the employment conditions and employer-employee relations covering such employees.

This MOU shall be presented to the Contra Costa County Board of Supervisors, as the governing board of the County and appropriate fire districts, as the joint recommendations of the undersigned for salary and employee benefit adjustments for the period commencing July 1, 2022, and ending June 30, 2026.

DEFINITIONS

Appointing Authority: The Department Head unless otherwise provided by statute or ordinance.

Class: A group of positions sufficiently similar with respect to the duties and responsibilities that similar selection procedures and qualifications may apply and that the same descriptive title may be used to designate each position allocated to the group.

Class Title: The designation given to a class, to each position allocated to the class, and to the employees allocated to the class.

County: Contra Costa County.

Demotion: Demotion is the reduction of an employee to another position in a class having a lower salary allocation than the class previously occupied by the employee or to a lower compensation level within the employee's salary range.

Director of Human Resources: The person designated by the County Administrator to serve as the Assistant County Administrator-Director of Human Resources.

Eligible: Any person whose name is on an employment, reemployment, or layoff list for a given class.

Employee: A person who is an incumbent of a position or who is on leave of absence in accordance with provisions and whose position is held pending his return.

Employment List: A list of names of persons who have been found qualified for employment in a specific class.

Higher Pay-Higher Class: When an employee in a permanent position is required to work in a higher paid classification, the employee shall receive the higher compensation for such work, pursuant to Section 5.13 – Pay for Work in Higher Classification, plus any differentials and incentives the employee would have received in their regular position. Unless the Board has by resolution otherwise specified, the higher pay shall begin on the twenty-first calendar day of the new assignment. The County Administrator shall issue regulations specifying policy and procedures to implement this provision and shall, on request of appointing authorities, make required determinations pursuant to it.

Layoff List: A list of persons who have occupied positions allocated to a class in the Merit system and who have involuntarily separated by layoff, displacement, or demoted by displacement, or have voluntarily demoted in lieu of layoff or displacement, or have voluntarily transferred in lieu of layoff or displacement.

Permanent-Intermittent Position: Any position that requires the services of an incumbent for an indefinite period of time, but on an intermittent basis, as needed, paid on an hourly basis.

Project Employee: An employee who is engaged in a time limited program or service by reason of limited or restricted funding. Such positions are typically funded from outside sources but may be funded from County revenues.

Promotion:

- A. The change of a permanent employee to another position in a class allocated to a salary range for which the top step is higher than the top step of the class which the employee formerly occupied except as set forth in the definition of "transfer" or as otherwise provided for in the Personnel Management Regulations or in ordinances or resolutions governing deep classifications.
- B. A Promotion also occurs when an employee is selected from an eligible list established as a result of a competitive recruitment to a different classification with a top step that is greater than or equal to the top step of the classification the employee previously occupied. When an action is determined to be a promotion on the basis of the employee being selected from an eligible list as a result of a competitive recruitment, the provisions of a deep class resolution that are in conflict with this section shall not apply.

Reallocation: The act of reassigning an individual position from one class to another class at the same range of the salary schedule, or to a class which is allocated to another range that is within five (5) percent of the top step except as otherwise provided for in the Personnel Management Regulations or in ordinances or resolutions.

Reclassification: The act of reassignment or change in allocation of a position by raising it to a higher class or reducing it to a lower class on the basis of significant changes in the nature, difficulty, or responsibility of duties performed in the position.

Resignation: The voluntary termination of permanent employment with the County.

Temporary Employment: Any employment that requires the services of an incumbent for a limited period of time, paid on an hourly basis, not in an allocated position or in permanent status. In addition to an hourly wage, temporary employees are entitled only to those special pays or benefits specifically identified for temporary employees in

Appendix F. If a special pay or benefit that is described in this MOU does not specifically reference temporary employees or the special pay or benefit is not included in Appendix F, then the special pay or benefit does not apply to temporary employees. For temporary employees who are retired from County service, the subjects of health benefits, dental benefits, and retirement benefits are excluded from the scope of representation by Union.

Transfer:

- A. The change of an employee who has permanent status in a position to another position in the same classification in a different department.
- B. Transfer is also the change of an employee who has permanent status in a position to another position in a different classification if the top step of the salary range for the new classification is not more than five percent greater or five percent less than the top step of the classification previously occupied by the employee, or as otherwise defined in promotion, or deep class ordinances or resolutions.

Union: International Federation of Professional & Technical Engineers (IFPTE) Local 21.

SECTION 1 - ORGANIZATION RECOGNITION

Professional & Technical Engineers, Local 21, AFL-CIO is the formally recognized employee organization for the representation units listed below, and such employee organization has been certified as such pursuant to Board of Supervisors' Resolution 81/1165.

Supervisory Unit – see Appendix A

Non-Supervisory Unit – see Appendix B

Unit C – see Appendix C

Appraisers unit (ZD) – see Appendix D

SECTION 2 - UNION SECURITY

2.1 Dues Deduction. Pursuant to Board of Supervisors' Resolution 81/1165, only a majority representative may have dues deduction and as such the Union has the exclusive privilege of dues deduction for all employees in its units.

- A.** The Union shall regularly provide the County with the names of employees for whom dues deductions should be initiated, changed, or discontinued pursuant to this section in a manner that has been mutually agreed upon by the County and the Union. The Union will submit a spreadsheet in an agreed upon format to the Office of the Auditor-Controller via email.
- B.** Requests for dues deductions, T.J. Anthony Fund Committee deductions, or other Union sponsored programs received by the Auditor-Controller by the close of business at least five (5) business days prior to the end of the pay period will be implemented in the following pay period.

Employees in classifications represented by IFPTE Local 21 may make a voluntary, monthly contribution to the T.J. Anthony Fund through the County payroll system. Monthly contributions will be deducted from the employees' pay by the County and remitted to IFPTE Local 21, T.J. Anthony Fund. The T.J. Anthony Fund is the Union's political action fund.

The Union certifies that it will only send requests to initiate dues deductions for employees who have authorized the deductions.

- C.** Requests to authorize dues/other deduction(s), or requests to cancel or change status regarding such deductions, shall be directed to the Union rather than the County. The County shall rely on the Union's explanations in a certified list, submitted by a representative of the Union who has authority to bind the Union, regarding whether an authorization/change in deduction(s) has been requested by the employee.

SECTION 2 - UNION SECURITY

- D.** The Union shall not provide the County a copy of the employee's authorization unless a dispute arises about the existence or terms of the authorization.
- F.** The Union shall indemnify and hold the County harmless from any and all claims, demands, suits, or any other form of liability that arise out of or by reason of this union security section, or action taken or not taken by the County under this Section. This includes, but is not limited to, the County's attorney's fees and costs. The provisions of this subsection shall not be subject to the grievance procedure.

2.2 Union Dues Form. Employees hired into classifications assigned to units represented by the Union may elect to complete a Union dues authorization form provided by the Union to have deducted from their paychecks the stipulated union membership dues.

Each such dues authorization form referenced above shall include a statement that such authorization may be revoked as provided in Section 2.3 – Recission of Dues Authorization, below. Each such employee shall, upon completion of the authorization form, receive a copy of said authorization form which shall be deemed proper notice of his/her right to revoke said authorization.

2.3 Recission of Dues Authorization. Employees who wish to rescind their Union membership shall notify the Union in writing in accordance with the IFPTE membership application.

2.4 Data Pertaining to Deductions. The County Human Resources Department shall monthly furnish an electronic list containing the following information for all new hires to bargaining units represented by the Union, whether permanent full-time, permanent intermittent, permanent part-time, project, or temporary:

1. Full name (first, middle, last, suffix)
2. Home address
3. Home, Work, and Cell phone numbers (if provided)
4. Personal and work email
5. Work location
6. Employee Number
7. Job Classification
8. Job Type (full-time, part-time, temporary, project, etc.)
9. Bargaining Unit

2.5 Communicating With Employees. The Union is allowed to use designated portions of bulletin boards or display areas in public portions of County buildings or in public portions of offices in which there are employees represented by the Union, provided the communications displayed have to do with official Union business such as times and places of meetings and further provided that the Union appropriately posts and removes the information. The department head reserves the right to remove objectionable materials after notification to and discussion with the Union.

Representatives of the Union, not on County time, are permitted to place a supply of employee literature at specific locations in County buildings, if arranged through the Appointing Authority or designated representative; said representatives may distribute Union literature in work areas (except work areas not open to the public) if the nature of the literature and the proposed method of distribution are compatible with the work environment and the County work in progress.

The Union may have access to work locations in which it represents employees for the following purposes:

- A. to post literature on bulletin boards;
- B. to arrange for use of a meeting room;
- C. to leave and/or distribute a supply of literature as indicated above;
- D. to represent an employee on a discipline, and/or to contact a union officer on a matter within the scope of representation;
- E. to ascertain whether the terms and conditions of the MOU are being complied with.

In the application of this provision, the Union must make advance arrangements, including disclosure of which of the above purposes is the reason for the visit, with the department representative in charge of the work area, and the visit must not interfere with County services.

In order to protect bargaining unit employees from harassment or invasion of privacy, the County shall notify the Union in a timely manner of any third-party request for demographic and/or personal information of bargaining unit employees.

2.6 Use of County Buildings. The Union is allowed the use of areas normally used for meeting purposes for meetings of County employees when:

- A. such space is available; and
- B. there is no additional cost to the County; and
- C. it does not interfere with normal County operations, nor interfere with any employee's work responsibilities; and
- D. employees in attendance are not on duty and are not scheduled for duty; and
- E. the meetings are on matters within the scope of representation.

The administrative official responsible for the meeting space will establish and maintain the scheduling of such uses. The Union must maintain proper order at its meetings, and see that the meeting space is left in a clean and orderly condition.

SECTION 2 - UNION SECURITY

The use of County equipment (other than items normally used in the conduct of business meetings, such as desks, chairs, and blackboards) is strictly prohibited, even though it may be present in the meeting area.

2.7 Advance Notice. The Union will, except in cases of emergency, have the right to reasonable notice of any ordinance, rule, resolution or regulation directly relating to matters within the scope of representation proposed to be adopted by the Board, or boards and commissions appointed by the Board, and to meet with the body considering the matter.

The listing of an item on a public agenda, or the mailing of a copy of a proposal at least seventy-two (72) hours before the item will be heard, or the delivery of a copy of the proposal at least twenty-four (24) hours before the item will be heard, constitutes advanced notice.

If there is insufficient time to meet and confer on an issue prior to the Board's meeting, the item shall be deferred if so requested by the Union. In cases of emergency when the Board, or boards and commissions appointed by the Board, determines it must act immediately without such notice or meeting, it shall give notice and opportunity to meet as soon as practical after its action.

2.8 New Employee Orientation.

- A.** For purposes of this Section, a "new employee" is any person not currently represented by the Union who is hired into a classification represented by the Union, whether by way of competitive examination, transfer, reclassification, demotion, or promotion.
- B.** The County will provide a written statement to each new employee hired into a classification represented by the Union, that the employee's classification is represented by the Union and the name of a representative of the Union.
- C.** The County will provide written notice of both Employer-wide and department-level new employee orientations (no matter how few participants, and whether in person, online, or through other means or mediums) to the Union, at least ten (10) calendar days prior to the event, except that a shorter notice may be provided in a specific instance where there is an urgent need critical to the employer's operations that was not reasonably foreseeable. In the event that the County provides less than ten (10) calendar days; notice or no notice, and the Union is unable to attend the orientation because of the short notice or no notice, the Union may request to meet with new employees entering the Local 21 bargaining unit. The department will work to arrange a meeting within seven (7) working days of the Union's request for up to thirty (30) minutes (the department has the discretion to allow additional time if available) during regular working hours and on-site or virtually without loss in compensation. The make-up session is mandatory for the employee and shall be arranged in coordination with the Department and conducted by the Union.

-
- D. The new employee orientation notice provided to the Union will include the date, time, and location of the orientation. Also, the full name, classification, and department of all new employees entering the unit shall be provided. At the discretion of the department, new employee orientations may be done virtually.
 - E. Representatives of the Union shall be permitted to make a presentation of up to thirty (30) minutes (the department has the discretion to allow additional time if available), and present written materials, during a portion of the orientation for which attendance is mandatory. No representative of management shall be present during the Union's presentation.
 - F. Upon approval of the department and when available, the Union shall have the right to use the County's facilities to conduct new employee orientation sessions and make-up orientation meetings with new employees in the bargaining unit.
 - G. A bargaining unit member attending orientation as a Union representative shall be given paid release time sufficient to cover the Union's presentation and travel time. The Union will provide the names of any employees who they wish to be released at least 48 hours in advance of the meeting to the Chief of Labor Relations.

The Employer and the Union recognize that the Employer has an obligation to reasonably accommodate disabled employees. Upon request, the County will meet and confer with the Union on the impact of such accommodation. This paragraph does not impact an employee's anniversary date. This paragraph eliminates performance pay for classifications represented by the Union. To the extent that this paragraph is inconsistent with any other County enactment, regulation, or policy, including but not limited to resolutions of the Board of Supervisors, the provisions of this paragraph will prevail.

D. COVID Pandemic Service Relief Payment. In recognition of the services County employees performed as essential workers during an extraordinary public health emergency, the County will pay a one-time lump sum COVID Pandemic Service Relief Payment (PSRP) to the following County employees who meet the listed criteria:

Permanent part-time employees, including part-time project employees, who meet all of the following criteria will be paid a prorated one-time, lump sum payment. The prorated lump sum payment will be calculated by multiplying two thousand five-hundred dollars (\$2,500) by the percentage that the employee's approved position hours are to forty (40) hours (for example: $\$2,500 \times (20/40) = \$1,250$).

Temporary Employees. SECTION 5 - SALARIES

determines that a salary for a classification is more than twelve and one-half percent (12.5%) below the median of the comparator agencies, upon request of the Union, the parties will discuss appropriate salary adjustments, taking into consideration all relevant factors including any scheduled salary increases, any current recruitment and retention problems for the classification, the overall financial condition of the County and/or Department, and the overall budgetary impacts of any salary increases. The parties may also discuss internal compaction issues that may result from any adjustments to a benchmark classification. For example, a salary adjustment to a Planner II (5AVA) may lead to consideration of an adjustment to the Planner III (5ATA), depending on the nature of the resulting salary compaction and the relationship of the classes in the Planner series. Nothing in this Section shall be construed to require the County to agree to adjust the salary of a particular classification or to adjust salaries to a specific market position.

5.2 Entrance Salary. Except as otherwise permitted in deep class resolutions, new employees shall generally be appointed at the minimum step of the salary range established for the particular class of position to which the appointment is made. However, the appointing authority may fill a particular position at a step above the minimum of the range.

5.3 Anniversary Dates. Except as may otherwise be provided for in deep class resolutions, anniversary dates will be set as follows:

- A. **New Employees.** The anniversary date of a new employee is the first day of the calendar month after the calendar month when the employee successfully completes six (6) months service provided however, if an employee began work on the first regularly scheduled workday of the month the anniversary date is the first day of the calendar month when the employee successfully completes six (6) months service.
- B. **Promotions.** The anniversary date of a promoted employee is determined as for a new employee in Subsection 5.3.A above.

- D. **Transfer, Reallocation & Reclassification.** The anniversary date of an employee who is transferred to another position or one whose position has been reallocated or reclassified to a class allocated to the same salary range or to a salary range which is within five percent (5%) of the top step of the previous classification, remains unchanged.
- E. **Reemployments.** The anniversary of an employee appointed from a reemployment list to the first step of the applicable salary range and not required to serve a probation period is determined in the same way as the anniversary date is determined for a new employee who is appointed the same date, classification and step and who then successfully completes the required probationary period.

-
- F. Appointments from Outside the County's Merit System Notwithstanding other provisions of this Section 5, the anniversary of an employee who is appointed to a classified position from outside the County's merit system at a rate above the minimum salary for the employee's new class, or who is transferred from another governmental entity to this County's merit system, is one (1) year from the first day of the calendar month after the calendar month when the employee was appointed or transferred; provided however, when the appointment or transfer is effective on the employee's first regularly scheduled work day of that month, his/her anniversary date is one (1) year after the first calendar day of that month.

5.4 Merit Adjustments and Increments Within Range. The performance of each employee, except those of employees already at the maximum salary step of the appropriate salary range, shall be reviewed on the anniversary date as set forth in Section 5.3 – Anniversary Dates, to determine whether the salary of the employee shall be advanced to the next higher step in the salary range. Based upon review of each employee's duties and performance, the appointing authority or designee may authorize advancement to the next higher step in the salary range. The appointing authority may also recommend denial of the increment or may deny and recommend one additional review at some specified date before the next anniversary, which must be set at the time the original report is returned. Merit increase will be awarded for satisfactory performance and there shall be no limit to the number of employees receiving a merit increment in any given year.

Except as herein provided or except as otherwise provided in deep class resolutions, increments within range shall not be granted more frequently than once a year, nor shall more than two (2) steps within the range increment or five percent (5%), whichever is less, be granted at one time. In case an appointing authority recommends denial of the within range increment on some particular anniversary date, but recommends a special salary review at some date before the next anniversary, the special salary review shall not affect the regular salary review on the next anniversary date. Nothing herein shall be construed to make the granting of increments mandatory on the County. If an operating department verifies in writing that an administrative or clerical error was made in failing to submit the documents needed to advance an employee to the next salary step on the first of the month when eligible, said advancement shall be made retroactive to the first of the month when eligible.

5.5 Part-Time Compensation. A part-time employee shall be paid a monthly salary in the same ratio to the full-time monthly rate to which the employee would be entitled as a full-time employee under the provisions of this Section 5 as the number of hours per week in the employee's part-time work schedule bears to the number of hours in the full-time work schedule of the department.

5.6 Compensation for Portion of Month. Any employee who works less than any full calendar month, except when on earned vacation or authorized sick leave, shall receive as compensation for services an amount which is in the same ratio to the established monthly rate as the number of days worked is to the actual working days in such employee's normal work schedule for the particular month; but if the employment is intermittent, compensation shall be on an hourly basis.

5.7 Position Reclassification. An employee who is an incumbent of a position which is reclassified to a class which is allocated to the same range of the basic salary schedule as is the class of the position before it was reclassified, shall be paid at the same step of the range as the employee received under the previous classification.

An incumbent of a position which is reclassified to a class which is allocated to a lower range of the basic salary schedule shall continue to receive the same salary as before the reclassification, but if such salary is greater than the maximum of the range of the class to which the position has been reclassified, the salary of the incumbent may be reduced to the maximum salary for the new classification, or the appointing authority may Y rate the salary of the employee. The salary of an incumbent of a position which is reclassified to a class which is allocated to a range of the basic salary schedule greater than the range of the class of the position before it was reclassified shall be governed by the provisions of Section 5.9 - Salary on Promotion.

5.8 Salary Reallocation & Salary on Reallocation.

- A. In a general salary increase or decrease, an employee in a class which is reallocated to a salary range above or below that to which it was previously allocated shall be compensated at the same step in the new salary range the employee was receiving in the range to which the class was previously allocated, when the number of steps in the salary range remain the same. If the reallocation is from one salary range with more steps to a range with fewer steps or vice versa, the employee shall be compensated at the step on the new range which is in the same percentage ratio to the top step of the new range as was the salary received before reallocation to the top step of the old range, but in no case shall any employee be compensated at less than the first step of the range to which the class is allocated.
- B. In the event that a classification is reallocated from a salary range with more steps to a salary range with fewer steps on the salary schedule, apart from the general salary increase or decrease described in Section 5.8.A above, each incumbent of a position in the reallocated class shall be placed upon the step of the new range which equals the rate of pay received before the reallocation. In the event that the steps in the new range do not contain the same rates as the old range, each incumbent shall be placed at the step of the new range which is next above the salary rate received in the old range, or if the new range does not contain a higher step, at the step which is next lower than the salary received in the old range.
- C. In the event an employee is in a position which is reallocated to a different class which is allocated to a salary range the same as above or below the salary range of the employee's previous class, the incumbent shall be placed at the step in the new class which equals the rate of pay received before reallocation. In the event that the steps in the range for the new class do not contain the same rates as the range for the old class, the incumbent shall be placed at the step of the new range which is next above the salary rate received in the old range; or if the new

range does not contain a higher step, the incumbent shall be placed at the step which is next lower than the salary received in the old range.

- D. In the event of reallocation to a deep class, the provisions of the deep class resolution and incumbent salary allocations, if any, shall supersede Section 5.10.

5.9 Salary on Promotion. Any employee who is appointed to a position of a class allocated to a higher salary range than the class previously occupied, except as provided under Section 5.13 – Pay for Work in Higher Classification, shall receive the salary in the new salary range which is next higher than the rate received before promotion. In the event this increase is less than five percent (5%), the employee's salary shall be adjusted to the step in the new range which is at least five percent (5%) greater than the next higher step; provided however that the next step shall not exceed the maximum salary for the higher class.

5.10 Salary on Involuntary Demotion. Any employee who is demoted, except as provided under Section 5.11 – Salary on Voluntary Demotion, shall have his/her salary reduced to the monthly salary step in the range for the class of position to which he/she has been demoted next lower than the salary received before demotion. In the event this decrease is less than five percent (5%), the employee's salary shall be adjusted to the step in the new range which is five percent (5%) less than the next lower step; provided, however, that the next step shall not be less than the minimum salary for the lower class.

Whenever the demotion is the result of layoff, cancellation of positions or displacement by another employee with greater seniority rights, the salary of the demoted employee shall be that step on the salary range which he/she would have achieved had he/she been continuously in the position to which he/she has been demoted, all within-range increments having been granted.

5.11 Salary on Voluntary Demotion. Whenever any employee voluntarily demotes to a position in a class having a salary schedule lower than that of the class from which he or she demotes, his or her salary shall remain the same if the steps in his or her new (demoted) salary range permit, and if not, the new salary shall be set at the step next below former salary.

5.12 Salary on Transfer. An employee who is transferred from one position to another as described under Transfer (Section 17) shall be placed at the step in the salary range of the new class which equals the rate of pay received before the transfer. In the event that the steps in the range for the new class do not contain the same rates as the range for the old class, the employee shall be placed at the step of the new range which is next above the salary rate received in the old range; or if the new range does not contain a higher step, the employee shall be placed at the step which is next lower than the salary received in the old range.

Whenever a permanent employee transfers to or from a deep class, as provided in the appropriate deep class resolutions, the salary of the employee shall be set as provided in the deep class resolutions at a step not to exceed a five percent (5%) increase in the employee's base salary.

5.13 Pay for Work in Higher Classification. When an employee in a permanent position in the merit system is required to work in a classification for which the compensation is greater than that to which the employee is regularly assigned, the employee shall receive compensation for such work at the rate of pay established for the higher classification pursuant to Subsection 5.9 - Salary on Promotion of this Memorandum, at the start of the second full day in the assignment, under the following conditions. Payment shall be made retroactive after completing the first forty (40) consecutive hours worked in the higher classification.

- A. When an employee is assigned to a program, service or activity established by the Board of Supervisors which is reflected in an authorized position which has been classified and assigned to the Salary Schedule.
- B. The nature of the departmental assignment is such that the employee in the lower classification performs a majority of the duties and responsibilities of the position of the higher classification.
- C. Employee selected for the assignment will normally be expected to meet the minimum qualifications for the higher classification.
- D. The County shall make reasonable efforts to offer out of class assignments to all interested employees on a voluntary basis. Pay for work in a higher classification shall not be utilized as a substitute for the promotional procedure provided in this Memorandum.
- E. Higher pay assignments shall not exceed six (6) months except through reauthorization.
- F. If approval is granted for pay for work in a higher classification and the assignment is terminated and later re-approved for the same employee within one hundred eighty days (180) no additional waiting period will be required.
- G. Any incentives (e.g., the education incentive) and special differentials (e.g., bilingual differential and hazardous duty differential) accruing to the employee in his/her permanent position shall continue.
- H. During the period of work for higher pay in a higher classification, an employee will retain his/her permanent classification, and anniversary and salary review dates will be determined by time in that classification; except that if the period of work for higher pay in a higher classification exceeds one (1) year continuous employment, the employee, upon satisfactory performance in the higher classification, shall be eligible for a salary review in that class on his/her next anniversary date. Notwithstanding any other salary regulations, the salary step placement of employees appointed to the higher class immediately following termination of the assignment, shall remain unchanged.
- I. Allowable overtime pay, shift differentials and/or work location differentials will be paid on the basis of the rate of pay for the higher class.

-
- J. For higher pay assignments in vacant positions, a request for examination to fill the position must be submitted at the time of the higher pay assignment request. After a request for examination is submitted, the County will not unreasonably delay in any subsequent steps, including but not limited to promulgating a list and filling the vacant position(s).
 - K. An employee will receive 5 additional points towards his/her examination score, if the employee takes an examination for a classification in which the employee received higher class pay for a combined 12 months or more in the prior three years from the date of the examination.
 - L. The COUNTY will provide to Local 21 a monthly electronic list of all employees who are being paid for work in a higher classification (temporary upgrade). The list will include the following information:

On the tenth (10th) day of each month, the Auditor will draw a warrant upon the Treasurer in favor of each employee for the amount of salary due the employee for the preceding month; provided however, that each employee (except those paid on an hourly rate) may choose to receive an advance on the employee's monthly salary, in which case the Auditor shall, on the twenty-fifth (25th) day of each month, draw his/her warrant upon the Treasurer in favor of such employee. The advance shall be in an amount equal to one-third (1/3) or less (at the option of the employee) of the employee's basic salary of the previous month except that it shall not exceed the amount of the previous month's basic salary less all requested or required deductions.

The election to receive the advance shall be made online using Employee Self Service (ESS) on the prescribed form. If the employee makes an update between the 1st and 15th of the month, then the change will impact the current month's advance. If the employee makes the update after the 15th, it will impact the following month's advance.

Such an election will remain effective until revoked.

In the case of an election made pursuant to this Section 5.14 all required or requested deductions from salary shall be taken from the second installment, which is payable on the tenth (10th) day of the following month.

5.15 Effective Date. Adjustments to employee's salaries shall be effective on the first day of the month following the month in which the adjustment is authorized by the

In the thirty six (36) hour calendar week, the employee works four (4) nine (9) hour days and has the same day of the week off that is worked for eight (8) hours in the forty four (44) hour calendar week. In the forty four (44) hour calendar week, the employee works four (4) nine (9) hour days and one (1) eight (8) hour day.

The result is a workweek that is a fixed and regularly recurring period of seven (7) consecutive twenty four (24) hour periods (168 hours).

6.2 Holidays Observed: The County will observe the following holidays during the term covered by this Memorandum of Understanding:

New Year's Day	Labor Day
Martin Luther King Jr. Day	Veterans' Day
Presidents' Day	Thanksgiving Day
Memorial Day	Day after Thanksgiving
Juneteenth	Christmas Day
Independence Day	

Such other days as the Board of Supervisors may designate by Memorandum of Understanding as holidays.

General Rule: Any holiday observed by the County that falls on a Saturday is observed on the preceding Friday and any holiday that falls on a Sunday is observed on the following Monday.

Exception: For any employee who works in a twenty-four (24) hour facility and is assigned to unit or service that operates on a shift operational cycle that includes Saturdays and Sundays, holidays are observed on the day on which they fall, regardless if it is a Saturday or Sunday.

6.3 Holidays: Employees are entitled to observe a holiday (day off work), without a reduction in pay, whenever a holiday is observed by the County.

6.4 Holidays - Flexible, Alternate, 9/80, and 4/10 Work Schedules: When a holiday falls on the regularly scheduled day off of any employee who is on a flexible, alternate, 9/80, or 4/10 work schedule, the employee is entitled to take the day off, without a reduction in pay, in recognition of the holiday. These employees are entitled to request another day off in recognition of their regularly scheduled day off. The requested day off must be within the same workweek as the holiday and it must be pre-approved by the employee's supervisor. The requested day off shall not be unreasonably denied. If the day off is not approved by the supervisor, it is lost. If the approved day off is a nine (9) hour workday, the employee must use one (1) hour of non-sick leave accruals. If the approved day off is a ten (10) hour workday, the employee must use two (2) hours of non-sick leave accruals. If the employee does not have any non-sick leave accrual balances, leave without pay (AWOP) will be authorized.

6.5 Holiday Observed- Part Time Employees: When a holiday is observed by the County, each part time employee is entitled to observe the holiday in the same ratio as his/her number of position hours bears to forty (40) hours, multiplied by 8 (hours), without a reduction in pay. For example, a part time employee whose position hours are 24 per week is entitled to 4.8 hours off work on a holiday ($24/40$ multiplied by $8 = 4.8$). Hereafter, the number of hours produced by this calculation will be referred to as the "Part-Time employee's holiday hours."

When the number of hours in a part time employee's scheduled work day that falls on a holiday ("scheduled work hours") is less than the employee's "Part-Time employee's

SECTION 6 - DAYS AND HOURS OF WORK

holiday hours," the employee is also entitled to receive flexible pay at the rate of one (1.0) times his/her base rate of pay (not including differentials) for the difference between the employee's "scheduled work hours" and the employee's "Part-Time employee's holiday hours."

When the number of hours in a part time employee's scheduled work day that falls on a holiday ("scheduled work hours") is more than the employee's "Part Time employee's holiday hours," the employee must use non-sick leave accruals for the difference between the employee's "scheduled work hours" and the employee's "Part Time employee's holiday hours. "If the employee does not have any non-sick leave accrual balances, leave without pay (AWOP) will be authorized.

6.6 No Overtime Pay, Holiday Pay, or Comp Time: Employees are not entitled to receive overtime pay, holiday pay, overtime compensatory time, or holiday compensatory time. Employees who are unable or not permitted to observe a holiday (take the day off), are authorized to receive overtime pay ONLY IF the employee is on the Overtime Exempt Exclusion List. This section does not apply to employees in Unit C and the Appraisers Unit (ZD).

6.7 Overtime Exempt Exclusion: Employees who are awarded Annual Management Administrative Leave in recognition of the extra burden their job responsibilities may sometimes place on their work schedules are overtime exempt and are not eligible for overtime pay, holiday pay, overtime compensatory time, or holiday compensatory time. However, these employees may be made eligible for overtime pay if their names are placed on the Overtime Exempt Exclusion List by the County Administrator's Office. Employees on the Overtime Exempt Exclusion list are authorized to receive overtime pay, only. These employees are NOT eligible for holiday pay, overtime compensatory time, or holiday compensatory time. Employees on the Overtime Exempt Exclusion List are also NOT eligible for Annual Management Administrative Leave for the quarter they are on the Overtime Exempt Exclusion List. The policies and the procedures for the Overtime Exempt Exclusion List are set forth in the County Administrator's Administrative Bulletin Number 317 of October 1, 2017, as may be amended. This section does not apply to employees in Unit C and the Appraisers Unit (ZD).

If exigent circumstances exist, such as natural disaster or a work action (strike), the County Administrator may waive the standard quarterly procedure and approve employees to be placed on the exempt exclusion list for a period of no less than one month. In these circumstances, the annual administrative leave will be reduced each month based on a proration of their awarded hours (8.3%). The hours either will be reduced from the employee's current administrative leave balance or future awarded administrative leave hours.

Employees may be approved for placement on the Overtime Exempt Exclusion List if and when they are assigned to a special or temporary project or task that requires persistent, excess work hours, without relief from their regular job duties. Overtime pay will not be authorized as a means to address normal staffing or operational issues.

Employees on the Overtime Exempt Exclusion List are eligible for County overtime pay, only. County overtime will only be paid for work performed in excess of the employee's scheduled work day (e.g. 8, 9, 10, or 12 hour work days, as applicable) or in excess of forty (40) hours in a work week, so long as the employee actually worked all of his/her scheduled hours in the applicable work day/work week. County overtime will be paid at the rate of one and one half (1.5) times the employee's base rate of pay (not including differentials).

6.8 Overtime Exempt Exclusion List. The County will provide the Union with a copy of the Overtime Exempt Exclusion List on a quarterly basis.

6.9 Personal Holiday Credit: Employees are entitled to accrue two (2) hours of personal holiday credit each month. Employees in Unit C and the Appraisers Unit (ZD) will accrue four (4) hours of personal holiday credit each month. This time is prorated for part time employees. No employee may accrue more than forty (40) hours of personal holiday credit. On separation from County service, employees are paid for any unused personal holiday credit hours at the employee's then current rate of pay, up to a maximum of forty (40) hours.

6.10 Sick Leave: Employees are entitled to accrue paid sick leave credit in accordance with the provisions of the County Salary Regulations, this Memorandum of Understanding and Administrative Bulletin No. 411.7 (Sick Leave Policy) adopted on October 17, 1997, as periodically amended.

6.11 Family Care Leave: The provisions of Section 1006.3 of the Personnel Management Regulations and Resolution No. 94/416, as amended, relating to Leaves of Absence and Family Care Medical Leave apply to all employees covered by this Memorandum of Understanding, except that such employees are not entitled to Family Care or Medical Leave on a calendar year basis. Instead, such employees are entitled to at least eighteen (18) weeks of leave in a "rolling" twelve (12) month period, which period is to be measured backward from the date the employee uses FMLA leave.

6.12 Leave Without Pay - Use of Accruals: The provisions of Section 1006.6 of the Personnel Management Regulations, as amended, relating to the use of accruals while on leave without pay, apply to all employees covered by this Memorandum of Understanding.

6.13 Permanent-Intermittent Employees: Permanent Intermittent employees who work on a holiday are entitled to receive regular pay at the rate of one (1.0) times his/her base rate of pay (not including differentials) for all hours worked on the holiday.

6.14 Automated Time Keeping: The Union agrees to the implementation of an Automated Timekeeping System.

6.15 Timestamp: Temporary and Permanent Intermittent (hourly) employees must timestamp in and out as they begin their work shifts, finish their work shifts, and take meal periods.

SECTION 6 - DAYS AND HOURS OF WORK

6.16 Accrual- Usage: The use of leave accruals must be reported in one minute increments and may not be rounded.

6.17 No Special Benefits or Premium Pays: Employees represented by Local 21 are not entitled to receive Hazard Pay, Shift Differential pay, On-Call Duty pay, or Call-Back Time pay, except as expressly provided in Section 42 and Appendix E of this MOU.

To the extent the classifications designated in Appendix E are eligible to receive Shift Differential Pay, On-Call Duty Pay, or Call-Back Time Pay, such pays will be calculated in the following manner and pursuant to the following criteria:

1. Shift Differential Pay:
 - a. Permanent full-time and permanent part-time employees in classifications designated in Appendix E may receive a shift differential of five percent (5%) for the employee's entire scheduled shift when the employee is scheduled to work for four (4) or more hours between 5:00p.m. and 9:00a.m. In order to receive the shift differential, the employee must begin work at or after 11:00 a.m. on the day the shift is scheduled to begin. Hours worked in excess of the employee's scheduled workday will count towards qualifying for the shift differential, but the employee will not be paid the shift differential on any excess hours worked.
 - b. Permanent Intermittent or temporary employees in classifications designated in Appendix E may receive a shift differential of five percent (5%) for a maximum of eight (8) hours per work day and/or forty (40) hours per workweek when the employee works four (4) or more hours between 5:00p.m. and 9:00a.m. In order to receive the shift differential, the employee must start work at or after 11:00 a.m. Hours worked in excess of eight (8) hours in a workday will count towards qualifying for the shift differential, but the employee will not be paid the shift differential on any excess hours worked.
2. On-Call Duty Pay: Permanent full-time and permanent part-time employees in classifications designated in Appendix E may receive On-Call Pay. An employee assigned to On-Call Duty is paid one (1) hour of straight time pay for each four (4) hours designated as on-call duty. If an employee's on-call duty hours are not in increments of four (4) hours, the on-call duty hours will be pro-rated. For example, if the employee is assigned to on-call duty for six (6) hours, the employee would receive one and one-half (1.5) hours of straight time pay for the six (6) hours of designated on-call duty ($6 \text{ hours} \div 4 \text{ hours} = 1.5 \text{ hrs}$). If an employee is called back to work while assigned to on-call duty, the employee will be paid for the total assigned on-call duty hours regardless of when the employee returns to work. An employee is considered assigned to on-call duty if all of the following criteria are met:

-
- a. An employee is not scheduled to work on County premises, but is required to report to work immediately if called. The employee must provide his/her supervisor with current contact information so that the supervisor can reach the employee with ten (10) minutes or less notice.
 - b. The Department Head designates and approves those employees who will be assigned to on-call duty.
 3. Call Back Time Pay: Permanent full-time and permanent part-time employees in classifications designated in Appendix E may receive pay for Call Back Time. Call Back Time occurs when an employee is not scheduled to work but is called back to work on County premises. An employee called back to work is entitled to receive Call Back Time Pay at the rate of one and one half (1.5) times his/her base rate of pay (not including differentials) for the actual Call Back Time hours worked plus one (1) additional hour. An employee called back to work will be paid a minimum of two (2) hours for each Call Back Time.

6.18 Unit C and the Appraisers Unit (ZD) Overtime and Straight Time Pay.

Permanent full-time and part-time employees in Unit C and the Appraisers Unit (ZD) will be compensated for overtime at the rate of one and one-half (1.5) times their base rate of pay (excluding differentials) for authorized work performed that exceeds eight (8) hours in a day and that exceed the employee's daily scheduled hours, or forty (40) hours in a week. Work performed does not include non-worked hours.

Permanent full-time and part-time employees will be paid straight time pay at the rate of one (1.0) hour times the employee's base rate of pay (excluding differentials) for hours worked in excess of the employees daily number of scheduled hours that do not qualify for overtime pay. Employees are not entitled to compensatory time off in lieu of overtime or straight time pay.

6.19 Retiree Temporary Employee Work Hours Limitation. Any temporary employee retired from a Contra Costa County Employee Retirement Association (CCCERA) member agency who works more than 960 hours in any fiscal year for any CCCERA member agency, will not be allowed to work for the County as a retiree temporary employee in the following fiscal year.

6.20 Appraisers Unit (ZD) Holidays Observed on Regular Day Off of Full-Time Employees on 4/10, 9/80, Flexible, and Alternate Work Schedule:

1. When a holiday is observed by the County on the regularly scheduled day off of an employee who is on a 4/10, 9/80, flexible, or alternate work schedule, the employee is entitled to take eight (8) hours of flexible pay at the rate of 1.0 times his/her base rate of pay (not including differentials) or flexible compensatory time in recognition of his/her regularly scheduled day off.
2. Flexible compensatory time may not be accumulated in excess of two hundred eighty-eight (288) hours. After 288 hours are accrued by an employee, the employee

SECTION 7 - WORKFORCE REDUCTION/LAYOFF/ REASSIGNMENT

will receive flexible pay at the rate of 1.0 times his/her base rate of pay. Flexible compensatory time may be taken on those dates and times determined by mutual agreement of the employee and the Department Head or designee.

3. Flexible compensatory time will be paid off only upon a change in status. A change in status includes separation, transfer to another department, reassignment to a permanent-intermittent position, or transfer assignment, or promotion or demotion into a position that is not eligible for flexible compensatory time.
4. Employees who elect to receive flexible compensatory time must agree to do so for a full fiscal year (July 1 through June 30). The employee must notify their departmental payroll staff of any change in the election by May 31 of each year.

6.21 Appraisers Unit (ZD) 4/10 Summer Schedule. The Assessor may continue the annual 4/10 summer schedule, which begins when the Assessor declares and ends on October 31st of each year.

SECTION 7 - WORKFORCE REDUCTION/LAYOFF/ REASSIGNMENT

7.1 Workforce Reduction. In the event that funding reductions or shortfalls in funding occur in a department or are expected, which may result in layoffs, the department will notify the union and take the following actions:

- A. Identify the classification(s) in which position reductions may be required due to funding reductions or shortfalls.
- B. Advise employees in those classifications that position reductions may occur in their classifications.
- C. Accept voluntary leaves of absence from employees in those classifications which do not appear to be potentially impacted by possible position reductions when such leaves can be accommodated by the department.
- D. Consider employee requests to reduce their position hours from full-time to part-time to alleviate the impact of the potential layoffs.
- E. Approve requests for reduction in hours, lateral transfers, and voluntary demotions to vacant, funded positions in classes not scheduled for layoffs within the department, as well as to other departments not experiencing funding reductions or shortfalls when it is a viable operational alternative for the department(s).
- F. Review various alternatives which will help mitigate the impact of the layoff by working through the Tactical Employment Team (TET) program to:
 1. Maintain an employee skills inventory bank to be used as a basis for referrals to other employment opportunities.

-
2. Determine if there are other positions to which employees may be transferred.
 3. Refer interested persons to vacancies which occur in other job classes for which they qualify and can use their layoff eligibility.
 4. Establish workshops to aid laid off employees in areas such as resume preparation, alternate career counseling, job search strategy, and interviewing skills.
- G. When it appears to the Department Head and/or Labor Relations Manager that the Board of Supervisors may take action which will result in the layoff of employees in a representation unit, the Labor Relations Manager shall notify the Union of the possibility of such layoffs and shall meet and confer with the Union regarding the implementation of the action.

7.2 Separation Through Layoff.

- A. Grounds for Layoff. Any employee(s) having permanent status in position(s) in the merit service may be laid off when the position is no longer necessary, or for reasons of economy, lack of work, lack of funds or for such other reason(s) as the Board of Supervisors deems sufficient for abolishing the position(s).
- B. Order of Layoff. The order of layoff in a department shall be based on inverse seniority in the class of positions, the employee in that department with least seniority being laid off first and so on.
- C. Layoff By Displacement.
1. In the Same Class. A laid off permanent full-time employee may displace an employee in the department having less seniority in the same class who occupies permanent-intermittent or permanent part-time position, the least senior employee being displaced first.
 2. In the Same Level or Lower Class. A laid off or displaced employee who had achieved permanent status in a class at the same or lower salary level as determined by the salary schedule in effect at the time of layoff may displace within the department and in the class an employee having less seniority; the least senior employee being displaced first, and so on with senior displaced employees displacing junior employees.
- D. Particular Rules on Displacing.
1. Permanent-intermittent and permanent part-time employees may displace only employees holding permanent positions of the same type respectively.
 2. A permanent full-time employee may displace any intermittent or part-time employee with less seniority 1) in the same class as provided in Section

SECTION 7 - WORKFORCE REDUCTION/LAYOFF/ REASSIGNMENT

7.2.C.1 or, 2) in a class of the same or lower salary level as provided in Section 7.2.C.2 if no full-time employee in a class at the same or lower salary level has less seniority than the displacing employees.

3. Former permanent full-time employees who have voluntarily become permanent part-time employees for the purpose of reducing the impact of a proposed layoff with the written approval of the Human Resources Director or designee retain their permanent full-time employee seniority rights for layoff purposes only and may in a later layoff displace a full-time employee with less seniority as provided in these rules.
- E. Seniority. An employee's seniority within a class for layoff and displacement purposes shall be determined by adding the employee's length of service in the particular class in question to the employee's length of service in other classes at the same or higher salary levels as determined by the salary schedule in effect at the time of layoff. Employees reallocated or transferred without examination from one class to another class having a salary within five (5) percent of the former class, as provided in Section 305.2 of the Personnel Management Regulations, shall carry the seniority accrued in the former class into the new class. Employees reallocated to a new deep class upon its initiation or otherwise reallocated to a deep class because the duties of the position occupied are appropriately described in the deep class shall carry into the deep class the seniority accrued or carried forward in the former class and seniority accrued in other classes which have been included in the deep class. Service for layoff and displacement purposes includes only the employee's last continuous permanent County employment. Periods of separation may not be bridged to extend such service unless the separation is a result of layoff in which case bridging will be authorized if the employee is reemployed in a permanent position within the period of the employee's layoff eligibility. Approved leaves of absence as provided for in these rules and regulations shall not constitute a period of separation. In the event of ties in seniority rights in the particular class in question, such ties shall be broken by length of last continuous permanent County employment. If there remain ties in seniority rights, such ties shall be broken by counting total time in the department in permanent employment. Any remaining ties shall be broken by random selection among the employees involved.
- F. Eligibility for Layoff List. Whenever any person who has permanent status is laid off, has been displaced, has been demoted by displacement or has voluntarily demoted in lieu of layoff or displacement, or has transferred in lieu of layoff or displacement, the person's name shall be placed on the Layoff list for the class of positions from which that person has been removed.
- G. Order of Names on Layoff. First, layoff lists shall contain the names of persons laid off, displaced, or demoted as a result of a layoff or displacement, or who have voluntarily demoted or transferred in lieu of layoff or displacement. Names shall be listed in order of layoff seniority in the class from which laid off, displaced, demoted, or transferred on the date of layoff, the most senior person listed first. In case of ties in seniority, the seniority rules shall apply except that

where there is a class seniority tie between persons laid off from different departments, the tie(s) shall be broken by length of last continuous permanent County employment with remaining ties broken by random selection among the employees involved.

- H. Duration of Layoff & Reemployment Rights. The name of any person granted reemployment privileges shall continue on the appropriate list for a period of two (2) years. Persons placed on layoff lists shall continue on the appropriate list for a period of four (4) years.
- I. Certification of Persons From Layoff Lists. Layoff lists contain the name(s) of person(s) laid off, displaced or demoted by displacement or voluntarily demoted in lieu of layoff or displacement or transferred in lieu of layoff or displacement. When a request for personnel is received from the appointing authority of a department from which an eligible(s) was laid off, the appointing authority shall receive and appoint the eligible highest on the layoff list from the department. When a request for personnel is received from a department from which an eligible(s) was not laid off, the appointing authority shall receive and appoint the eligible highest on the layoff list who shall be subject to a probationary period. A person employed from a layoff list shall be appointed at the same step of the salary range the employee held on the day of layoff.
- J. In the event of the permanent appointment of a laid off employee from the layoff list to the class from which the employee was laid off, the employee shall be appointed at the step which the employee had formerly attained in the higher class unless such step results in a decrease in which case the employee is appointed to the next higher step. If however, the employee is being appointed into a class allocated to a higher salary range than the class from which the employee was laid off, the salary will be calculated from the highest step the employee achieved prior to layoff, or from the employee's current step, whichever is higher.
- K. Removal of Names from Layoff Lists. The Human Resources Director may remove the name of any eligible from a layoff list for any reason listed below:
1. For any cause stipulated in Section 404.1 of the Personnel Management Regulations.
 2. On evidence that the eligible cannot be located by postal authorities.
 3. On receipt of a statement from the appointing authority or eligible that the eligible declines certification or indicates no further desire for appointment in the class.
 4. If three (3) offers of permanent appointment to the class for which the eligible list was established have been declined by the eligible.

SECTION 7 - WORKFORCE REDUCTION/LAYOFF/ REASSIGNMENT

5. If the eligible fails to respond to the Human Resources Director or the appointing authority within ten (10) days to written notice of certification mailed to the person's last known address.

If the person on the reemployment or layoff list is appointed to another position in the same or lower classification, the name of the person shall be removed. However, if the first permanent appointment of a person on a layoff list is to a lower class which has a top step salary lower than the top step of the class from which the person was laid off, the name of the person shall not be removed from the layoff list. Any subsequent appointment of such person from the layoff list shall result in removal of that person's name.

- L. Removal of Names from Reemployment and Layoff Certifications. The Human Resources Director may remove the name of any eligible from a reemployment or layoff certification if the eligible fails to respond within five (5) days to a written notice of certification mailed to the person's last known address.

7.3 Notice. The County agrees to give employees scheduled for layoff at least ten (10) work days notice prior to their last day of employment.

7.4 Special Employment Lists. The County will establish a Tactical Employment Team (TET) employment pool which will include the names of all laid off County employees. Special employment lists for job classes may be established from the pool. Persons placed on a special employment list must meet the minimum qualifications for the class. An appointment from such a list will not affect the individual's status on a layoff list(s).

Employees in the TET employment pool shall be guaranteed a job interview for any vacant funded position for which they meet minimum qualifications. If there are more than five such employees who express an interest for one vacant funded position, the five most senior employees shall be interviewed. Seniority for this subsection shall be County seniority.

7.5 Reassignment of Laid Off Employees. Employees who displaced within the same classification from full-time to part-time or intermittent status in a layoff, or who voluntarily reduced their work hours to reduce the impact of layoff, or who accepted a position of another status than that from which they were laid off upon referral from the layoff list, may request reassignment back to their pre-layoff status (full time or part-time or increased hours). The request must be in writing in accord with each department's reassignment bid or selection process. Employees will be advised of the reassignment procedure to be followed to obtain reassignment back to their former status at the time of the workforce reduction. The most senior laid off employee in this status who requests such a reassignment will be selected for the vacancy; except when a more senior laid off individual remains on the layoff list and has not been appointed back to the class from which laid off, a referral from the layoff list will be made to fill the vacancy.

7.6 Involuntary Reassignment.

Department or Program Reorganization. The County at its sole discretion may decide from time to time that reorganization of a department or program is required. When the County determines that employees affected by reorganizations must be involuntarily reassigned in their existing classification to different worksites, shifts or program areas, the County will offer to meet and confer with the Union to discuss the effects of this decision.

Reassignment due to Departmental or Program Needs. The County at its sole discretion may decide from time to time that reassignments are required due to business need. Employees may be reassigned to new worksites, shifts, or program areas. When the County determines that vacancies cannot be filled through voluntary reassignment and affected employees must be involuntarily reassigned from their existing worksites, shifts or programs, the County will offer to meet and confer with the Union to discuss the effects of this decision.

SECTION 8 - VACATIONS

8.1 Vacation Allowance. Employees in permanent positions are entitled to vacation with pay. Accrual is based upon straight time hours of working time per calendar month of service and begins on the date of appointment to a permanent position. Increased accruals begin on the first of the month following the month in which the employee qualifies. Accrual for portions of a month shall be in minimum amounts of one (1) hour calculated on the same basis as for partial month compensation pursuant to Section 5.6 of this MOU. Vacation credits may be taken in one (1) minute increments but may not be taken during the first six (6) months of employment (not necessarily synonymous with probationary status) except where sick leave has been exhausted; and none shall be allowed in excess of actual accrual at the time vacation is taken.

8.2 Vacation Leave on Reemployment From a Layoff List. Employees with six months or more service in a permanent position prior to their layoff who are employed from a layoff list, shall be considered as having completed six months tenure in a permanent position for the purpose of vacation leave. The appointing authority or designee will advise the Auditor-Controller's Payroll Unit in each case where such vacation is authorized so that appropriate payroll system override actions can be taken.

8.3 Vacation: Employees are entitled to accrue paid vacation credit not to exceed the maximum cumulative hours as follows:

<u>Length of Service</u>	<u>Monthly Accrual Hours</u>	<u>Maximum Cumulative Hours</u>
Under 11 years	10	240
11 years	10-2/3	256
12 years	11-1/3	272
13 years	12	288

SECTION 8 - VACATIONS

14 years	12-2/3	304
15 through 19 years	13-1/3	320
20 through 24 years	16-2/3	400
25 through 29 years	20	480
30 years and up	23-1/3	560

8.4 Service Award Date Defined: An employee's Service Award Date is the first day of his/her temporary, provisional, or permanent appointment to a position in the County. If an employee is first appointed to a temporary or provisional position and then later appointed to a permanent position, the Service Award Date for that employee is the date of the first day of the temporary or provisional appointment.

Example One:

1. The employee's Service Award Date is January 1, 1988.
2. The employee reached 20 years of service on January 1, 2008.
3. February 1, 2008 is the date on which the employee is eligible to begin accruing 16.66 hours of vacation time each month.
4. The increased vacation hours will appear on the employee's March 10, 2008, pay warrant.

Example Two:

1. An employee's Service Award Date is February 24, 1987.
2. The employee reached 20 years of service on February 24, 2007.
3. March 1, 2007 is the date on which the employee is eligible to begin accruing 16.66 hours of vacation time each month.
4. The increased vacation hours will appear on the employee's April 10, 2007, pay warrant.

8.5 Bridged Service Time. Employees who are rehired and have their service bridged in accordance with the provisions of this MOU shall accrue vacation in accordance with the accrual formula for employees hired after September 1, 1979. However, prior service time which has been bridged shall count toward longevity accrual.

8.6 Accrual During Leave Without Pay. No employee who has been granted a leave without pay or unpaid military leave shall accrue any vacation credit during the time of such leave, nor shall an employee who is absent without pay accrue vacation credit during the absence.

8.7 Vacation Allowance for Separated Employees. On separation from County service, an employee shall be paid for any unused vacation credits at the employee's then current pay rate.

8.8 Vacation Request Procedure. Employees will request leave time in writing to their immediate supervisor. The supervisor will give a written response indicating whether the request is granted or denied within ten (10) working days. In the event the request is denied, the written response will set forth the reasons for the denial. The denial of a vacation request pursuant to this section 8.8 is not subject to the Grievance Procedure set forth in Section 20 of this MOU, or to any other administrative appeal process.

8.9 Preference. Preference of vacation shall be given to employees according to their seniority in their work unit as reasonably as possible.

SECTION 9 - SICK LEAVE

9.1 Purpose of Sick Leave. The primary purpose of paid sick leave is to ensure employees against loss of pay for temporary absences from work due to illness or injury. It is a benefit extended by the County and may be used only as authorized; it is not paid time off which employees may use for personal activities.

9.2 Credits to and Charges Against Sick Leave. Sick leave credits accrue at the rate of eight (8) working hours credit for each completed month of service, as prescribed by County Salary Regulations and Memoranda of Understanding. Employees who work a portion of a month are entitled to a pro rata share of the monthly sick leave credit computed on the same basis as is partial month compensation.

Credits to and charges against sick leave are made in minimum amounts of one minute increments.

Unused sick leave credits accumulate from year to year.

When an employee is separated other than through retirement, accumulated sick leave credits shall be cancelled unless separation is involuntary and related to budget reductions, in which case the employee may petition the County to restore accumulated credits if that employee is reemployed within the period of layoff eligibility.

As of the date of retirement, an employee's accumulated sick leave is converted to retirement on the basis of one day of retirement service credit for each day of accumulated sick leave credit.

9.3 Policies Governing the Use of Paid Sick Leave. As indicated above, the primary purpose of paid sick leave is to ensure employees against loss of pay for temporary absences from work due to illness or injury. The following definitions apply:

Immediate Family means and includes only the spouse, son, stepson, daughter, stepdaughter, father, stepfather, mother, stepmother, brother, sister, grandparent,

SECTION 9 - SICK LEAVE

grandchild, father-in-law, mother-in-law, daughter-in-law, son-in-law, brother-in-law, sister-in-law, foster children, aunt, uncle, niece, nephew, cousin, stepbrother, stepsister, or domestic partner of an employee and/or includes any other person for whom the employee is the legal guardian or conservator, or any person who is claimed as a "dependent" for IRS reporting purposes by the employee.

Employee means any person employed by Contra Costa County in an allocated position in the County service.

Paid Sick Leave Credits means those sick leave credits provided for by County Salary Regulations and memoranda of understanding.

Condition/Reason: With respect to necessary verbal contacts and confirmations which occur between the department and the employee when sick leave is requested or verified, a brief statement in non-technical terms from the employee regarding inability to work due to injury or illness is sufficient.

Accumulated paid sick leave credits may be used, subject to appointing authority approval, by an employee in pay status, but only in the following instances:

- A. Temporary Illness or Injury of an Employee. Paid sick leave credits may be used when the employee is off work because of a temporary illness or injury.
- B. Permanent Disability Sick Leave. Permanent disability means the employee suffers from a disabling physical injury or illness and is thereby prevented from engaging in any County occupation for which the employee is qualified by reason of education, training or experience. Sick leave may be used by permanently disabled employees until all accruals of the employee have been exhausted or until the employee is retired by the Retirement Board, subject to the following conditions:
 - 1. An application for retirement due to disability has been filed with the Retirement Board.
 - 2. Satisfactory medical evidence of such disability is received by the appointing authority within thirty (30) days of the start of use of sick leave for permanent disability.
 - 3. The appointing authority may review medical evidence and order further examination as deemed necessary, and may terminate use of sick leave when such further examination demonstrates that the employee is not disabled, or when the appointing authority determines that the medical evidence submitted by the employee is insufficient, or where the above conditions have not been met.
- C. Communicable Disease. An employee may use paid sick leave credits when under a physician's order to remain secluded due to exposure to a communicable disease.

-
- D. Sick Leave Utilization for Pregnancy Disability. Employees whose disability is caused or contributed to by pregnancy, miscarriage, abortion, childbirth, or recovery there from, shall be allowed to utilize sick leave credit to the maximum accrued by such employee during the period of such disability under the conditions set forth below:
1. Application for such leave must be made by the employee to the appointing authority accompanied by a written statement of disability from the employee's attending physician. The statement must address itself to the employee's general physical condition having considered the nature of the work performed by the employee, and it must indicate the date of the commencement of the disability as well as the date the physician anticipates the disability to terminate.
 2. If an employee does not apply for leave and the appointing authority believes that the employee is not able to properly perform her work or that her general health is impaired due to disability caused or contributed to by pregnancy, miscarriage, abortion, childbirth or recovery there from the employee shall be required to undergo a physical examination by a physician selected by the County. Should the medical report so recommend, a mandatory leave shall be imposed upon the employee for the duration of the disability.
 3. If all accrued sick leave has been utilized by the employee, the employee shall be considered on an approved leave without pay unless the employee chooses to use vacation or other non-sick leave accruals.
- E. Medical and Dental Appointments. An employee may use paid sick leave credits:
1. For working time used in keeping medical and dental appointments for the employee's own care; and
 2. For working time used by an employee for prescheduled medical and dental appointments for an immediate family member.
- F. Emergency Care of Family. An employee may use paid sick leave credits for working time used in cases of illness or injury to an immediate family member.
- G. Death of Family Member. An employee may use paid sick leave credits for working time used because of a death in the employee's immediate family or of the employee's domestic partner, but this shall not exceed three working days, plus up to two days of work time for necessary travel. Use of additional accruals including sick leave when appropriate may be authorized in conjunction with the bereavement leave at the discretion of the appointing authority.
- H. Baby/Child Bonding. To bond with the employee's newborn or placement of a child in an employee's family through adoption or foster care, an employee eligible for baby/child bonding leave pursuant to the Family and Medical Leave

SECTION 9 - SICK LEAVE

Act (FMLA) and California Family Rights Act (CFRA) may use sick leave credits for such baby/child bonding.

- I. Accumulated paid sick leave credits may not be used in the following situations:
 1. Vacation. Paid sick leave credits may not be used for an employee's illness or injury which occurs while he/she is on vacation but the County Administrator may authorize it when extenuating circumstances exist and the appointing authority approves.
 2. Not in Pay Status. Paid sick leave credits may not be used when the employee would otherwise be eligible to use paid sick leave credits but is not in pay status.

9.4 Administration of Sick Leave. The proper administration of sick leave is a responsibility of the employee and the department head. Unless otherwise provided in the supplemental sections of this MOU, the following procedures apply:

A. Employee Responsibilities

1. Employees are responsible for notifying their department of an absence prior to the commencement of their work shift or as soon thereafter as possible. Notification shall include the reason and possible duration of the absence.
2. Employees are responsible for keeping their department informed on a continuing basis of their condition and probable date of return to work.
3. Employees are responsible for obtaining advance approval from their supervisor for the scheduled time of pre-arranged personal or family medical and dental appointment.
4. Employees are encouraged to keep the department advised of (1) a current telephone number to which sick leave related inquiries may be directed, and (2) any condition(s) and/or restriction(s) that may reasonably be imposed regarding specific locations and/or persons the department may contact to verify the employee's sick leave.

B. Department Responsibilities. The use of sick leave may properly be denied if these procedures are not followed. Abuse of sick leave on the part of the employee is cause for disciplinary action. Departmental approval of sick leave is a certification of the legitimacy of the sick leave claim. The department head or designee may make reasonable inquiries about employee absences. The department may require medical verification for an absence of three (3) or more working days. The department may also require medical verification for absences of less than three (3) working days for probable cause if the employee had been notified in advance in writing that such verification was necessary. Inquiries may be made in the following ways:

-
1. Calling the employee's residence telephone number or other contact telephone number provided by the employee if telephone notification was not made in accordance with departmental sick leave call-in guidelines. These inquiries shall be subject to any restrictions imposed by the employee.
 2. Obtaining the employee's signature on the Absence/Overtime Record, or on another form established for that purpose, as employee certification of the legitimacy of the claim.
 3. Obtaining the employee's written statement of explanation regarding the sick leave claim.
 4. Requiring the employee to obtain a physician's certificate or verification of the employee's illness, date(s) the employee was incapacitated, and the employee's ability to return to work, as specified above.
 5. In absences of an extended nature, requiring the employee to obtain from their physician a statement of progress and anticipated date on which the employee will be able to return to work, as specified above.

Department heads are responsible for establishing timekeeping procedures which will insure the submission of a time card covering each employee absence and for operating their respective offices in accordance with these policies and with clarifying regulations issued by the Office of the County Administrator.

To help assure uniform policy application, the Human Resources Director or designated management staff of the County Human Resources Department should be contacted with respect to sick leave determinations about which the department is in doubt.

9.5 Disability.

- A. An employee physically or mentally incapacitated for the performance of duty is subject to dismissal, suspension or demotion, subject to the County Employees Retirement Law of 1937. An appointing authority after giving notice may place an employee on leave if the appointing authority has filed an application for disability retirement for the employee, or whom the appointing authority believes to be temporarily or permanently physically or mentally incapacitated for the performance of the employee's duties.
- B. An appointing authority who has reasonable cause to believe that there are physical or mental health conditions present in an employee which endanger the health or safety of the employee, other employees, or the public, or which impair the employee's performance of duty, may order the employee to undergo at County expense and on the employee's paid time a physical, medical examination by a licensed physician and/or a psychiatric examination by a

SECTION 9 - SICK LEAVE

- licensed physician or psychologist, and receive a report of the findings on such examination. If the examining physician or psychologist recommends that treatment for physical or mental health problems, including leave, are in the best interests of the employee or the County in relation to the employee overcoming any disability and/or performing his or her duties the appointing authority may direct the employee to take such leave and/or undergo such treatment.
- C. Leave due to temporary or permanent disability shall be without prejudice to the employee's right to use sick leave, vacation, or any other benefit to which the employee is entitled other than regular salary. The Human Resources Director may order lost pay restored for good cause and subject to the employee's duty to mitigate damages.
- D. Before an employee returns to work from any absence for illness or injury, other leave of absence or disability leave, exceeding two weeks in duration, the appointing authority may order the employee to undergo at County expense a physical, medical, and/or psychiatric examination by a licensed physician, and may consider a report of the findings on such examination. If the report shows that such employee is physically or mentally incapacitated for the performance of duty, the appointing authority may take such action as he/she deems necessary in accordance with appropriate provisions of this MOU.
- E. Before an employee is placed on an unpaid leave of absence or suspended because of physical or mental incapacity under (A) or (B) above, the employee shall be given notice of the proposed leave of absence or suspension by letter or memorandum, delivered personally or by certified mail, containing the following:
1. a statement of the leave of absence or suspension proposed;
 2. the proposed dates or duration of the leave or suspension which may be indeterminate until a certain physical or mental health condition has been attained by the employee;
 3. a statement of the basis upon which the action is being taken;
 4. a statement that the employee may review the materials upon which the action is taken;
 5. a statement that the employee has until a specified date (not less than seven (7) workdays from personal delivery or mailing of the notice) to respond to the appointing authority orally or in writing.
- F. Pending response to the notice the appointing authority for cause specified in writing may place the employee on a temporary leave of absence, with pay.
- G. The employee to whom the notice has been delivered or mailed shall have seven (7) workdays to respond to the appointing authority either orally or in writing before the proposed action may be taken.

-
- H. After having complied with the notice requirements above, the appointing authority may order the leave of absence or suspension in writing stating specifically the basis upon which the action is being taken, delivering the order to the employee either personally or by certified mail, effective either upon personal delivery or deposit in the U.S. Postal Service.
- I. An employee who is placed on leave or suspended under this section may, within ten (10) calendar days after personal delivery or mailing to the employee of the order, appeal the order in writing through the Director of Human Resources to the Merit Board. Alternatively, the employee may file a written election with the Director of Human Resources waiving the employee's right to appeal to the Merit Board in favor of appeal to a Disability Review Arbitrator.
- J. In the event of an appeal either to the Merit Board or the Disability Review Arbitrator, the employee has the burden of proof to show that either:
1. the physical or mental health condition cited by the appointing authority does not exist, or
 2. the physical or mental health condition does exist, but it is not sufficient to prevent, preclude, or impair the employee's performance of duty, or is not sufficient to endanger the health or safety of the employee, other employees, or the public.
- K. If the appeal is to the Merit Board, the order and appeal shall be transmitted by the Director of Human Resources to the Merit Board for hearing under the Merit Board's Procedures, Section 1114-1128 inclusive. Medical reports submitted in evidence in such hearings shall remain confidential information and shall not be a part of the public record.
- L. If the appeal is to a Disability Review Arbitrator, the employee (and his/her representative) will meet with the County's representative to mutually select the Disability Review Arbitrator, who may be a de facto arbitrator, or a physician, or a rehabilitation specialist, or some other recognized specialist mutually selected by the parties. The arbitrator shall hear and review the evidence. The decision of the Disability Review Arbitrator shall be binding on both the County and the employee.

Scope of the Arbitrator's Review.

1. The arbitrator may affirm, modify or revoke the leave of absence or suspension.
2. The arbitrator may make his/her decision based only on evidence submitted by the County and the employee.
3. The arbitrator may order back pay or paid sick leave credits for any period of leave of absence or suspension if the leave or suspension is found not to be sustainable, subject to the employee's duty to mitigate damages.

4. The arbitrator's fees and expenses shall be paid one-half by the County and one-half by the employee or employee's association.
- M. It is understood that the benefits specified in Section 9 – Sick Leave and Section 9.6 – Workers' Compensation shall be coordinated with the rehabilitation program as determined by the labor-management committee.
- N. No employee who has been granted a leave without pay or unpaid military leave shall accrue any sick leave credits during the time of such leave, nor shall an employee who is absent without pay accrue sick leave credits during the absence.

9.6 Workers' Compensation.

- A. **Workers' Compensation and Continuing Pay:** For all accepted workers' compensation claims filed with the County during calendar year 2007, employees will receive eighty percent (80%) of their regular monthly salary during any period of compensable temporary disability not to exceed one (1) year. For all accepted workers' compensation claims filed with the County on or after January 1, 2008, employees will receive seventy-five percent (75%) of their regular monthly salary during any period of compensable temporary disability not to exceed one (1) year. Pay based on accepted workers' compensation claims filed before January 1, 2007, but after December 31, 1999, will be paid as provided in Resolution No. 2006/22. Pay based on accepted workers' compensation claims filed before January 1, 2000, will be paid as provided in resolution No. 96/488. If workers' compensation benefits become taxable income, the County will restore the former benefit level, one hundred percent (100%) of regular monthly salary.
- B. **Waiting Period:** There is a three (3) calendar day waiting period before workers' compensation benefits commence. If the injured worker loses any time on the date of injury, that day counts as day one (1) of the waiting period. If the injured worker does not lose time on the date of the injury, the waiting period is the first three (3) days following the date of the injury. The time the employee is scheduled to work during this waiting period will be charged to the employee's sick leave and/or vacation accruals. In order to qualify for workers' compensation the employee must be under the care of a physician. Temporary compensation is payable on the first three (3) days of disability when the injury necessitates hospitalization, or when the disability exceeds fourteen (14) days.
- C. **Continuing Pay:** A permanent employee will receive the applicable percentage of regular monthly salary in lieu of workers' compensation during any period of compensable temporary disability not to exceed one year. "Compensable temporary disability absence" for the purpose of this Section, is any absence due to work-connected disability which qualifies for temporary disability compensation under workers' compensation law set forth in Division 4 of the California Labor Code. When any disability becomes medically permanent and stationary, the salary provided by this Section will terminate. No charge will be made against sick leave or vacation for these salary payments. Sick leave and vacation rights

do not accrue for those periods during which continuing pay is received. Employees are entitled to a maximum of one (1) year of continuing pay benefits for any one injury or illness.

Continuing pay begins at the same time that temporary workers' compensation benefits commence and continues until either the member is declared medically permanent/stationary, or until one (1) year of continuing pay, whichever comes first, provided the employee remains in an active employed status. Continuing pay is automatically terminated on the date an employee is separated from County service by resignation, retirement, layoff, or the employee is no longer employed by the County. In these instances, employees will be paid workers' compensation benefits as prescribed by workers' compensation laws. All continuing pay must be cleared through the County Administrator's Office, Risk Management Division.

- D. **Physician Visits:** Whenever an employee who has been injured on the job and has returned to work is required by an attending physician to leave work for treatment during working hours, the employee is allowed time off, up to three (3) hours for such treatment, without loss of pay or benefits. Said visits are to be scheduled contiguous to either the beginning or end of the scheduled workday whenever possible. This provision applies only to injuries/illnesses that have been accepted by the County as work related.
- E. **Method of Integration:** An employee's sick leave and/or vacation charges will be calculated as follows:

C = $8 [1 - (W \div S)]$
C = Sick leave or vacation charge per day (in hours)
W = Statutory Workers' Compensation for a month
S = Monthly salary

For example:

W = \$960 per month Workers' Compensation
S = \$1,667 per month salary
8 = 8 hours
C = Hours to be charged to Sick Leave
C = $8 [1 - (\$960 \div \$1,667)]$
C = $8 [1 - (.5758)]$
C = $8 (.4242)$
C = 3.39

3 hours chargeable to sick leave
5 hours chargeable to Workers' Compensation

SECTION 10 – LEAVE OF ABSENCE

10.1 Leave Without Pay. Any employee who has permanent status may be granted a leave of absence without pay upon written request, approved by the appointing

SECTION 10 – LEAVE OF ABSENCE

authority. Leaves under the Pregnancy Disability Leave Act (PDL), Family and Medical Leave Act (FMLA), and California Family Rights Act (CFRA) will be considered in accordance with applicable state and federal law, and Section 10.4.

10.2 General Administration – Leave of Absence (Non Statutory). Requests for leave of absence without pay shall be made in writing and shall state specifically the reason for the request, the date when it is desired to begin the leave, and the probable date of return.

- A. Leave without pay may be granted for any of the following reasons that are not otherwise covered by FMLA, CFRA, and PDL:
 - 1. Employee's own illness, disability, or serious health condition;
 - 2. Pregnancy or pregnancy disability;
 - 3. To bond with the employee's newborn or with a child who is placed in an employee's family for adoption or foster care;
 - 4. Family care to care for a spouse, child, parent, or domestic partner who has a serious health condition;
 - 5. To take a course of study such as will increase the employee's usefulness on return to the employee's position.
 - 6. For other reasons or circumstances acceptable to the appointing authority.
- B. An employee must request a leave of absence at least thirty (30) days before the leave is to begin if the need for the leave is foreseeable. If the need is not foreseeable, the employee must provide written notice to the employer of the need for leave as soon as possible and practical.
- C. A leave may be for a period not to exceed one (1) year, provided the appointing authority may extend such leave for additional periods. Procedure in granting extensions shall be the same as that in granting the original leave, provided that the request for extensions must be made no later than thirty (30) calendar days before the expiration of the original leave.
- D. Whenever an employee who has been granted a leave of absence desires to return before the expiration of such leave, the employee shall provide notice to the appointing authority in writing at least two (2) days in advance of the proposed return. The Human Resources Department shall be notified promptly of such return.
- E. When a request for leave is denied, the employee's supervisor will provide the employee with written reason(s) for the denial. The reason(s) for the denial must be reasonable and business-related. The decision of the appointing authority to deny leave or early return from leave shall be subject to appeal to the Director of Human Resources and not subject to appeal through the grievance procedure

set forth in this MOU.

- 10.3 Military Leave.** Any employee who is ordered to serve as a member of the State Militia or the United States Army, Navy, Air Force, Marine Corps, Coast Guard or any division thereof shall be granted a military leave for the period of such service, plus ninety (90) days. Additionally, any employee who volunteers for service during a mobilization under Executive Order of the President or Congress of the United States and/or the State Governor in time of emergency shall be granted a leave of absence in accordance with applicable federal or state laws. Upon the termination of such service or upon honorable discharge, the employee shall be entitled to return to their position in the classified service provided such still exists and the employee is otherwise qualified, without any loss of standing of any kind whatsoever.

An employee who has been granted a military leave shall not, by reason of such absence, suffer any loss of vacation, holiday, or sick leave privileges which may be accrued at the time of such leave, nor shall the employee be prejudiced thereby with reference to salary adjustments or continuation of employment. For purposes of determining eligibility for salary adjustments or seniority in case of layoff or promotional examination, time on military leave shall be considered as time in County service.

Any employee who has been granted a military leave, may upon return, be required to furnish such evidence of performance of military service or of honorable discharge as the Human Resources Director may deem necessary.

10.4 Leaves Pursuant to Family and Medical Leave Act (FMLA), California Family Rights Act (CFRA), & Pregnancy Disability Leave Act (PDL).

- A. FMLA: Upon request to the appointing authority, any employee who meets the legal eligibility requirements for FMLA shall be entitled to at least twelve (12) weeks of FMLA, which will be extended for up to an additional six (6) weeks of leave with the same FMLA protections, for a total of eighteen (18) weeks during a rolling twelve (12) month period (measured backward from the date an employee uses any FMLA leave), less if so requested by the employee, for a qualifying reason in accordance with federal laws. FMLA leave will run concurrently with CFRA and PDL leaves to the extent permitted by law.
- B. CFRA: Upon request of the appointing authority, any employee who meets the legal eligibility requirements for CFRA shall be entitled to at least twelve (12) weeks of CFRA leave during a rolling twelve (12) month period, measured backward from the date an employee uses any CFRA leave (less if so requested by the employee), for a qualifying reason in accordance with state law. CFRA leave will run concurrently with FMLA leave to the extent permitted by law, except that CFRA leave will not run concurrently with pregnancy disability leave under the PDL.

SECTION 10 – LEAVE OF ABSENCE

- C. PDL: Upon request of the appointing authority, any employee who meets the legal eligibility requirements for PDL shall be entitled to up to four (4) months of PDL as provided in state law

10.5 Medical Certification. The employee may be asked to provide medical certification of the need for family care, pregnancy disability, or medical leave pursuant to 10.2.A. above, or for FMLA, CFRA and/or PDL. Leave for periods of family care, pregnancy disability, or medical leave that are not covered by the FMLA, CFRA, or PDL, or that exceed the leave allowed under the FMLA, CFRA, and/or PDL, may be granted at the discretion of the appointing authority.

10.6 Intermittent Use of Leave. The FMLA/CFRA/PDL entitlement may be in broken periods, intermittently on a regular or irregular basis, or may include reduced work schedules depending on the specific circumstances and situations surrounding the request for leave.

The leave may include use of appropriate available paid leave accruals when accruals are used to maintain pay status, but use of such accruals is not required beyond that specified in Section 10.11 – Leave Without Pay – Use of Accruals below. When paid leave accruals are used for FMLA, CFRA, and/or PDL, such time shall be counted as a part of the leave entitlement.

10.7 Aggregate Use for Spouses. For FMLA only, in the situation where husband and wife are both employed by the County, the family care or medical leave entitlement based on the birth, adoption or foster care of a child is limited to an aggregate for both employees together of eighteen (18) weeks in a “rolling” twelve (12) month period, measured backward from the date the employee uses any FMLA leave. Employees requesting FMLA leave for this purpose are required to advise their appointing authority(ies) when their spouse is also employed by the County.

10.8 Definitions. For medical and family care leaves of absence under Section 10.2.A, the following definitions apply. FMLA, CFRA, and PDL definitions will be as set forth in state and federal laws.

a. Child: A biological, adopted, or foster child, stepchild, legal ward, conservatee or a child who is under eighteen (18) years of age for whom an employee stands in loco parentis or for whom the employee is the guardian or conservator, or an adult dependent child of the employee.

b. Parent: A biological, foster, or adoptive parent, a step-parent, legal guardian, conservator, or other person standing in loco parentis to a child.

c. Spouse: A partner in marriage as defined in California Family Code Section 300.

d. Domestic Partner: An unmarried person, eighteen (18) years or older, to whom the employee is not related and with whom the employee resides and shares the common necessities of life.

e. Serious Health Condition: An illness, injury, impairment, or physical or mental condition which warrants the participation of a family member to provide care during a period of treatment or supervision and involves either inpatient care in a hospital, hospice or residential health care facility or continuing treatment or continuing supervision by a health care provider (e.g. physician or surgeon) as defined by state and federal law.

f. Certification for Medical Leave: When requesting medical leave (including FMLA/CFRA leave) for the employee or employee's family member, the employee must provide a written medical certification from a health care provider of a person for whose care the leave is being taken or for the employee's own serious health condition, which need not identify the diagnosis or serious health condition involved, but shall contain:

1. the date, if known, on which the serious health condition commenced;
2. the probable duration of the condition;
3. for family care, an estimate of the frequency and duration of the leave required to render care or supervision for the family member;
4. for an employee's serious health condition, a statement whether the employee is able to work, or is unable to perform one or more of the essential functions of their position;
5. if for intermittent leave or a reduced work schedule leave, the certification should indicate the intermittent leave or reduced work schedule is needed for the employee's serious health condition or for the care of the employee's family member, and its expected duration.

10.9 Group Health Plan Coverage. Employees who were members of one of the group health plans prior to commencement of their leave of absence can maintain their health plan coverage with the County contribution by maintaining their employment in pay status as described in Section 10.11 – Leave Without Pay – Use of Accruals, below. During the approved FMLA, CFRA, or PDL leave, the County will continue its contribution for such health plan coverage even if accruals are not available for use to maintain pay status as required under Section 10.11 – Leave Without Pay – Use of Accruals. In order to maintain such coverage, employees are required to pay timely the full employee contribution to maintain their group health plan coverage, either through payroll deduction or by paying the County directly.

10.10 Unauthorized Absence. An unauthorized absence from the work site or failure to report for duty after a leave request has been disapproved, revoked, or

SECTION 10 – LEAVE OF ABSENCE

cancelled by the appointing authority, or at the expiration of the leave, shall be without pay. Such absence may also be grounds for disciplinary action.

10.11 Leave Without Pay - Use of Accruals.

- A. All Leaves of Absence. During the first twelve (12) month period of any leave of absence without pay, an employee may elect to maintain pay status each month by using available sick leave (if so entitled under Section 9.3 - Policies Governing the Use of Paid Sick Leave), vacation, floating holiday, compensatory time off or other accruals or entitlements; in other words, during the first twelve (12) months, a leave of absence without pay may be "broken" into segments and accruals used on a monthly basis at the employee's discretion. After the first twelve (12) months, the leave period may not be "broken" into segments and accruals may not be used, except when required by SDI/Sick Leave Integration or as provided in the sections below.
- B. Sick leave accruals may not be used during any leave of absence, except as allowed under Section 9.3 - Policies Governing the Use of Paid Sick Leave.

10.12 Leave of Absence Replacement and Reinstatement.

- A. Non-Statutory Leaves: Any permanent employee who requests reinstatement to the classification held by the employee in the same department at the time the employee was granted a leave of absence, shall be reinstated to a position in that classification and department, and then only on the basis of seniority. In case of severance from service by reason of the reinstatement of a permanent employee, the provisions of Section 7 – Workforce Reduction/Layoff/Reassignment shall apply.
- B. Statutory Leaves: An employee's right to reinstatement to the same or equivalent position at the end of an FMLA, CFRA, or PDL leave will be provided for in accordance with the applicable law(s).

10.13 Salary Review While on Leave of Absence. The salary of an employee who is on a leave of absence from a County position on any anniversary date and who has not been absent from the position on leave without pay more than six (6) months during the preceding year shall be reviewed on the anniversary date. Employees on military leave shall receive salary increments that may accrue to them during the period of military leave.

10.14 Furlough Days Without Pay. Subject to the prior written approval of the appointing authority, employees may elect to take furlough days or hours without pay (pre-authorized absence without pay), up to a maximum of fifteen (15) calendar days for any one period. Longer pre-authorized absences without pay are considered leaves of absence without pay. Employees who take furlough time shall have their compensation for the portion of the month worked computed in accord with Section 5.6 –

Compensation for Portion of Month of this MOU. Full time and part time employees who take furlough time shall have their vacation, sick leave, floating holiday and any other payroll-computed accruals computed as though they had worked the furlough time. When computing vacation, sick leave, floating holiday and other accrual credits for employees taking furlough time, this provision shall supersede Section 6.2 – Holidays, Subsection 6.1.b., Section 8 – Vacation Allowance, and Section 9 – Sick Leave, of this MOU regarding the computation of vacation, sick leave, floating holiday and other accrual credits as regards furlough time only. For payroll purposes, furlough time (absence without pay with prior authorization of the appointing authority) shall be reported separately from other absences without pay to the Auditor-Controller. The existing VTO program shall be continued for the life of the contract.

SECTION 11 - JURY DUTY AND WITNESS DUTY

11.1 Jury Duty. For purposes of this Section, jury duty shall be defined as any time an employee is obligated to report to the court.

- A. When called for jury duty, County employees, like other citizens, are expected to discharge their jury duty responsibilities.
- B. Employees shall advise their department as soon as possible if scheduled to appear for jury duty.
- C. If summoned for jury duty in a Superior, Federal Court, or for a Coroner's jury, employees may remain in their regular pay status, or they may take paid leave (vacation, floating holiday, etc.) or leave without pay and retain all fees and expenses paid to them.
- D. When an employee is summoned for jury duty selection or is selected as a juror in a Superior or Federal Court, employees may remain in a regular pay status if they waive all fees (other than mileage), regardless of shift assignment and the following shall apply:
 - 1. If an employee elects to remain in a regular pay status and waive or surrender all fees (other than mileage allowances), the employee shall obtain from the Clerk or Jury Commissioner a certificate indicating the days attended and noting that fees other than mileage are waived or surrendered. The employee shall furnish the court certificate to his/her department where it shall be retained as a department record. No "Absence/Overtime Record" must be submitted to the department payroll clerk.
 - 2. An employee who elects to retain all fees must take leave (vacation, floating holiday, etc.) or leave without pay. No court certificate is required but an "Absence/Overtime Record" must be submitted to the department payroll clerk.

SECTION 12 – Medical, Dental & Life Insurance

- E. Employees are not permitted to engage in any employment regardless of shift assignment or occupation before or after daily jury service that would affect their ability to properly serve as jurors.
- F. An employee on short notice standby to report to court, whose job duties make short notice response impossible or impractical, shall be given alternate work assignments for those days to enable them to respond to the court on short notice.
- G. When an employee is required to serve on jury duty, the County will adjust that employee's work schedule to coincide with a Monday to Friday schedule for the remainder of their service, unless the employee requests otherwise. Participants in 9/80 or 4/10 work schedules will not receive overtime or compensatory time credit for jury duty on their scheduled days off.
- H. Permanent-intermittent employees are entitled to paid jury duty leave only for those days on which they were previously scheduled to work.

11.2 Witness Duty. Employees called upon as a witness or an expert witness in a case arising in the course of their work or the work of another department may remain in their regular pay status and turn over to the County all fees and expenses paid to them other than mileage allowance or they may take vacation leave or leave without pay and retain all fees and expenses. Part-time employees who give depositions on a regular day off will be paid at the straight time rate. Scheduling of depositions which would incur premium pay shall be at the discretion of the appointing authority or designee.

Employees called to serve as witnesses in private cases or personal matters (e.g., accident suits and family relations) shall take vacation leave or leave without pay and retain all witness fees paid to them.

Retention or waiver of fees shall be governed by the same provisions as apply to jury duty as set forth above. Employees shall advise their department as soon as possible if scheduled to appear for witness duty. Permanent-intermittent employees are entitled to paid witness duty only for those days on which they were previously scheduled to work.

SECTION 12 – Medical, Dental & Life Insurance

12.1 Health Plan Coverages. The County will provide the medical and dental coverage for permanent employees regularly scheduled to work twenty (20) or more hours per week and for their eligible family members, expressed in one of the Medical Plan contracts and one of the Dental Plan contracts between the County and the following providers:

1. Contra Costa Health Plans (CCHP)
2. Kaiser Permanente Health Plan
3. Health Net
4. Delta Dental

Medical Plans:

All employees will have access to the following medical plans:

1. CCHP Plan A & Plan B

3. Health Net HMO Plan A & Plan B
4. Health Net PPO Plan A
5. Kaiser High Deductible Health Plan

Health Net PPO Plan B was eliminated for all employees beginning January 1, 2018.

In the event that one of the medical plans listed above meets the criteria for a high cost employer-sponsored health plan that may be subject to an excise penalty (a.k.a. Cadillac Tax) under the federal Patient Protection and Affordable Care Act ("ACA") (42 U.S.C. § 18081), the Joint Labor/Management Benefit Committee will meet to consider plan design and other changes in an effort to mitigate the negative impact of the excise penalty. If the Committee is unable to make sufficient plan changes and the plan(s) continue to meet the criteria for high cost employer-sponsored health plan(s), such plan(s) will be eliminated for all employees beginning January 1, 2018.

12.2 Monthly Premium Subsidy:

- A. The monthly premium subsidy in effect on January 1, 2015, for each medical and/or dental plan, is a set dollar amount and is not a percentage of the premium charged by the plan. The County will pay the following monthly premium subsidy:

Health & Dental Plans	Employee	Employee +1 Dependent	Employee +2 or More Dependents
Contra Costa Health Plans (CCHP), Plan A	\$509.92	\$1,214.90	\$1,214.90

- B. If the County contracts with a health or dental plan that is not listed above, the County will determine the monthly dollar premium subsidy that it will pay to that health plan for employees and their eligible family members.

SECTION 12 – Medical, Dental & Life Insurance

- C. In the event that the County premium subsidy amounts are greater than one hundred percent (100%) of the applicable premium of any health or dental plan, for any plan year, the County's contribution will not exceed one hundred percent (100%) of the applicable plan premium.
- D. Joint Labor/Management Benefit Committee.
 - 1. The Unions and County agree to create a Joint Labor/Management Benefit Committee ("Benefit Committee"). The Benefit Committee will be composed of two (2) representatives (not including Union/Association staff) from each Union/Association in the County and Management representatives to be determined. The Benefit Committee replaces the existing Healthcare Oversight Committee. The existing Healthcare Coalition will remain but may meet quarterly. The Benefit Committee will convene no later than February 1, 2016, after ratification of this Agreement.
 - 2. The Benefit Committee will convene in order to 1) select a replacement medical or dental plan in the event that a plan listed in this Section 20 is no longer available; 2) design a wellness program; 3) discuss future medical, dental, or vision plan design; or 4) assess the future impact of any excise tax pursuant to the federal Patient Protection and Affordable Care Act ("ACA") (42 U.S.C § 18081) on any high cost medical plans offered by the County. If the Benefit Committee is selecting a replacement medical or dental plan for a plan that is no longer available, the selection must be unanimously agreed upon by the Union/Association representatives on the Committee and any such selected plan will be available to employees represented by the Unions and incorporated into their respective MOUs after ratification by each Union/Association.
 - 3. Immediately upon adoption of an overall contract extension package agreement, the County and the Coalition Union/Association Benefit Committee representatives will work together as equal partners to 1) identify a new medical plan carrier to replace Health Net, and 2) explore the costs of CalPERS Health and other plan options including but not limited to the SEIU Taft-Hartley Trust plans as possible future replacements with the goal of beginning with the 2020 plan year. Any replacement plans selected must not increase the County's retiree health costs.
 - 4. The new medical plan carrier that will replace Health Net must include an HMO plan and one plan providing out-of-network provider coverage.
 - 5. Once all nine (9) Coalition Union/Association representatives on the Benefit Committee and the County have agreed on the new medical plan carrier to replace Health Net, the new medical plan will replace Health Net for all Coalition Unions/Associations the following January 1.
 - 6. Each year, County will coordinate a team composed of the County, the County's benefits consultant, and Union/Association Benefit Committee representatives to work as equal partners to provide input for the annual negotiations with the medical plan providers over the plan premiums for the next plan year. The team

will have authority to make information requests, request and observe presentations by the County's healthcare consultant regarding premium rates and ask questions, and help guide the strategy of the County in the annual negotiations.

7. County and Unions/Associations of the Coalition will jointly work to educate employees regarding the cost benefits of lower cost plans, including the Kaiser High Deductible Health Plan.
8. County and Union/Association Benefit Committee representatives will jointly work as equal partners to seek plan design changes across all plans that would reduce costs and improve quality of care.
9. During the term of the 2022-2026 MOU, the parties will utilize the existing Joint Labor/Management Benefit Committee as a forum for exploring the options for a healthcare trust or savings vehicle for retirement. The County Benefits Manager, Human Resources Director, and relevant benefits consultants will participate in these discussions.

12.3 Retirement Coverage:

A. Upon Retirement:

1. Upon retirement, eligible employees and their eligible family members may remain in their County health/dental plan, but without County-paid life insurance coverage, if immediately before their proposed retirement the employees and dependents are either active subscribers to one of the County contracted health/dental plans or if while on authorized leave of absence without pay, they have retained continuous coverage during the leave period. The County will pay the health/dental plan monthly premium subsidies set forth in Section 12.2 (A) for eligible retirees and their eligible family members.
2. Any person who becomes age 65 on or after January 1, 2009, and who is eligible for Medicare must immediately enroll in Medicare Parts A and B.
3. For employees hired on or after January 1, 2009, and their eligible family members, no monthly premium subsidy will be paid by the County for any health or dental plan after they separate from County employment. However, any such eligible employee who retires under the Contra Costa County Employees' Retirement Association ("CCCERA") may retain continuous coverage of a county health and/or dental plan provided that (i) he or she begins to receive a monthly retirement allowance from CCCERA within 120 days of separation from County employment and (ii) he or she pays the full premium cost under the health and/or dental plan without any County premium subsidy.
4. If an employee was eligible for a retiree health benefit subsidy from the County immediately prior to entering into a classification represented by

- B. Employees Who File For Deferred Retirement: Employees, who resign and file for a deferred retirement and their eligible family members, may continue in their County group health and/or dental plan under the following conditions and limitations.
1. Health and dental coverage during the deferred retirement period is totally at the expense of the employee, without any County contributions.

 - b. be an active member of a County group health and/or dental plan at the time of filing their deferred retirement application and elect to continue plan benefits;
 - c. be eligible for a monthly allowance from the Retirement System and direct receipt of a monthly allowance within twenty-four (24) months of application for deferred retirement; and
 - d. file an election to defer retirement and to continue health benefits hereunder with the County Benefits Division within thirty (30) days before separation from County service.
 4. Deferred retirees who elect continued health benefits hereunder and their eligible family members may maintain continuous membership in their County health and/or dental plan group during the period of deferred retirement by paying the full premium for health and dental coverage on or before the 10th of each month, to the Contra Costa County Human Resources Department-Employee Benefits Division. When the deferred retirees begin to receive retirement benefits, they will qualify for the same health and/or dental coverage pursuant to subsection (A) above, as similarly situated retirees who did not defer retirement.
 5. Deferred retirees may elect retiree health benefits hereunder without electing to maintain participation in their County health and/or dental plan during their deferred retirement period. When they begin to receive retirement benefits, they will qualify for the same health and/or dental coverage pursuant to subsection (A) above, as similarly situated retirees who did not defer retirement, provided reinstatement to a County group health and/or dental plan will only occur following a three (3) full calendar month waiting period after the month in which their retirement allowance commences.
 6. Employees who elect deferred retirement will not be eligible in any event for County health and/or dental plan subvention unless the member draws

a monthly retirement allowance within twenty-four (24) months after separation from County service.

7. Deferred retirees and their eligible family members are required to meet the same eligibility provisions for retiree health/dental coverage as similarly situated retirees who did not defer retirement.
- C. Employees Hired After December 31, 2006 - Eligibility for Retiree Health Coverage: All employees hired after December 31, 2006 are eligible for retiree health/dental coverage pursuant to subsections (A) and (B), above, upon completion of fifteen (15) years of service as an employee of Contra Costa County. For purposes of retiree health eligibility, one year of service is defined as one thousand (1,000) hours worked within one anniversary year.

The existing method of crediting service while an employee is on an approved leave of absence will continue for the duration of this Agreement.

- D. Subject to the provisions of Section 12.3 subparts (A), (B), and (C) and upon retirement the following employees (and their eligible family members) are eligible to receive a monthly premium subsidy for health and dental plans or are eligible to retain continuous coverage of such plans: each employee who retires from a position or classification that was represented by this bargaining unit at the time of his or her retirement.
- E. For purposes of this Section 12.3 only, "eligible family members" does not include Survivors of employees or retirees.

12.4 Layoff and Other Loss of Coverage:

- A. If a husband and wife both work for the County and one (1) of them is laid off, the remaining employee, if eligible, will be allowed to enroll or transfer into the health and/or dental coverage combination of his/her choice.
- B. An eligible employee who loses medical or dental coverage through a spouse or partner not employed by the County will be allowed to enroll or transfer into the County health and/or dental plan of his/her choice within thirty (30) days of the date coverage is no longer afforded under the spouse's plan.

12.5 Health Plan Coverages and Provisions: The following provisions are applicable to County Health and Dental Plan participation:

- A. Employee Contribution Deficiencies: The County's contributions to the Health Plan and/or Dental Plan premiums are payable for any month in which the employee is paid. If an employee's compensation in any month is not sufficient to pay the employee share of the premium, the employee must make up the difference by remitting the unpaid amount to the Auditor-Controller. The responsibility for this payment rests solely with the employee.

SECTION 12 – Medical, Dental & Life Insurance

- B. Leave of Absence: The County will continue to pay the County shares of health and/or dental plan premiums for enrolled employees who are on an approved paid or unpaid leave of absence for a period of thirty (30) days or more provided the employee's share of the premiums are paid by the employee.
- C. Coverage Upon Separation: An employee who separates from County employment is covered by his/her County health and/or dental plan through the last day of the month in which he/she separates. Employee +2 or Mores Dependent	\$60.00

5. In the event of a reduction in the premium for the second lowest priced non-deductible HMO plan, the County will pay the premium subsidy for medical plans that the County paid in the previous plan year.
- F. Beginning 2022, the County will review technological advancements in the area of benefits administration and consider asking any eligible employee who waives County health insurance to provide proof of other health insurance coverage.
- G. In June of 2024, once the premium rates for the 2025 Plan Year are known, the Union may request to reopen negotiations on the subject of health care. Unless otherwise agreed to by the parties, the topics for the reopener will be limited to the medical and dental plan design, as well as County and employee subsidies.

SECTION 12 – Medical, Dental & Life Insurance

12.8 Dual Coverage:

- A. Each employee and retiree may be covered by only a single County health (or dental) plan, including a CalPERS plan. For example, a County employee may be covered under a single County health and/or dental plan as either the primary insured or the dependent of another County employee or retiree, but not as both the primary insured and the dependent of another County employee or retiree.
- B. All dependents, as defined in Section 12.6 - Family Member Eligibility Criteria, may be covered by the health and/or dental plan of only one spouse or one domestic partner. For example, when both parents are County employees, all of their eligible children may be covered as dependents of either the parent, but not both.
- C. For purposes of this Section 12.8 - Dual Coverage only, “County” includes the County of Contra Costa and all special districts governed by the Board of Supervisors, including but not limited to, the Contra Costa County Fire Protection District.

12.9 Life Insurance Benefit Under Health and Dental Plans: For employees who are enrolled in the County’s program of medical or dental coverage as either the primary or the dependent, term life insurance in the amount of ten thousand dollars (\$10,000) will be provided by the County.

12.10 Supplemental Life Insurance: In addition to the life insurance benefits provided by this resolution, employees may subscribe voluntarily and at their own expense for supplemental life insurance. Employees may subscribe for an amount not to exceed five hundred thousand dollars (\$500,000), of which one hundred thousand (\$100,000) is a guaranteed issue, provided the election is made within the required enrollment periods.

12.11 Catastrophic Leave Bank: All employees are included in the Catastrophic Leave Bank and may designate a portion of accrued vacation, compensatory time, holiday compensatory time, or personal holiday credit to be deducted from the donor’s existing balances and credited to the bank or to a specific eligible employee.

- A. The County Human Resources Department operates a Catastrophic Leave Bank which is designed to assist any County employee who has exhausted all paid accruals due to a serious or catastrophic illness, injury, or condition of the employee or family member. The program establishes and maintains a Countywide bank wherein any employee who wishes to contribute may authorize that a portion of his/her accrued vacation, compensatory time, holiday compensatory time or personal holiday credit be deducted from those account(s) and credited to the Catastrophic Leave Bank. Employees may donate hours either to a specific eligible employee or to the bank. Upon approval, credits from the Catastrophic Leave Bank may be transferred to a requesting employee’s sick leave account so that employees may remain in paid status for a longer period of time, thus partially ameliorating the financial impact of the illness, injury or condition. Catastrophic illness or injury is defined as a critical medical condition,

a long-term major physical impairment or disability that manifests itself during employment.

- B. The plan is administered under the direction of the Director of Human Resources. The Human Resources Department is responsible for receiving and recording all donations of accruals and for initiating transfer of credits from the Bank to the recipient's sick leave account. Disbursement of accruals is subject to the approval of a six (6) member committee composed of three (3) members appointed by the County Administrator and three (3) members appointed by the majority representative employee organizations. The committee will meet once a month if necessary, to consider all requests for credits and will make determinations as to the appropriateness of the request. The committee will determine the amount of accruals to be awarded for employees whose donations are non-specific. Consideration of all requests by the committee will be on an anonymous requester basis.
- C. Hours transferred from the Catastrophic Leave Bank to a recipient will be in the form of sick leave accruals and will be treated as regular sick leave accruals.
- D. To receive credits under this plan, an employee must have permanent status, have exhausted all time off accruals to a level below eight (8) hours total, have applied for a medical leave of absence, and have medical verification of need.
- E. Donations are irrevocable unless the donation to the eligible employee is denied. Donations may be made in hourly blocks with a minimum donation of not less than four (4) hours from balances in the vacation, holiday, personal holiday, compensatory time or holiday compensatory time accounts. Employees who elect to donate to a specific individual will have seventy-five percent (75%) of their donation credited to the individual and twenty-five percent (25%) credited to the Catastrophic Leave Bank.
- F. Time donated will be converted to a dollar value and the dollar value will be converted back to sick leave accruals at the recipient's base hourly rate when disbursed. Credits will not be on a straight hour-for-hour basis. All computations will be on a standard 173.33 basis, except that employees on other than a forty (40) hour week will have hours prorated according to their status.
- G. Each recipient is limited to a total of one thousand forty (1040) hours or its equivalent per catastrophic event; each donor is limited to one hundred twenty (120) hours per calendar year.
- H. All appeals from either a donor or recipient will be resolved on a final basis by the Director of Human Resources.
- I. No employee has any entitlement to catastrophic leave benefits. The award of Catastrophic Leave is at the sole discretion of the committee, both as to amounts of benefits awarded and as to persons awarded benefits. Benefits may be denied, or awarded for less than six (6) months. The committee may limit benefits in accordance with available contributions and choose from among

SECTION 12 – Medical, Dental & Life Insurance

eligible applicants on an anonymous basis those who will receive benefits, except for hours donated to a specific employee. In the event a donation is made to a specific employee and the committee determines the employee does not meet the Catastrophic Leave Bank criteria, the donating employee may authorize the hours to be donated to the bank or returned to the donor's account.

- J. Any unused hours transferred to a recipient will be returned to the Catastrophic Leave Bank.

12.12 Health Care Spending Account: After six (6) months of permanent employment, full time and part time (20/40 or greater) employees may elect to participate in a Health Care Spending Account (HCSA) Program designated to qualify for tax savings under Section 125 of the Internal Revenue Code, but such savings are not guaranteed. The HCSA Program allows employees to set aside a predetermined amount of money from their pay, not to exceed the maximum amount authorized by federal law, per calendar year, of before tax dollars, for health care expenses not reimbursed by any other health benefit plans. HCSA dollars may be expended on any eligible medical expenses allowed by Internal Revenue Code Section 125. Any unused balance is forfeited and cannot be recovered by the employee.

12.13 PERS Long-Term Care: The County will deduct and remit monthly premiums to the PERS Long-Term Care Administrator for employees who are eligible and voluntarily elect to purchase long-term care at their personal expense through the PERS Long-Term Care Program.

12.14 Dependent Care Assistance Program: The County offers the option of enrolling in a Dependent Care Assistance Program (DCAP) designed to qualify for tax savings under Section 129 of the Internal Revenue Code, but such savings are not guaranteed. The program allows employees to set aside a predetermined amount of annual salary not to exceed the maximum amount authorized by federal law, of annual salary (before taxes) per calendar year, of before-tax dollars to pay for eligible dependent care (child and elder care) expenses. Any unused balance is forfeited and cannot be recovered by the employee.

12.15 Premium Conversion Plan: The County offers the Premium Conversion Plan (PCP) designed to qualify for tax savings under Section 125 of the Internal Revenue Code, but tax savings are not guaranteed. The program allows employees to use pre-tax dollars to pay health and dental premiums.

12.16 Prevailing Section: To the extent that any provision of this Section (Section 12. Medical, Dental & Life Insurance) is inconsistent with any provision of any other County enactment or policy, including but not limited to Administrative Bulletins, the Salary Regulations, the Personnel Management Regulations, or any other resolution or order of the Board of Supervisors, the provision(s) of this Section (Section 12. Medical, Dental & Life) will prevail.

12.17 Health Benefit Access for Employees Not Otherwise Covered. To access County health plans, an employee who is not otherwise eligible for health coverage by the County, must be eligible to receive an offer of coverage from the County under the

federal Patient Protection and Affordable Care Act ("ACA") (42 U.S.C. § 18081). Employees eligible to receive an offer of coverage (and qualified dependents), will be offered access to County health insurance plans. Employees will be responsible for the full premium cost of coverage.

12.18 Health Savings Account with High Deductible Health Plan

- A. Active employees who are enrolled in the Kaiser Permanente High Deductible Health Plan may select a Health Savings Account ("HSA") offered through Kaiser Permanente under the following conditions and subject to any other laws, regulations or rules governing HSAs:
 - 1. Only active employees who are enrolled in the Kaiser High Deductible Health Plan may elect to initially enroll in the HSA. The HSA is not available to permanent-intermittent or temporary employees.
 - 2. Employees may only contribute up to the maximum annual contribution rate for HSAs as set forth in the United States Internal Revenue Code.
 - 3. Funds contributed to the HSA are invested as directed by the employee. The County does not provide any recommendations or advice on investment or use of HSA funds.
 - 4. Employees are responsible for paying any HSA account management fees charged by the HSA administrator.
 - 5. The County does not manage or administer the HSAs.
- B. For the 2019 Plan Year, the County will make a one-time contribution of five hundred dollars (\$500) into the HSA for active employees who are enrolled in the Kaiser Permanente High Deductible Health Plan for the 2019 plan year and who have an HSA. The contribution will be made with the February 10, 2019 pay.
- C. For the 2020-2022 Plan Years, the County will contribute six hundred and twenty-five dollars (\$625) annually into the HSA for active employees who are enrolled in the Kaiser Permanente High Deductible Health Plan and have an HSA. The contribution will be made with the February 10 pay for the plan year.
- D. For the 2023 Plan Year and each year thereafter, the County will contribute seven hundred and fifty dollars (\$750) annually into the HSA for active employees who are enrolled in the Kaiser Permanente High Deductible Health Plan and have an HSA. The contribution will be made with the February 10th pay warrant for the plan year.

12.19 Voluntary Vision Plan

The County will offer active employees the option to enroll in a voluntary vision plan during open enrollment. Employees will pay the full premium cost of the plan. The County will contract for a voluntary vision plan with no co- pays. The vision plan is not available to permanent-intermittent or temporary employees.

SECTION 13 - PROBATIONARY PERIOD

For original entrance appointments, the probationary period shall be from six (6) months to one (1) year duration. For promotional appointments, the probation period shall be from six (6) months to one (1) year duration.

13.2 Classes With Probationary Period Over Six Months. Listed below are those classes represented by the Union which have probation periods in excess of six (6) months for original entrance appointments and six (6) months for promotional appointments:

SECTION 13 - PROBATIONARY PERIOD

13.3 Revised Probationary Period. When the probationary period for a class is changed, only new appointees to positions in the classification shall be subject to the revised probationary period.

13.4 Criteria. The probationary period shall date from the time of appointment to a permanent position after certification from an eligible list. It shall not include time served under provisional appointment or under appointment to limited term positions or any period of continuous leave of absence without pay or period of work connected disability exceeding fifteen (15) calendar days.

For those employees appointed to permanent-intermittent positions with a six (6) month probation period, probation will be considered completed upon serving fifteen hundred (1500) hours after appointment except that in no instance will this period be less than six (6) calendar months from the beginning of probation. If a permanent-intermittent probationary employee is reassigned to full-time, credit toward probation completion in the full-time position shall be prorated on the basis of one hundred seventy-three (173) hours per month.

13.5 Rejection During Probation. An employee who is rejected during the probation period and restored to the eligible list shall begin a new probationary period if subsequently certified and appointed.

- A. Appeal from Rejection. Notwithstanding any other provisions of this section, an employee (probationer) shall have the right to appeal from any rejection during the probationary period based on political, or religious or union activities, or race, color, national origin, sex, age, disability, or sexual orientation.
- B. The appeal must be written, must be signed by the employee and set forth the grounds and facts by which it is claimed that grounds for appeal exist under Subsection A and must be filed through the Director of Human Resources to the Merit Board by 5:00 p.m. on the seventh (7th) calendar day after the date of delivery to the employee of notice of rejection.
- C. The Merit Board shall consider the appeal, and if it finds probable cause to believe that the rejection may have been based on grounds prohibited in Subsection A, it may refer the matter to a Hearing Officer for hearing, recommended findings of fact, conclusions of law and decision, pursuant to the relevant provisions of the Merit Board rules in which proceedings the rejected probationer has the burden of proof.
- D. If the Merit Board finds no probable cause for a hearing, it shall deny the appeal. If, after hearing, the Merit Board upholds the appeal, it shall direct that the appellant be reinstated in the position and the appellant shall begin a new probationary period unless the Merit Board specifically reinstates the former period.

13.6 Regular Appointment. The regular appointment of a probationary employee will begin on the day following the end of the probationary period. A probationary employee may be rejected at any time during the probation period without regard to the Skelly

provisions of this Memorandum, without notice and without right of appeal or hearing, except as provided in Section 13.5.A. This provision only applies to those probationary employees whose probationary periods end more than sixty (60) days after the date this Memorandum of Understanding is adopted by the Board of Supervisors.

Notwithstanding any other provisions of the MOU, an employee rejected during the probation period from a position in the Merit System to which the employee had been promoted or transferred from an eligible list, shall be restored to a position in the department from which the employee was promoted or transferred.

An employee dismissed for other than disciplinary reasons within six (6) months after being promoted or transferred from a position in the Merit System to a position not included in the Merit System shall be restored to a position in the classification in the department from which the employee was promoted or transferred.

A probationary employee who has been rejected or has resigned during probation shall not be restored to the eligible list from which the employee was certified unless the employee receives the affirmative recommendation from the appointing authority and is certified by the Director of Human Resources whose decision is final. The Director of Human Resources shall not certify the name of a person restored to the eligible list to the same appointing authority by whom the person was rejected from the same eligible list, unless such certification is requested in writing by the appointing authority.

13.7 Layoff During Probation. An employee who is laid off during probation, if reemployed in the same class by the same department, shall be required to complete only the balance of the required probation. If reemployed in another department or in another classification, the employee shall serve a full probationary period. An employee appointed to a permanent position from a layoff or reemployment list is subject to a probation period if the position is in a department other than the department from which the employee separated, displaced, or voluntarily demoted in lieu of layoff. An appointment from a layoff or reemployment list is not subject to a probation period if the position is in the department from which the employee separated, displaced or voluntarily demoted in lieu of layoff.

13.8 Rejection During Probation of Layoff Employee. An employee who has achieved permanent status in the class before layoff and who subsequently is appointed from the layoff list and then rejected during the probation period shall be automatically restored to the layoff list, unless discharged for cause, if the person is within the period of layoff eligibility. The employee shall begin a new probation period of subsequently certified and appointed in a different department or classification than that from which the employee was laid off.

SECTION 14 – PROMOTION

14.1 Competitive Exam. Promotion (as defined in the Definitions section) shall be by competitive examination unless otherwise provided in this MOU.

SECTION 14 – PROMOTION

14.2 Promotion Policy. The Director of Human Resources, upon request of an appointing authority, shall determine whether an examination is to be called on a promotional basis.

14.3 Open Exam. If an examination for one of the classes represented by the Union is proposed to be announced on an open only basis, the Director of Human Resources shall give five (5) days prior notice of such proposed announcement and shall meet at the request of the Union to discuss the reasons for such open announcement.

14.4 Promotion via Reclassification Without Examination. Notwithstanding other provisions of this Section, an employee may be promoted from one classification to a higher classification and his/her position reclassified at the request of the appointing authority and under the following conditions:

- A. An evaluation of the position(s) in question must show that the duties and responsibilities have significantly increased and constitute a higher level of work.
- B. The incumbent of the position must have performed at the higher level for one (1) year.
- C. The incumbent must meet the minimum education and experience requirements for the higher class.
- D. The action must have approval of the Director of Human Resources.
- E. The Union approves such action.

The appropriate rules regarding probationary status and salary on promotion are applicable.

14.5 Requirements for Promotional Standing. In order to qualify for an examination called on a promotional basis, an employee must have probationary or permanent status in the merit system and must possess the minimum qualifications for the class. Applicants will be admitted to promotional examinations only if the requirements are met on or before the final filing date. If an employee who is qualified on a promotional employment list is separated from the merit system, except by layoff, the employee's name shall be removed from the promotional list.

14.6 Seniority Credits. Employees who have qualified to take promotional examinations and who have earned a total score, not including seniority credits, of seventy percent (70%) or more, shall receive, in addition to all other credits, five one hundredths of one (.05) percent for each completed month of service as a permanent County employee continuously preceding the final date for filing application for said examination. For purposes of seniority credits, leaves of absence shall be considered as service. Seniority credits shall be included in the final percentage score from which the rank on the promotional list is determined. No employee, however, shall receive more than a total of five percent (5%) credit for seniority in any promotional examination.

14.7 Disqualification From Taking Examination. If disqualified from taking an examination, an employee may utilize the appeal process specified in the Personnel Management Regulations for employees disqualified from taking an examination.

SECTION 15 – RELEASE TIME FOR EXAMINATIONS

Permanent employees will be granted release time from work, without loss of pay, to take County examinations or to interview for a County position, provided the employee gives the Department sufficient notice of the need for time off. Managers conducting interviews should provide an adequate and appropriate schedule for the interview to ensure that any operational impact that may be caused by an employee's absence to attend the interview will be minimized.

SECTION 16 – CERTIFICATION RULE

16.1 Order of Certification From Lists. The order of certification from employment lists or any class will be first, layoff list; second, reemployment list if mandatory on the appointing authority or if requested by an appointing authority; third, promotional employment list; and fourth, open employment list. However, the Director of Human Resources or a County Administrator designee may determine a different order of certification priority for a specific classification.

SECTION 17 – TRANSFERS

17.1 Any employee or appointing authority may request a transfer (as defined in the Definitions section) by advising the Director of Human Resources, in writing, stating the reason(s) for the request. Upon consent of the appointing authority(s) and the employee involved, the Director of Human Resources shall approve a transfer within the employee's classification.

17.2 Transfer Without Examination. After consultation with the appropriate appointing authority(s), the Director of Human Resources may transfer an employee from one job classification to another job classification without examination under the following conditions:

- A. The duties and responsibilities of the position from which the employee is being transferred from are within the occupational area or directly associated with the duties and responsibilities of the position to which the employee is being transferred.
- B. The transfer is deemed appropriate by a review of the particular duties and responsibilities of the position under consideration.
- C. The employee must possess the minimum qualifications for the job classification to which the employee is being transferred.

SECTION 17 – TRANSFERS

- D. The employee must serve the probationary period required for the classification into which the employee is being transferred.
- E. An employee rejected during probationary period or who resigns during the probationary period for other than disciplinary reasons shall have the right at that time to be restored to a position in the classification in the department from which the employee was transferred.

17.3 Transfer Conditions. The following conditions are required in order to qualify for transfer:

- A. The position shall be in the same class, or if in a different class shall have been determined by the Director of Human Resources to be appropriate for transfer on the basis of minimum qualifications and qualifying procedure.
- B. The employee shall have permanent status in the merit system and shall be in good standing.
- C. The appointing authority or authorities involved in the transaction shall have indicated their agreement in writing.
- D. The employee concerned shall have indicated agreement to the change in writing.
- E. The Director of Human Resources shall have approved the change. Notwithstanding the foregoing, transfer may also be accomplished through the regular appointment procedure provided that the individual desiring transfer has eligibility on a list for a class for which appointment is being considered.

17.4 Transfer Policy. Any employee or appointing authority who desires to initiate a transfer may inform the Director of Human Resources in writing of such desire stating the reasons therefore. The Director of Human Resources shall if he or she considers that the reasons are adequate and that the transfer will be for the good of the County service and the parties involved, inform the appointing authority or authorities concerned and the employee of the proposal and may take the initiative in accomplishing the transfer.

17.5 Voluntary Transfer.

Any permanent employee in a Local 21 represented classification may submit a request to Human Resources to be placed on a Voluntary Transfer list for his or her classification.

Names will be maintained on the Voluntary Transfer list for 12 months.

When an eligibility list is requested, Human Resources will inform the managers who are hiring to fill vacant positions if a Voluntary Transfer list exists for the classification. The hiring manager may, but is not obligated to, select an employee from the Voluntary Transfer list.

Employees who are on probation are ineligible to request placement on the Voluntary Transfer list.

SECTION 18 - RESIGNATIONS

An employee's voluntary termination of service is a resignation. Written resignations shall be forwarded to the Human Resources Department by the appointing authority immediately on receipt, and shall indicate the effective date of termination. Oral resignation shall be immediately confirmed by the appointing authority in writing to the employee and to the Human Resources Department and shall indicate the effective date of termination.

18.1 Resignation in Good Standing. A resignation giving the appointing authority written notice at least two (2) weeks in advance of the last date of service (unless the appointing authority requires a longer period of notice, or consents to the employee's terminating on shorter notice) is a resignation in good standing.

18.2 Constructive Resignation. A constructive resignation occurs and is effective when:

- A. An employee has been absent from duty for five (5) consecutive working days without leave; and
- B. five (5) more consecutive work days have elapsed without response by the employee after the mailing of a notice of resignation by certified mail by the appointing authority to the employee at the employee's last known address.

18.3 Expressed Resignation. A resignation is effective when delivered or spoken to the appointing authority, operative either on that date or another date specified.

18.4 Revocation. A resignation that is effective is revocable only by written concurrence of the employee and the appointing authority.

18.5 Coerced Resignations.

- A. Time Limit. A resignation which the employee believes has been coerced by the appointing authority may be revoked within seven (7) calendar days after its expression, by serving written notice on the Director of Human Resources and a copy to the appointing authority.
- B. Reinstatement. If the appointing authority acknowledges that the employee could have believed that the resignation was coerced, it shall be revoked and the employee returned to duty effective on the day following the appointing authority's acknowledgement.
- C. Contest. Unless, within seven (7) days of the receipt of the notice, the appointing authority acknowledges that the resignation could have been believed to be

SECTION 19 - DISMISSAL, SUSPENSION, DEMOTION OR REDUCTION IN PAY

coerced, this question should be handled as an appeal to the Director of Human Resources.

- D. Disposition. If the Director of Human Resources determines that the resignation was coerced, the resignation shall be deemed revoked and the employee returned to duty effective on the day following the decision but without loss of pay, subject to the employee's duty to mitigate damages.

18.6 Eligibility for Reemployment. Within one (1) year of resignation in good standing from County service, a person who has had permanent status which included satisfactory completion of probation may make application by letter to the Director of Human Resources for placement on a reemployment list as follows: The class from which the person resigned, or any one class of equal or lesser rank in the occupational series and in which the person had previously attained permanent status, or for any class or deep class which has replaced the class in which the person previously had status, provided that the person meets the minimum requirements for the new class. If the appointing authority of the department from which the person resigned recommends reemployment, the Director of Human Resources shall grant reemployment privileges to the person. If the appointing authority does not recommend reemployment, the employee may appeal to the Director of Human Resources. Consideration of names from a reemployment list is mandatory if the appointing authority recommended reemployment of the individual(s) listed but is optional for other appointing authorities.

SECTION 19 - DISMISSAL, SUSPENSION, DEMOTION OR REDUCTION IN PAY

19.1 Sufficient Cause for Action. The appointing authority may dismiss, suspend, temporarily reduce the pay of, or demote any employee for cause. The reduction in pay may not exceed five percent (5%) for a three month period. The following are sufficient causes for such action; the list is indicative rather than inclusive of restrictions and dismissal, suspension or demotion may be based on reasons other than those specifically mentioned:

- A. absence without leave,
- B. conviction of any criminal act involving moral turpitude,
- C. conduct tending to bring the merit system into disrepute,
- D. disorderly or immoral conduct,
- E. inefficiency,
- F. insubordination,
- G. being at work under the influence of liquor or drugs, carrying onto the premises liquor or drugs or consuming or using liquor or drugs during work hours and/or on County premises,

-
- H. neglect of duty (i.e. non-performance of assigned responsibilities),
 - I. negligent or willful damage to public property or waste of public supplies or equipment,
 - J. violation of any lawful or reasonable regulation or order given by a supervisor or Department Head,
 - K. willful violation of any of the provisions of the merit system ordinance or Personnel Management Regulations.
 - L. material and intentional misrepresentation or concealment of any fact in connection with obtaining employment,
 - M. misappropriation of County funds or property,
 - N. unreasonable failure or refusal to undergo any physical, medical and/or psychiatric exam and/or treatment authorized by this MOU,
 - O. dishonesty or theft,
 - P. excessive or unexcused absenteeism and/or tardiness,
 - Q. sexual harassment, including but not limited to unwelcome sexual advances, requests for sexual favors, and other verbal, or physical conduct of a sexual nature, when such conduct has the purpose or effect of affecting employment decisions concerning an individual, or unreasonably interfering with an individual's work performance, or creating an intimidating and hostile working environment.

19.2 Notice of Proposed Action. Before taking a disciplinary action to dismiss, suspend, for more than three (3) work days, temporarily reduce the pay of, or demote an employee, the appointing authority shall cause to be served personally or by certified mail, on the employee, a Notice of Proposed Action, which shall contain the following:

- A. A statement of the action proposed to be taken.
- B. A copy of the charges; including the acts or omissions and grounds upon which the action is based.
- C. If it is claimed that the employee has violated a rule or regulation of the County, department or district, a copy of said rule shall be included with the notice.
- D. A statement that the employee may review and request copies of materials upon which the proposed action is based.
- E. A statement that the employee has seven (7) calendar days to respond to the appointing authority either orally or in writing.

SECTION 19 - DISMISSAL, SUSPENSION, DEMOTION OR REDUCTION IN PAY

In addition to the Notice of Proposed Action, the appointing authority will serve the employee with a document that gives the employee the option of authorizing the County to provide his/her union with a copy of the Notice of Proposed Action. If the employee signs the authorization document and returns it to the appointing authority, the appointing authority will thereafter, within one work day, provide a copy of the employee's Notice of Proposed Action to his/her union, as authorized.

In addition to the Order and Notice, the appointing authority will serve the employee with a document that gives the employee the option of authorizing the County to provide his/her union with a copy of the Order and Notice. If the employee signs the authorization document and returns it to the appointing authority, the appointing authority will thereafter, within one work day, provide a copy of the employee's Order and Notice to his/her union, as authorized.

19.3 Employee Response. The employee upon whom a Notice of Proposed Action has been served shall have seven (7) calendar days to respond to the appointing authority either orally or in writing before the proposed action may be taken. Upon request of the employee and for good cause, the appointing authority may extend in writing the period to respond. If the employee's response is not filed within seven (7) days or during an extension, the right to respond is lost.

19.4 Leave Pending Employee Response. Pending response to a Notice of Proposed Action within the first seven (7) days or extension thereof, the appointing authority for cause specified in writing may place the employee on temporary leave of absence, with pay.

19.5 Length of Suspension. Suspensions without pay shall not exceed thirty (30) days unless ordered by an arbitrator or an adjustment board.

19.6 Procedure on Dismissal, Suspension, Disciplinary Demotion, or Reduction in Pay.

- A. In any disciplinary action to dismiss, suspend, temporarily reduce the pay of, or demote a permanent employee after having complied with the requirements of Section 19.2 where applicable, the appointing authority shall make an order in writing stating specifically the causes for the action.
- B. Service of Order. Said order of dismissal, suspension, temporary reduction in pay, or demotion shall be filed with the Director of Human Resources, showing by whom and the date a copy was served upon the employee to be dismissed, suspended, temporarily reduced in pay, or demoted, either personally or by certified mail to the employee's last known mailing address. The order shall be effective either upon personal service or deposit in the U. S. Postal Service.
- C. Employee Appeals from Order. The employee may appeal an order of dismissal, suspension, temporary reduction in pay, or demotion either to the Merit Board or through the procedures of Section 20-Grievance Procedure of this MOU,

provided that such appeal is filed in writing with the Director of Human Resources within ten (10) calendar days after service of said order. An employee may not both appeal to the Merit Board and file a grievance under Section 20 of this MOU.

19.7 Employee Representation Rights. The County recognizes an employee's right to representation during an investigatory interview or meeting that may result in discipline. The County will not interfere with the representative's right to assist an employee to clarify the facts during the interview. If the employee requests a union representative, the investigatory interview will be temporarily recessed for a reasonable period of time until a union representative can be present. For those interviews, which by nature of the incident must take place immediately, the union will take all reasonable steps to make a union representative immediately available.

The employer will inform the employee of the general nature of the investigation at the time the employer directs the employee to be interviewed.

19.8 Timely Progressive Discipline. The parties agree that timely progressive discipline promotes changes in behavior. The County will endeavor to notify the employee of any incident giving rise to a disciplinary action as soon after the incident as is reasonably possible.

SECTION 20 - GRIEVANCE PROCEDURE

20.1 Definition and Procedural Steps. A grievance is any dispute that involves the interpretation or application of any provision of this MOU or County regulation that has been incorporated by reference into this MOU excluding, however, those provisions and regulations that specifically provide that the decision of any County official shall be final. The interpretation and application of those excluded provisions and regulations are not subject to the grievance procedure. An employee may appeal disciplinary action to the Merit Board or through this grievance procedure. The Union may represent the grievant at any stage of the grievance process.

Grievances must be filed within thirty (30) calendar days of the incident or occurrence about which the grievant claims to have a grievance. Discipline appeals utilizing the grievance procedure must be filed within the timeframe set forth in Section 19.6 – Procedures on Dismissal, Suspension, Demotion or Reduction in Pay. Grievances will be processed in the following manner:

Step 1. Supervisor. The Union or any employee or group of employees who believes that a provision of this MOU or incorporated County regulation has been misinterpreted or misapplied to his or her detriment shall discuss the complaint with the grievant's immediate supervisor, who shall meet with the grievant within five (5) work days of receipt of a written request to hold such meeting. The supervisor will advise the grievant in writing, within five (5) work days of the meeting, whether the grievance is granted or denied.

Step 2. Department Head. If an issue is not satisfactorily resolved in Step 1 above,

SECTION 20 - GRIEVANCE PROCEDURE

the Union may submit the grievance in writing, to such management official as the Department Head or designee. This request must be filed no more than ten (10) work days after the date of the Step 1 response from the supervisor. This formal written grievance must state which provision of the MOU or the incorporated County regulation has been misinterpreted or misapplied, how it was misinterpreted or misapplied, how misapplication or misinterpretation has affected the grievant to the grievant(s)' detriment, and the redress the Union seeks. A copy of each written communication on a grievance must be filed with the Employee Relations Officer or designee and the Union. The Department Head or designee shall have ten (10) work days in which to respond to the grievance in writing, stating the reason(s) for the disposition of the grievance.

Step 3. Labor Relations. If the grievance is not resolved at Step 2, the Union may submit the grievance to the Employee Relations Officer or designee within ten (10) work days after the date of the Step 2 response. Within twenty (20) work days after receipt of the Step 3 grievance, the Employee Relations Officer or designee must meet with the Department Head or his/her designee, the grievant, and the Union to discuss the facts or other potentially relevant information or avenues of inquiry, and any terms either party wishes to offer to resolve the grievance.

Both parties shall be prepared and present the following information to the other party in the course of the step 3 meeting:

1. The name of the grievant(s);
2. A statement of the relevant facts relating to each alleged breach;
3. The name of each known witness;
4. A copy of each relevant document;
5. The party's position on the grievance and the specific MOU provision(s) and/or incorporated County regulation(s) allegedly violated in each instance; and
6. The specific remedy or remedies sought.

For grievances involving interpretation of this MOU, the Employee Relations Officer or his/her designee will decide the grievance on its merits and provide the grievant, the union, and the Department with a written decision within fifteen (15) workdays of the date of the Step 3 Meeting, unless more time is granted by mutual agreement.

For grievances involving appeals from disciplinary action, the Employee Relations Officer or his/her designee will attempt to resolve the grievance. In the event that the grievance is not resolved, the Employee Relations Officer or his/her designee will provide written notice of that fact to the grievant, the union, and the Department within fifteen (15) workdays of the date of the Step 3 meeting, unless more time is granted by mutual agreement.

Step 4. Mediation. If the grievance is not satisfactorily resolved at Step 3, the Union

may appeal the grievance and request mediation in writing to the Employee Relations Officer or designee within ten (10) work days of the date of the written response at Step 3. This step of the grievance procedure may be waived by the mutual written agreement of the parties.

Step 5. Arbitration. In the event that the grievance is not resolved at Step 4, either party may notify in writing the other party, within fifteen (15) work days of the date of completion of mediation at Step 4 of their desire to arbitrate the grievance. The parties will mutually select an impartial arbitrator. If the parties are unable to agree upon the selection of an arbitrator, they may request one or more panels of arbitrators from the California State Mediation and Conciliation Service and attempt to select an arbitrator from that panel(s). Any fee(s) for the provision of panel(s) of arbitrators will be split equally between the parties.

The fees and expenses of the arbitrator and the court reporter (if any) will be shared equally by the Union and the County. Each party will bear the costs of its own presentation, including preparation and post-hearing briefs, if any.

20.2 Compensation Claims. The Employer is not required to pay any wage claim or portion thereof retroactively for a period of more than one year (1) immediately prior to the date of the Employer's receipt of written notice from the Union of such claim.

20.3 Time Limits. The time limits specified above may be waived by mutual agreement of the parties to the grievance. If the County fails to meet any of the time limits specified in Steps 1 through 3 above, the grievance will automatically move to the next step. If a grievant fails to meet any of the time limits specified in Steps 1 through 4 above, the grievance will be deemed to have been settled and withdrawn.

20.4 Scope of Arbitrator's Review. The arbitrator will not have the right to alter, amend, delete or add to any of the terms of this Agreement.

SECTION 21 – RETIREMENT

21.1 Contribution. Effective on October 1, 2011, employees are responsible for one hundred percent (100%) of the employees' basic retirement benefit contributions determined annually by the Board of Retirement of the Contra Costa County Employees' Retirement Association without the County paying any part of the employees' contributions. Employees are also responsible for the payment of the employees' contributions to the retirement cost of living program as determined annually by the Board of Retirement without the County paying any part of the employees' contributions. Except as provided in Section 21.3 (Safety Employees Retirement Tier) subsection A, the County is responsible for one hundred percent (100%) of the employer's retirement contributions determined annually by the Board of Retirement.

21.2 Retirement Benefit - Employees who become CCCERA members on or After January 1, 2013.

For employees who become members of the Contra Costa County Employees Retirement Association (CCCERA) on or after January 1, 2013, retirement benefits are governed by the California Public Employees Pension Reform Act of 2013 (PEPRA), (chapters 296, 297, Statutes of 2012). To the extent this Agreement conflicts with any provision of PEPRA, PEPRA will govern. (For additional information about the PEPRA pension benefit, see www.CCCERA.org)
- B. For employees hired by the County after June 30, 2014, who, under PEPRA, become New Members of CCCERA the cost of living adjustment to the retirement allowance will not exceed two percent (2%) per year, and the cost of living adjustment will be banked.
- C. For employees who, under PEPRA, become New Members of CCCERA, the disability provisions are the same as the current Tier III disability provisions.

21.3 Safety Employees Retirement

A. Tier A Safety Retirement Benefit – Employees who become CCCERA members on or before December 31, 2012:

- 1. Retirement Benefit. For County employees covered by this Agreement who become members of Contra Costa County Employees Retirement Association (CCCERA) on or before December 31, 2012, who are designated by CCCERA as Safety Members, the retirement formula “3 percent at 50” applies. The cost of living adjustment (COLA) to the retirement allowances of these employees will not exceed three (3) percent per year. The final compensation of these employees will be calculated based on a twelve (12) month salary average. This retirement benefit is known as “Tier A.” Each employee in Tier A will pay nine percent (9%) of his or her retirement base to pay part of the employer’s contribution for the cost of this Tier A safety retirement benefit. Such payments will be made on a pre-tax basis in accordance with applicable tax laws. “Retirement base” means base salary and other payments, such as salary differential and flat rate pay allowances, used to compute retirement deductions.
- 2. Effective May 1, 2013, and through December 31, 2014, each employee in Tier A will pay four and half percent (4.5%) of his or her retirement base to pay part of the employer’s contribution for the cost of the Tier A retirement benefit.
- 3. Effective January 1, 2015, and through June 29, 2015, each employee in Tier A will pay two and a quarter percent (2.25%) of his or her retirement base to pay part of the employer’s contribution for the cost of the Tier A

retirement benefit.

4. Effective June 30, 2015, the employee's payment of two and a quarter percent (2.25%) of his/her retirement base to pay part of the employer's contribution for the cost of the Tier A retirement benefit will cease.

B. **Safety Retirement Benefit – Employees who become CCCERA members on or after January 1, 2013.**

1. For employees who become Safety Members of the Contra Costa County Employee Retirement Association (CCCERA) on or after January 1, 2013, retirement benefits are governed by the California Public Employees Pension Reform Act of 2013 (PEPRA), (Chapters 296, 297, Statutes of 2012). To the extent this Agreement conflicts with any provision of PEPRA, PEPRA will govern.
2. PEPRA Safety Option Plan Two (2.7% @ 57) applies to employees who, under PEPRA, become New Members of CCCERA. For these employees, the cost of living adjustment to the retirement allowance will not exceed two percent (2%) per year, and the cost of living adjustment will be banked.
3. Subsection A, subparts (1) through (4), above, applies to employees who, under PEPRA, become reciprocal members of CCCERA, as determined by CCCERA."

SECTION 22 – PERFORMANCE EVALUATIONS

The following procedures apply in those departments that already have a formal written performance evaluation system. Nothing herein shall be construed to require the establishment of such a system where it does not currently exist.

22.1 Goal: A basic goal of the employee evaluation is to help each employee perform his/her job more effectively to the mutual benefit of the employee and the County. The evaluation process provides an ongoing means of evaluating an employee's job performance and promoting the improvement of the job performance. The evaluation process also provides the opportunity to recognize and document outstanding service as well as service that has been unsatisfactory to the County.

22.2 Frequency of Evaluation.

- A. Probationary employees must be evaluated at least once during their probationary period.
- B. Permanent employees will be evaluated every year until reaching the top step of their classification, then they may be evaluated annually thereafter.

SECTION 22 – PERFORMANCE EVALUATIONS

- C. Employees will be notified in writing prior to the loss or reduction of any outstanding performance step(s).

22.3 Procedure.

- A. An employee will generally be evaluated by the first level management supervisor above the employee.
- B. It will be necessary in some cases for a supervisor to consult with the employee's immediate work director in order to make a comprehensive evaluation.
- C. Where feasible, evaluations will be based primarily on observation by the evaluator of the employee in the performance of his/her duties.
- D. An employee will be informed in advance of a meeting with his/her supervisor to discuss the employee's evaluation.
- E. The employee will be provided his/her evaluation in writing on the department evaluation form.
- F. The employee has the right to prepare and have attached to the evaluation form any written comments that the employee wishes to make.
- G. When an employee is rated below satisfactory on any factor, the evaluation will give the reasons for such rating and include specific recommendations for improvement in writing.
- H. Any rating below average or unsatisfactory must be supported by explanation received by the employee prior to the evaluation presentation.
- I. The employee's signing of an evaluation form does not mean that the employee agrees with the evaluation, but it does mean that the employee has had the opportunity to discuss the evaluation with his/her evaluator.
- J. The employee will be given a copy of his/her completed evaluation form at the time the form is signed by the employee.
- K. Nothing may be added by management to an evaluation after the employee has signed and received a copy of the evaluation, without the employee's written acknowledgment.

Failure to follow the foregoing procedure is subject to the grievance procedure. However, disputes over the actual content or ratings themselves in individual evaluations are not grievable, but may be mediated by the Director of Human Resources upon request of either the employee or the Department. Prior to being mediated by the Director of Human Resources, either party may request fact finding to assist in the resolution of the dispute. One (1) fact finder will be selected by each party to the dispute within ten (10) work days from the initial request for fact finding. The fact

finders will have twenty (20) work days from notice of selection to investigate and render their recommendations to the Director of Human Resources, who will render a final decision.

SECTION 23 – COUNSELING

- A. Whenever an employee's job performance and/or conduct becomes less than satisfactory, counseling shall be provided by the employee's supervisor. Such counseling shall specifically state the unsatisfactory nature of the employee's performance and/or conduct and specific ways in which the employee can bring such performance and/or conduct up to the satisfactory level. Said counseling shall be provided as soon as possible after the occurrence of the less than satisfactory performance and/or conduct. No adverse action shall be taken by the County against any employee unless such counseling has been provided and reasonable time for improvement has been given. The employee's supervisor shall prepare written documentation of such counseling to include expectations and/or corrective action plan and provide a copy of the written documentation to the employee.
- B. The written documentation on counseling should include the performance and/or conduct to be corrected, a timeline for correction, specific guidance to the employee, and timely follow up regarding the progression of the correction.
- C. Counseling memos, which are not disciplinary in nature, are to be retained in the file maintained by the employee's supervisor or the person who issued the counseling memo and are not to be transferred to the employee's central file which is normally retained by the Human Resources Department, unless such memos are subsequently used in conjunction with a disciplinary action such as a letter of reprimand.
- D. A Counseling memo placed in an employee's departmental personnel file that is not referenced in the employee's subsequent performance evaluation shall be removed from the employee's departmental personnel file upon the written request of the employee. If an employee is not evaluated when an annual performance is due, the employee may request through the Department Personnel Officer, or designee, that a performance evaluation be completed. If an employee has not had a performance evaluation within eighteen (18) months subsequent to a counseling memo being placed in the employee's department personnel file, the counseling memo shall be removed from the employee's personnel file, provided that there has not been a subsequent counseling memo on the same subject in that period of time.
- E. The foregoing shall not apply to probationary employees or in those cases where immediate disciplinary action is necessary.
- F. If after a counseling session has occurred between a supervisor and employee, the employee requests of the Department Personnel Officer or designee a meeting with a Steward/Officer of the Union and Department representatives,

SECTION 24 - MILEAGE

such a meeting shall be held. This meeting shall be held within fifteen (15) working days.

SECTION 24 - MILEAGE

24.1 Reimbursement for Use of Personal Vehicle. The mileage allowance for use of personal vehicles on County business shall be paid according to the rates allowed by the Internal Revenue Service and shall be adjusted to reflect changes in this rate on the date it becomes effective or the first of the month following announcement of the changed rate by the Internal Revenue Service, whichever is later.

24.2 Charge For Use of Home Garaged County Vehicle. Employees hired after July 1, 1994, who are assigned vehicles to garage at home, will be charged the IRS mileage rate for all commute miles driven outside the limits of Contra Costa County that exceed thirty (30) miles round-trip in any one day.

SECTION 25 - PAY WARRANT ERRORS

If an employee receives a pay warrant which has an error in the amount of compensation to be received and if this error occurred as a result of a mistake by the Auditor-Controller's Department, it is the policy of the Auditor-Controller's Department that the error will be corrected and a new warrant issued within forty-eight (48) hours, exclusive of Saturdays, Sundays and holidays from the time the Department is made aware of and verifies that the pay warrant is in error. If the pay warrant error has occurred as a result of a mistake by an employee (e.g. payroll clerk) other than the employee who is receiving the pay, the error will be corrected as soon as possible from the time the department is made aware that pay warrant is in error.

Pay errors in employee pay shall be corrected as soon as possible as to current pay rate but that no recovery of either overpayments or underpayments to an employee shall be made retroactively except for the one year (1) period immediately preceding discovery of the pay error. This provision shall apply regardless of whether the error was made by the employee, the appointing authority or designee, the Director of Human Resources or designee, or the Auditor-Controller or designee. Recovery of fraudulently accrued over or underpayments are excluded from this section for both parties.

When the County notifies an employee of an overpayment and proposed repayment schedule and the employee wishes to meet with the County, a meeting will be held at which time a repayment schedule shall be determined. Such notice will include a provision informing the employee of their right to union representation.

If requested by the employee, a union representative may be present at the meeting with management to discuss a repayment schedule.

The schedule of recovery of an overpayment will be made by mutual agreement between the County and the employee. In the absence of mutual agreement, the

County may implement a default repayment schedule by deducting ten percent (10%) of the total overpayment from the employee's pay each month until the overpayment is repaid in full. The County must notify the employee in writing before implementing the default repayment schedule. At any time during the default repayment period, the employee may agree to an alternative repayment schedule or payback the overpayment in full.

SECTION 26 – FLEXIBLE STAFFING

- A. Certain positions may be designated by the Director of Human Resources as flexibly staffed positions. Positions are generally allocated at the first level of the job series when vacated. When the position is next filled and an incumbent of one of these positions meets the minimum qualifications for the next higher level and has met appropriate competitive requirements, he or she may then be promoted to the next higher classification within the job series, without need of a classification study. If an operating department verifies in writing that an administrative or clerical error was made in failing to submit the documents needed to promote an employee on the first of the month when eligible, said appointment must be made retroactive to the first of the month when eligible.
- B. Appeal from Denial of Promotion in Flexibly Staffed Positions. An employee may appeal to the Merit Board from a failure to promote from a flexibly staffed position to another flexibly staffed position within the same classification series after written request for promotion. No more than one (1) request may be made by an employee during any six (6) month period. The appeal must be written and signed by the appellant. The written request must state that a demand for promotion has been made and not granted within three (3) days of the request, set forth specific facts by which it is claimed the failure to promote was arbitrary or capricious and must be filed with the Merit Board with a copy provided to the Director of Human Resources not later than 5:00 p.m. on the tenth (10th) calendar day after the date of the written request for promotion. The appellant has the burden of proof that the refusal to promote was arbitrary and capricious.

SECTION 27 – NOTICE OF HIRES AND SEPARATIONS

The County agrees to provide an electronic file to the Union, on a monthly basis containing, the name, classification, department and date of hire or separation of employees in classifications represented by the Union.

SECTION 28 – DATA ON VACANT POSITIONS

The County agrees to provide an electronic file to the Union containing a current list of all vacant positions represented by the Union on a quarterly basis.

SECTION 29 – PERSONNEL FILES

An employee shall have the right to inspect and review any official record(s) relating to his or her performance as an employee or to a grievance concerning the employee which is kept or maintained by the county in the employee's personnel file in the Human Resources Department or in the employee's personnel file in their Department.

The employee's Union representative, with written authorization by the employee, shall also have the right to inspect and review any official record(s) described above. The contents of such records shall be made available to the employee and/or the employee's Union representative, for inspection and review at reasonable intervals during the regular business hours of the County.

Employees shall be permitted to review their personnel files during their working hours. For those employees whose work hours do not coincide with the county's business hours, management shall provide a copy of the employee's personnel file for the employee's review. The custodian of records will certify that the copy is a true and correct copy of the original file.

The County shall provide an opportunity for the employee to respond in writing to any information which is in the employee's personnel file about which he or she disagrees. Such response shall become a permanent part of the employee's personnel file. The employee shall be responsible for providing the written responses to be included as part of the employee's official personnel file.

This section does not apply to the records of an employee relating to the investigation of a possible criminal offense, medical records and information or letters of reference.

Counseling memos are to be retained in the file maintained by the employee's supervisor or the person who issued the counseling memo and are not to be transferred to the employee's central file which is normally retained by the Human Resources Department unless such memos are subsequently used in conjunction with a disciplinary action such as a letter of reprimand.

Copies of written reprimands or memoranda pertaining to an employee's unsatisfactory performance which are to be placed in the employee's personnel file shall be given to an employee who shall have the right to respond in writing to said documents.

Letters of reprimand are subject to the grievance procedure but shall not be processed past Step 3 unless said letters are used in a subsequent discharge, suspension or demotion of the employee, in which case an appeal of the letters of reprimand may be considered at the same time as the appeal of disciplinary action.

Copies of letters of commendation which are to be placed in the employee's personnel file will be given to the employee.

Derogatory material, such as a written letter of reprimand, in an employee's personnel file over two years old will not be used in a subsequent disciplinary action unless directly

related to the action upon which the discipline is taken. Derogatory material does not include prior suspensions, demotions or dismissals for cause.

Each Department shall maintain only one official personnel file per employee.

Copies. An employee may request copies of other material contained in the personnel file. The employer shall bear the cost of the reproduction of copies.

SECTION 30 - SERVICE AWARDS

30.1 Policy. The County shall continue its present policy with respect to service awards including time off provided, however, that the type of award given shall be at the sole discretion of the County.

The following procedures shall apply with respect to service awards:

- A. Presentation Before the Board of Supervisors. An employee with twenty (20) or more years of service may go before the Board of Supervisors to receive his/her Service Award. When requested by a department, the Human Resources Department will make arrangements for the presentation ceremony before the Board of Supervisors and notify the department as to the time and date of the Board meeting.
- B. Service Award Day Off. Employees with fifteen (15) or more years of service are entitled to take a day off with pay at each five (5) years anniversary.

30.2 Length of Service Credits. The length of service credits of each employee of the County shall date from the beginning of the last period of continuous County employment (including temporary, provisional, and permanent status, and absences on approved leave of absence). When an employee separates from a permanent position in good standing and within two (2) years is reemployed in a permanent County position, service credits shall include all credits accumulated at time of separation, but shall not include the period of separation. The Human Resources Director shall determine these matters based on the employee status records in his department.

SECTION 31 – PERSONAL PROPERTY REIMBURSEMENT

The loss or damage to personal property of employees is subject to reimbursement under the following conditions:

- 1. The loss or damage must result from an event which is not normally encountered or anticipated on the job and which is not subject to the control of the employee.
- 2. Ordinary wear and tear of personal property used on the job is not compensated.

SECTION 32 – REIMBURSEMENT FOR MEAL EXPENSES

3. Employee tools or equipment, provided without the express approval of the department head, and automobiles are excluded from reimbursement.

5. The loss or damage was not a result of negligence or lack of proper care by the employee.
6. The personal property was necessarily worn or carried by the employee in order to adequately fulfill the duties and requirements of the job.
7. The loss or damage to employee's eyeglasses, dentures, or other prosthetic devices did not occur simultaneously with a job connected injury covered by workers' compensation.
8. The amount of reimbursement shall be limited to the actual cost to repair damages. Reimbursement for items damaged beyond repair shall be limited to the actual value of the item at the time of loss or damage but not more than the original cost.
9. The burden of proof of loss rests with the employee.
10. Claims for reimbursement must be processed in accordance with the Administrative Bulletin on Compensation for Loss or Damage to the Personal Property.

SECTION 32 – REIMBURSEMENT FOR MEAL EXPENSES

SECTION 33 - PERMANENT PART-TIME EMPLOYEE BENEFITS

Permanent part-time employees receive prorated vacation and sick leave benefits. They are eligible for health, dental and life insurance benefits at corresponding premium rates providing they work at least fifty percent (50%) of full time. If the employee works at least fifty percent (50%) of full time, County retirement participation is also included.

SECTION 34 - PERMANENT-INTERMITTENT EMPLOYEE SPECIAL PAYS & BENEFITS

A. Permanent-intermittent employees are eligible for prorated vacation and sick leave benefits.

-
- B. Permanent-Intermittent employees may be eligible for certain special types of pays and benefits in addition to wages under specifically defined circumstances. A list of those special pays and benefits that are applicable to permanent-intermittent employees is included as Appendix F. If a special pay or benefit that is described in this MOU does not specifically reference permanent-intermittent employees or the special pay or benefit is not included in Appendix F, then the special pay or benefit does not apply to permanent-intermittent employees.

SECTION 35 - ADOPTION

The provisions of this MOU shall be made applicable on the dates indicated and upon approval by the Board of Supervisors. Resolutions and Ordinances, where necessary, shall be prepared and adopted in order to implement these provisions. It is understood that where it is determined that an Ordinance is required to implement any of the foregoing provisions, said provisions shall become effective upon the first day of the month following thirty (30) days after such Ordinance is adopted.

SECTION 36 - SCOPE OF AGREEMENT

36.1 Scope of Agreement. Except as otherwise specifically provided herein, this MOU fully and completely incorporates the understanding of the parties hereto and constitutes the sole and entire agreement between the parties in any and all matters subject to meet and confer. Neither party shall, during the term of this MOU demand any change herein, provided that nothing herein shall prohibit the parties from changing the terms of this MOU by mutual agreement. Any past side letters or any other agreements that are not incorporated into or attached to this MOU are deemed expired upon approval of this MOU by the Board of Supervisors.

The Union understands and agrees that the County is not obligated to meet and confer regarding wages, hours or conditions of employment during the term of this extended agreement, except as otherwise required by law.

36.2 Separability of Provisions. Should any section, clause or provision of this MOU be declared illegal, unlawful or unenforceable, by final judgment of a court of competent jurisdiction, such invalidation of such section, clause or provision shall not invalidate the remaining portions hereof, and such remaining portions shall remain in full force and effect for the duration of this MOU.

36.3 Duration of Agreement. This Agreement shall continue in full force and effect from July 1, 2022, to and including June 30, 2026.

within the scope of representation and that are not in conflict with the provisions of this MOU are considered in full force and effect.

SECTION 38 - FAIR LABOR STANDARDS ACT PROVISIONS

The Fair Labor Standards Act, as amended, may govern certain terms and conditions of the employment of employees covered by this MOU. It is anticipated that compliance with the Act may require changes in some of the County policies and practices currently in effect or agreed upon. If it is determined by the County that certain working conditions, including but not limited to work schedules, hours of work, method of computing overtime, overtime pay and compensatory time off entitlements or use, must be changed to conform with the Fair Labor Standards Act, such terms and conditions of employment shall not be controlled by this MOU but shall be subject to modification by the County to conform to the federal law, without further meeting and conferring. The County shall notify the Union and will meet and confer with said organization regarding the implementation of such modifications.

SECTION 39 – SAFETY IN THE WORKPLACE

Health and safety standards will be maintained in all County facilities to a maximum degree consistent with the conduct of efficient operations. SECTION 40 – INDEMNIFICATION AND DEFENSE OF COUNTY EMPLOYEES

The County shall defend and indemnify an employee against any claim or action against the employee on account of an act or omission in the scope of the employee's employment with the County in accordance with, and subject to, the provisions of California Government Code Sections 825 et seq and 995 et seq.

SECTION 41 – OTHER BENEFITS

41.1 Personal Protective Equipment: The County will reimburse employees for safety shoes and prescription safety eyeglasses which the Department Head has determined eligible for such reimbursement.

- A. **Safety Shoes.** The County will reimburse employees for the purchase and repair of safety shoes in an amount not to exceed two hundred seventy-five dollars (\$275) for each two (2) year period beginning on January 1, 2002. There is no limit on the number of shoes or repairs allowed.

41.2 414H2 Participation. The County will continue to implement Section 414(h) (2) of the Internal Revenue Code which allows the County Auditor-Controller to reduce the gross monthly pay of employees by an amount equal to the employee's total contribution to the County Retirement System before Federal and State income taxes are withheld and forward that amount to the Retirement system. This program of deferred retirement contribution will be universal and non-voluntary as is required by statute.

To reestablish eligibility, employees must again make a Base Contribution Amount as set forth above based on current monthly salary. Employees with a break in deferred compensation contributions either because of an approved medical leave or an approved financial hardship withdrawal will not be required to reestablish eligibility. Further, employees who lose eligibility due to displacement by layoff, but maintain contributions at the required level and are later employed in an eligible position, will not be required to reestablish eligibility.

This time is non-accruable and all balances will be zeroed out on December 31st of each year. Beginning on January 1, 2014, and on January 1st of each year thereafter, full-time employees in safety classifications in paid status will be credited with eighty hours (80) of paid Management Administrative Leave. This time is non-accruable and all balances will be zeroed out on December 31st of each year.
- B. Permanent part-time employees are eligible for Management Administrative Leave on a prorated basis, based upon their position hours. Permanent-intermittent employees are not eligible for Management Administrative Leave.

SECTION 41 - OTHER BENEFITS

- C. Employees appointed (hired or promoted), are eligible for Management Administrative Leave on the first day of the month following their appointment date and will receive Management Administrative Leave on a prorated basis for that first year.
- D. Employees on the Overtime Exempt Exclusion List are authorized to receive overtime pay; therefore, their Management Administrative Leave will be reduced by 25% each time the employee is on the List. The 25% reduction will be deducted from the employee's current leave balance, but if there is no balance, it will be deducted from future awarded Annual Management Administrative Leave.
- E. This section does not apply to employees in classifications of Unit C and the Appraisers Unit (ZD).

41.6 Management Development Policy: Employees are authorized to attend professional training programs, seminars, and workshops, during normal work hours at the discretion of their Department Head, for the purpose of developing knowledge, skills, and abilities in the areas of supervision, management, and County policies and procedures. Up to thirty (30) hours of such training time is recommended annually.

- A. Departments are encouraged to provide for professional development training exceeding thirty (30) hours annually for people newly promoted to positions of direct supervision.
- B. To encourage personal and professional growth, the County provides reimbursement for certain expenses incurred by employees for job-related training (required training and career development training/education). Provision for eligibility and reimbursement is identified in Administrative Bulletin 112.9.
- C. The Department Head is responsible for authorization of individual professional development reimbursement requests. Reimbursement is through the regular demand process with demands being accompanied by proof of payment (copy of invoice or canceled check).

41.7 Management Life Insurance: Employees are covered at County expense by term life insurance in the amount of fifty seven thousand dollars (\$57,000) in addition to the insurance provided in Section 12.8.

41.8 Bilingual Pay Differential: A monthly salary differential will be paid to incumbents of positions requiring bilingual proficiency as designated by the Appointing Authority and the Director of Human Resources. The differential will be prorated for employees working less than full time and/or on an unpaid leave of absence during any given month. The differential is two hundred dollars (\$200.00) per month.

Designation of positions for which bilingual proficiency is required is the sole prerogative of the County, and such designations may be amended or deleted at any time. The Union shall be notified when such designations are made.

41.9 Other Terms and Conditions of Employment

- A. Overtime Exempt Exclusion: Employees in Local 21-represented classifications are overtime exempt and are not eligible for overtime pay, holiday pay, overtime compensatory time, or holiday compensatory time. Instead, these employees are awarded Annual Management Administrative Leave in recognition of the extra burden their job responsibilities may sometimes place on their work schedules. However, employees may be made eligible for overtime pay if their names are placed on the Overtime Exempt Exclusion List by the County Administrator's Office. Employees on the Overtime Exempt Exclusion List are authorized to receive overtime pay, only. These employees are NOT eligible for holiday pay, overtime compensatory time, or holiday compensatory time. Employees on the Overtime Exempt Exclusion List are also NOT eligible for Annual Management Administrative Leave for the quarter they are on the Overtime Exempt Exclusion List. The policies and procedures for the Overtime Exempt Exclusion List are set forth in the County Administrator's Administrative Bulletin Number 317, as may be amended.

If exigent circumstances exist, such as natural disaster or a work action (strike), the County Administrator may waive the standard quarterly procedure and approve employees to be placed on the exempt exclusion list for a period of no less than one month. In these circumstances, the annual administrative leave will be reduced each month based on a proration of their awarded hours (8.3%). The hours either will be reduced from the employee's current administrative leave balance or future awarded administrative leave hours.

Employees may be approved for placement on the Overtime Exempt Exclusion List if and when they are assigned to a special or temporary project or task that requires persistent, excess work hours, without relief from their regular job duties. Overtime pay will not be authorized as a means to address normal staffing or operational issues.

- B. Overtime: Employees on the Overtime Exempt Exclusion List will be compensated at one and one-half (1.5) times their base rate of pay (excluding differentials) for authorized work exceeding eight (8) hours in a day or forty (40) hours in a week.
- C. Length of Service Credits: Length of service credit dates from the beginning of the last period of continuous County employment, including temporary, provisional and permanent status and absences on an approved leave of absence; except that when an employee separates from a permanent position in good standing and is subsequently re-employed in a permanent County position within two (2) years from the date of separation, the period of separation will be bridged. Under these circumstances, the service credits will include all credits accumulated at the time of separation but will not include the period of separation. The service credits of an employee are determined from employee status records maintained by the Human Resources Department.

SECTION 41 - OTHER BENEFITS

- D. This section does not apply to employees in classifications of Unit C and the Appraisers Unit (ZD).

- B. Where a lump-sum payment is made to employees as a retroactive general salary adjustment for a portion of a calendar year that is subsequent to the exercise by an employee of the vacation buy-back provision herein, that employee's vacation buy-back will be adjusted to reflect the percentage difference in base pay rates upon which the lump-sum payment was computed, provided that the period covered by the lump-sum payment includes the effective date of the vacation buy-back.
- C. This section does not apply to employees in classifications of Unit C or the Appraisers Unit (ZD).

41.11 Professional Development Reimbursement: Employees (excluding Engineering Managers) are eligible for reimbursement of up to six hundred twenty-five dollars (\$625) for each two (2) year period beginning on January 1, 1999, for memberships in professional organizations, professional license fees required by the employee's classification, subscriptions to professional publications, attendance fees at job-related professional development activities and purchase of job-related computer hardware and software (excludes automation connectivity, support, or subscription fees) from a standardized County-approved list or with Department Head approval, provided each employee complies with the provisions of the Computer Use and Security Policy adopted by the Board of Supervisors and the applicable manuals. In order to receive reimbursement, the employee must have been in an eligible classification when the expense was incurred.

Each professional development reimbursement request must be approved by the Department Head and submitted through the regular demand process. - B. Payout is not available if the employee is eligible to retire.

Should prescription eyeglasses be prescribed for the employee following the examination, the County agrees to provide, at no cost, basic eye wear consisting of a fifty dollar (\$50) frame and single, bifocal or trifocal lenses. Employees may, through individual arrangement between the employee and the employees' doctor and solely at the employee's expense, include blended lenses and other care, services or materials not covered by the Plan.

SECTION 43 –STATE DISABILITY INSURANCE (SDI)

43.1 General Provisions. Contra Costa County participates in the State Disability Insurance (SDI) program, subject to the rules and procedures established by the State of California. The County augments the SDI program with its SDI Integration Program. Changes to the State Disability Insurance program could affect the County's SDI Integration Program. Determination of SDI payments and eligibility to receive payments is at the sole discretion of the State of California. Employees eligible for SDI benefits are required to apply for SDI benefits and to have those benefits integrated with the use of their sick leave accruals on the following basis:

"Integration" means that employees are required to use their sick leave accruals to supplement the difference between the amount of the SDI payment and the employee's base monthly salary to the extent that the total payment does not exceed the employee's base monthly salary. Integration of sick leave with the SDI benefit is automatic and cannot be waived. Integration applies to all SDI benefits paid. For

employees off work, on disability, and receiving SDI, the employee's County Department will make appropriate integration adjustments, including retroactive adjustments, if necessary. Employees must inform their Department of their application for SDI in a timely manner in order for the Department to make appropriate integration adjustments. SDI benefit payments will be sent directly to the employee by the State of California.

When there are insufficient sick leave accruals available to fully supplement the difference between the SDI payment and the employee's base monthly salary, accruals other than sick leave may be used to supplement the difference between the amount of the SDI payment and the employee's base monthly salary. These accruals may be used only to the extent that the total payment does not exceed the employee's base monthly salary.

43.2 Procedures. Employees with more than 1.2 hours of sick leave accruals at the beginning of the disability integration period must integrate their sick leave accrual usage with their SDI benefit to the maximum extent possible.

When employees have 1.2 hours or less of sick leave accruals at the beginning of the disability integration period, the Department will automatically use 0.1 hours of sick leave per month for the duration of their SDI benefit.

When the SDI benefit is exhausted, integration terminates. The employee then may continue to use sick leave without integration and/or other accruals.

When sick leave accruals are totally exhausted, integration with the SDI benefit terminates. An employee may choose to use any other accruals without reference to the SDI Integration Program.

Employees with no sick leave balance at the beginning of their SDI integration period may use any other accruals without reference to the SDI Integration Program. Employees whose SDI claims are denied must present a copy of their claim denial to their Department. The Department will then authorize the use of unused sick leave and/or other accruals as appropriate.

43.3 Method of Integration. For purposes of integration with the SDI program, all full-time employees' schedules will be converted to eight (8) hour/five (5) day weekly work schedules during the period of integration.

The formula for full-time employees' sick leave integration charges is as follows:

$$L = [(S - D) \div S] \times 8$$

S = Employee Base Monthly Salary

H = Estimated Highest Quarter (3-mos) Earnings [H = S x 3]

W = Weekly SDI Benefit from State of California SDI Weekly Benefit Table

C = Calendar Days in Each Month

D = Estimated Monthly SDI Benefit [d = (W ÷ 7) x C]

L = Sick Leave Hours Charged per Day

Permanent part-time employees, permanent-intermittent employees, and full-time

SECTION 45 – POSITION CLASSIFICATION STUDY

employees who are working a light/limited duty reduced schedule, will have their sick leave integration adjusted accordingly.

43.4 Definition. "Base Monthly Salary", for purposes of the SDI integration program, is defined as the salary amount of the employee's step on the salary schedule of the employee's classification at the time of integration.

SECTION 44 - NON-HEALTHCARE/ NON-GENERAL WAGE RE-OPENER

During the months of August through October 2020, the Union may request to reopen this MOU for the limited purpose of negotiating over a specific and finite list of non-healthcare/non-general wage/non-lump sum issues identified by the Union and agreed upon by the County. The total cost to the County to address the issues that the Union requests to negotiate about during the re-opener will be limited to the Union's share of \$2 million that will be allocated among the nine unions of the 2018 Healthcare Coalition. The \$2 million will be divided on a per capita basis of total union-represented employees per union as of October 1, 2018. These per capita figures will be provided to the County in one document by the Healthcare Coalition along with the request to reopen the MOU. The \$2 million will have a start date no earlier than January 1, 2021.

SECTION 45 – POSITION CLASSIFICATION STUDY

An employee who believes their position is misclassified may submit to their supervisor/manager a written request for a position classification study. The request must include the employee's name, classification, department, and their basis for their belief that their position is misclassified. The department will review the request within ninety (90) calendar days of receipt of the completed request. If the department supports the request the employee will be provided with a Position Description Questionnaire (PDQ) form to complete and return to the department to begin the position classification review process. If the department does not support the request, they will notify the employee of their determination and their reasons for denial within ninety (90) calendar days of receipt of the written request.

SIDE LETTER Layoff Procedure

This side letter is by and between the Profession and Technical Engineers Local 21 (Union) and the County of Contra Costa (County) and is effective only after it is approved by the Board of Supervisors.

The Union and the County Human Resources Department met on April 21, 2010 and April 30, 2010 to discuss the county layoff procedure and the obligation of the county to meet, upon request, regarding the effects of layoff and to provide relevant known information to the Union.

These meetings concluded with an agreement by the County to offer to meet with the Union prior to the Board of Supervisors finalizing layoffs and before the 10-day notice of layoff are sent to the employee(s). At this meeting the exact number and classification (s) of employees slated for layoff will not have been finalized, but the parties agreed that this early meeting prior to finalization would be useful to the parties and make the effects meet and confer sessions more meaningful and efficient. The County also agreed to provide the Union with the classification(s) possibly affected and possible scenarios of bumping or demotion to vacant positions, etc., if known.

Once the Board of Supervisors finalized an order for layoffs, the Union will be copied on each affected employee's official notice of layoff. Upon request and prior to the formal effects meet and confer the County will supply the Union with seniority rankings within the affected department and any other budget or relevant information requested by the Union.

**CONTRA COSTA COUNTY
RETURN TO WORK
POLICY FOR ILLNESS
OR INJURY**

Return to Work Policy for Industrial Injury or Illness

1. Permanent employees who have suffered industrial injuries and illnesses may be provided with such restricted duty as the County is able to provide as soon as medically appropriate.
 - A. Covered employees must have an accepted Worker's Compensation claim. Probationary employees, project, contracted, seasonal, agency temporary, temporary, and employees working less than 20 hours a week are not covered by this policy.
 - B. A restricted duty assignment may be provided within the County's capacity, consistent with restriction(s) recommended by the treating physician. Should any disagreement exist, the County will follow California State law. Restrictions from the physician must be in writing on a form supplied by the County or on the physician's letterhead.
 - C. Employees performing in a restricted duty assignment will continue to receive their regular pay and benefits for hours actually worked. Pay and benefits will be prorated in the case of part-time work, subject to MOU provisions and salary regulations.
 - D. Current department practices and applicable state and federal laws regarding return to work procedure and restricted duty for certain employees who are exempt from this policy (i.e. non-industrial illnesses or injuries and probationary employees), will continue and are not subject to this policy.
- II. **OBJECTIVE:** The objectives of providing work for temporarily industrially injured employees through restricted duty are to reduce disability and Worker's Compensation costs, maximize productivity, minimize the loss of human resources and promote full and prompt recovery with the return of the employee to productive employment.
- III. **SCOPE OF POLICY:** All departments and Board-governed agencies which are part of the County retirement system (excluding the Contra Costa County Fire Protection District, East Contra Costa Fire Protection District safety employees, Sheriff's Office and DA Investigators safety employees, Housing Authority, and In-Home Supportive Service providers) are subject to this Return to Work Policy.
- IV. **GENERAL BACKGROUND:** A restricted duty assignment is a temporary assignment provided to a temporarily industrially disabled employee. Restricted duty may be for less than regular full-time work, but no less than 4 hours per day.

- A. A temporarily industrially disabled employee with an accepted Worker's Compensation claim shall return to a restricted duty assignment that is not inconsistent with restrictions recommended by the employee's treating physician or a Qualified Medical Examiner (QME), if applicable.
- B. A Department shall, whenever feasible, temporarily restrict the duties of an employee in order to conform to restrictions recommended by the treating physician for a cumulative maximum of six (6) months per injury with a review after three (3) months or sooner, if appropriate. At the end of the six (6) month period, the employee shall undergo a medical review to determine whether a full duty work release is possible. If full release is not possible, the employee shall be referred to the Risk Management ADA Coordinator and/or the Return to Work Committee for evaluation.
- C. In the event that an employee disagrees with the Department Head's decision concerning a light duty assignment, he/she may appeal that decision to the Risk Manager within fifteen (15) calendar days. The subject of the appeal shall be heard at the next regularly scheduled Return to Work Committee. The Return to Work Committee may affirm, reject or modify the Department Head's decision. The following factors shall be considered by the Return to Work Committee when considering an appeal:
 - 1. The restrictions recommended by the employee's treating physician or QME, if applicable;
 - 2. The operational and financial needs of the department; and
 - 3. The availability of a suitable work assignment.

Either party may appeal the Committee's decision in writing to the Director of Human Resources or his/her designee within fifteen (15) calendar days of the Committee's decision.

V. RESPONSIBILITIES:

A. Departments

The principal responsibility for implementing the Return to Work Policy rests with the appointing authority. Departments will also:

- 1. Complete and submit an injury report for industrial injuries and illness on a timely basis.

2. Appoint a Department Return to Work Coordinator to administer the department's compliance with the Return to Work Policy under the direction of the department head. The Department Return to Work Coordinator shall review restricted duty assignments and make recommendations to the department head regarding adjusting, extending or terminating the restricted duty in accordance with the operational and financial needs of the department and consistent with the employee's medical restrictions. The Department Return to Work Coordinator will document and monitor all limited duty assignments. They will also maintain a centralized record of all assignments.
3. Inform department employees of the Return to Work Policy.
4. Implement restricted duty assignments for temporarily industrially disabled employees as soon as medically appropriate, operationally feasible, and when a suitable assignment is available.
5. Coordinate with Risk Management regarding an individual employee's restricted duty assignment.
6. The Risk Management Department shall provide the Union quarterly reports of the number of requests for ergonomic evaluations, the number of evaluations performed, and the actions taken based on these reports. The County shall meet with the Union upon the Union's request to review such reports and to discuss ergonomic issues.

B. Employee

A temporarily industrially disabled employee shall:

1. Notify the department of an industrial injury or illness in accordance with Worker's Compensation regulations.
2. Seek prompt medical care through the County's Occupational Medicine Program or through a properly pre-designated physician in accordance with the law. The employee shall obtain needed medical information from the physician and provide that information to the County.
3. Accept an appropriate available restricted duty assignment within or outside the employee's department if one is offered. A restricted duty assignment must be consistent with limitation recommended by the employee's treating physician or QME, if applicable, and must be approved by the Department Return to Work Coordinator. If an employee is assigned to a restricted duty assignment outside of their department, a supervisor in the department providing the restricted duty

assignment shall supervise the employee. The employee's home department is required to pay the employee's regular salary.

4. A department head has the authority to temporarily restrict the duties of an employee in accordance with this policy.
5. Failure of an employee to accept an offer of a medically appropriate restricted duty assignment will result in the denial of temporary disability benefits pursuant to Worker's Compensation law.

C. County Return to Work Coordinators

The County Return to Work Coordinators shall:

1. Work at the direction of the Risk Manager
2. Assist departments in identifying and developing suitable restricted duty assignments
3. Assist department in resolving questions regarding work restrictions and restricted duty placements.
4. Provide, as necessary, counseling and other services to employees placed on restricted duty.
5. Assist in finding restricted duty assignments outside of the home department, if the home department cannot provide restricted duty. The home department will provide the salary of the employee.
6. Coordinate the appeal process for employees regarding restricted duty.

D. Return to Work Committee

The Return to Work Committee shall hear appeals under the Appeal Procedure as described in Section IV (C) General Background above, and make recommendations to the department. In the event a department does not grant a restricted duty assignment requested by an employee or a requested extension of an existing restricted duty assignment, the employee may appeal to the Return to Work Committee. The Committee shall hear the appeal and make a recommendation to the department head.

E. Risk Manager

The County Risk Manager shall:

Oversee the administration of this policy and provide ongoing education of department heads, managers, and department return to work coordinators

concerning this policy.

VI: DEFINITIONS:

- A. **Restricted Duty:** A temporary work assignment provided to a temporary industrially disabled employee who cannot perform his/her regular job duties for a specific period of time. The temporary assignment is provided while an individual is recuperating from an industrial injury or illness. An employee will be assigned to restricted duty within their primary department whenever possible. If no assignment can be located within the employee's primary department, the County will make reasonable efforts to locate a comparable position in another department. Restricted duty is only available to a person who is expected to return to her/his regular job duties. If an employee is on a discretionary 9/80 or 4/10 work schedule and is returning to a restricted duty assignment on a part-time basis, the 9/80 or 4/10 shall be revoked. Pay for restricted duty shall be the same salary and benefits of the employee's regular position, provided however, that shift and other pay differentials will only be paid for the first thirty (30) days of restricted duty unless the employee qualifies for pay differentials.
